*People who call our community their own.*

**What makes Duane Kingery smile?** "Going to the Father's Day Car Show," said the 64-year-old Noblesville resident, who was found showing his red 1953 Chevy pickup at the Central Indiana Vintage Vehicles 31st annual Father's Day Car Show on Sunday in Forest Park in Noblesville. He also has a 2007 Chevrolet Corvette in Monterey Red. He was born and raised in Noblesville and is a 1976 graduate of Hamilton Southeastern High School. He has a wife, Nancy, and two daughters, Kelsey and Amber, both who graduated from Noblesville High School and Nancy worked for Noblesville Schools. He has a new granddaughter, 3-month-old Brianna Rose Krueger. He bought his truck 12 years ago. "I liked the color," said Kingery, whose truck won "Best Paint" at the show. Other reasons he was drawn to buy the truck: "I liked the shape, I liked the design ... the contours, the way the fenders look. It's just a beautiful design in my opinion .... It was already painted red. I put different wheels on it, put a different battery box on the back, changed the stereo out, put disc brakes on it, so a lot of mechanic changes," he said. The truck has a V8 engine, a 350 crate engine, 700R automatic transmission, so it's a four-speed automatic transmission with overdrive, and has power steering and power brakes, he said. Kingery called his truck a "resto-mod," (a classic that's been restored, but modified with modern parts and technology). "I have a hobby of old cars, plus I like to camp, so we have a motorhome. We go to Texas a lot, because that's where Brianna Rose is." See a photo of Kingery and his winning red truck in today's edition of The Times.

Patoka Lake is hosting its sixteenth annual Thunder Over Patoka fireworks display at Patoka Lake beach on Saturday, July 2 at 10 p.m. The display can also be viewed from the section C viewing area in the 300-loop of the modern campground for those camping at Patoka.

Music themed to the event will be played on WITZ-FM 104.7, at witzamfm.com or from WITZ-FM's smartphone app.

The entrance fee of \$7 per vehicle for Indiana residents and \$9 for out-of-state vehicles is required for the Newton-Stewart State Recreation Area, located north of Wickliffe on State Road 164. For more information, call the Nature Center at 812-685-2447.

## What's So Funny About 'Drinking Habits?'

**BETSY REASON**  
The Times Editor

Nancy Lafferty loves to laugh, and that's why she likes "Drinking Habits." Even the play title is a conversation starter, said Lafferty, who helped design a purple "Drinking Habits" souvenir shirt, another conversation starter, for The Belfry Theatre's final production, opening Friday, in the theater's 2021-22 regular season.

Lafferty, who chose the comedy in 2019 before the pandemic, said, "I directed mostly comedies when I taught high school theater, because my students and

their parents liked to laugh." She had not directed a farce like "Drinking Habits" for The Belfry. "And I felt like it was time that I did," she said.

"As we all know, the pandemic came, and 'Drinking Habits' was canceled for the 2020 season, as well as the 2021 season. So I am thrilled that we are finally able to get this delightful show in front of an audience this season."

Mary Reynolds, who works at the Sheridan Historical Society, emailed that Jim Pickett, the former president of the society, said the road between 246th and 256th Streets that appears as "Dartown Road" on local maps was actually called "Dan Robbins' Road," after the prosperous African American farmer who lived there.

Apparently, the people responsible for officially naming the road got confused and "Dan Robbins" somehow got twisted into "Dartown."

## OBITUARIES

### Margie Arlene Erney (Deaver)

June 18, 2022

Margie Arlene Erney (Deaver) was called home to be with her Lord and Savior Jesus Christ on June 18, 2022.

Ms. Erney spent several years working for Riverview Hospital as a dietary aide and custodian as well as numerous long-term care facilities as both a nurse's aide and later a cook responsible for feeding all the residents of the facility. She later retired as a custodian from Hamilton County Government. As a divorced mother of four, she was forced to work two jobs most of her life to put them through school and put food on the table.

Ms. Erney was universally loved as both a hard worker as well as someone who would go out of her way to help anyone else who needed assistance. To know her was to love her and she will be greatly missed by all who had the pleasure of doing so. May she rest in peace knowing that her work on this earth is done and her legacy lives on in her children and their families.

Survivors include her four children Brian K. Erney of Atlanta, Tammy S. White of Arcadia, Julie L. Higgins of Noblesville and Robert L. Erney of Indianapolis; and one sister Barbara Landes of Noblesville.

She was preceded in death by her mother Geneva Deaver (McCord); father John Deaver; and sisters Sandra K. Hendrickson and Loretta Cavanaugh.

Visitation is scheduled to be held from 5 to 8 p.m. on Monday, June 27, 2022 at Randall & Roberts Funeral Center, 1685 Westfield Road, in Noblesville. Services are scheduled to be held at 11 a.m. on Tuesday, June 28, 2022 at the funeral home.

Online condolences may be made at [www.randallroberts.com](http://www.randallroberts.com).

### Reeta Jeanne Gast

February 28, 1928 - May 24, 2022

Reeta Jeanne Gast took her last breath here on earth at Magnolia Springs in Carmel on May 24, 2022. The next moment she was welcomed into heaven by her Lord and also by her beloved husband Elvis who passed away in 2009.

She was born in Chebanse, IL, on February 28, 1928 to Clyde and Opal Parker.

Mrs. Gast was affectionately known as mom, grandma, and "GG." She was an excellent cook and consummate homemaker. And she also loved her farm and farming. For years she and her husband were active members of St Peter's United Church of Christ in Frankfort, IL and she was a Bible Study Fellowship teacher. Upon her husband's retirement they spent many years traveling and visiting family and friends. Mrs. Gast and her husband moved to Noblesville in 2005 to be closer to family. And family was the heart and center of her life. They were active members of Bethel Lutheran Church in Noblesville, where she served as a counter and pantry volunteer.

Survivors include her children Rev. Douglas (Terri) Gast of Noblesville, Richard (Suzanne) Gast of Tucson, AZ, Nancee (Paul) Graves of Millburn, NJ and Jonathan (Jennifer) Gast of Moorpark, CA; as well as 13 grandchildren and 16 great grandchildren.

She was preceded in death by her parents; as well as siblings Margie, Russell and Betty.

Her family gives special thanks to the wonderful caring staff at Magnolia Springs in Carmel where she resided for 7 months and also to the compassionate skilled care she received from Suburban Hospice.

A celebration of life service is scheduled to take place in the fall at Bethel Lutheran Church.

Memorial contributions can be made to the Bethel Columbarium Fund, 20650 Cumberland Road, Noblesville, IN 46062.

Online condolences may be made at [www.randallroberts.com](http://www.randallroberts.com).

### Debbie Letourneau

March 5, 1951 - March 31, 2022

Debbie Letourneau, of Dover, FL went home to be with the Lord on March 31, 2022.

She was born in Noblesville, Indiana on March 5, 1951, and was a graduate of Noblesville High School - Class of 1969.

Mrs. Letourneau met the love of her life and future husband, Reggie Letourneau in high school. They were married in 1972 and lived in the Noblesville area for the next five years. In 1977 they moved to the Tampa, Florida area and raised their family in the Tampa Area over the next 42 years together. Mrs. Letourneau loved her husband very much and they supported one another through the ups and downs of their life together. They thrived while teaming up to start two electrical contracting businesses, L&L Electric of Tampa and Blackbird Electric. She supported Reggie while being mother to two sons, Bryon, and Cory.

Mrs. Letourneau loved sports of all kinds and was a mainstay at every sporting event her sons participated in from little league baseball and soccer to high school and college basketball. She loved College Basketball especially. She knew more about the game and participants than even her own sports crazed men. March Madness was Mrs. Letourneau's favorite time of year directly followed by Christmas. She loved Christmas so much that she had at least three Christmas trees every year and kept her Christmas decorations including her outdoor lights on nearly year-round. She and Reggie loved motorsports. They frequented NASCAR races in Daytona Beach Florida and most of all loved to go to the NHRA Drag Races. Mrs. Letourneau and her husband were glued to their bleacher seats many years watching the Gator Nationals in Gainesville, FL, or their favorite the US Nationals in their beloved Indianapolis, IN. In fact, just weeks before her death she got to attend one last Gator Nationals with her son Cory and grandsons Tristan and Gabe.

Survivors include her mother Martha Griffin of Kokomo, IN; sister Marcia Hunt of Tipton, IN; two sons Bryon (Lane) Letourneau of Duluth, GA and Cory (Abby) Letourneau of Dover, FL; and nine grandchildren Bryn, James, Thomas, Tristan, Gabe, Maggie, Scarlett, Henry and Elsie.

In addition to her husband Reggie, she was preceded in death by her father Herbert Griffin.

There is scheduled to be a celebration of life service held Saturday June 25, 2022, at Calvary Baptist Church, 197 South 9th Street, Noblesville, Indiana at 11 a.m., with visitation scheduled to begin at 10 a.m.

Donations may be made to First Baptist Church of Brandon, Florida's Compassion House.

### Susan Sferruzzi McCardle

March 24, 1941 - June 19, 2022

Susan Sferruzzi McCardle, 81, of McCordsville, passed away on Sunday, June 19, 2022 at Traditions at Brookside.

She was born on March 24, 1941 to Joseph and Susan (Ailes) Sferruzzi in Indianapolis, Indiana.

Ms. McCardle graduated from Thomas Carr Howe High School in 1958. In 1959, she began working for Indiana Bell and retired in 1991. In 1994, she went back to work for Indianapolis Public Schools for another 12 years. Ms. McCardle spent countless hours volunteering, earning the Stark Award from the Indianapolis Zoo in 1998. This prestigious award required 1000 hours of volunteer service. In her spare time she made catnip toys and hammocks for the Humane Society and teddy bears for first responders to give to children.

Survivors include her daughter Cindy Stettler, who married Devin Stettler in 1994; as well as grand-daughters Samantha (22) and Hannah (20).

In addition to her parents, she was preceded in death by her 12 brothers and sisters; as well as 23 nieces and nephews.

Visitation is scheduled to be held from 4 to 7 p.m. on Wednesday, June 22 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, in Fishers. Burial will be at Washington Park East Cemetery in Indianapolis.

Memorial contributions may be made to your local Humane Society; or Wounded Warrior Project, PO Box 758516, Topeka, KS 66675 (<https://support.wounded-warriorproject.org>).

Online condolences may be made at [www.randallroberts.com](http://www.randallroberts.com).

### Charlotte (Kirk) McKinzie

December 17, 1930 - June 10, 2022

Charlotte (Kirk) McKinzie, 91, of Carmel, passed away June 10, 2022.

She was born in Hamilton County on December 17, 1930, daughter of John T. and Bessie (Richardson) Kirk.

Mrs. McKinzie was a 1948 graduate of Carmel High School. She married Max McKinzie September 4, 1953. She worked as Receptionist and Switchboard Operator for more than 34 years with Statesman Insurance which later became Northwestern Insurance.

As a longtime patronage of MCL restaurant, Mrs. McKinzie and a group of friends met daily for lunch as well as most evenings. Sunday was a special day because she looked forward to having ham and sweet potatoes for lunch. In the summer, she liked driving her red Ford Mustang convertible with the top down. Mrs. McKinzie possessed a pleasant smile and enjoyed chatting with most anyone. She faithfully attended Central Christian Church for several years.

Survivors include her niece Linda Webster; nephew Tom (Pat) Kirk; along with other nieces and nephews.

She was preceded in death by her husband Max on January 4, 2001.

A time of Visitation is scheduled to take place on Thursday, June 16, 2022 at 10 a.m. in Bussell Family Funerals, 1621 E Greyhound Pass, Carmel, where the Funeral Service is scheduled to begin at 11 a.m.

Burial will follow in Carmel Cemetery. Arrangements have been entrusted to Bussell Family Funerals.

### Thomas Joe Randall

February 1, 1953 - June 15, 2022

Thomas Joe Randall, 69, of Noblesville, passed away on Wednesday, June 15, 2022 at his home.

He was born on February 1, 1953 to Robert and Flossie (Walti) Randall in Lima, Ohio.

Mr. Randall worked as a quality inspector at Paragon Medical. He was a member of Village Park Bible Methodist Church. He was passionate about gardening. Mr. Randall was skilled with his hands and always willing to help those in need. He enjoyed Taekwondo and earned a 2nd degree Black Belt. Most of all, he loved Jesus and his family and was a loving husband, father and grandfather.

Survivors include his wife Leisa Randall; three sons Aaron (Jet) Randall, Nathan (Leah) Randall and Ben (Tanessa) Randall; nine grandchildren Reagan, Ryann, Blaine, Chase, Zoey, Emma, Kaylie, Cole and Adalyn; five siblings Robert Randall, Barbara (Al) Spencer, John (Mary) Randall, Betsy (Paul) Hicks and Jane (Tim) Burnworth; in-laws Diana (Nick) Hart, Clifford (Brenda) Burgess and Pat (Donna) Burgess; and 17 nieces & nephews.

In addition to his parents, he was preceded in death by his sister-in-law Patricia Randall.

Visitation is scheduled to be held from 4 to 8 p.m. on Friday, June 17, 2022 at Randall & Roberts Funeral Center, 1685 Westfield Road, in Noblesville. An additional visitation is scheduled to be held on Saturday, June 18, 2022 from 10 to 11 a.m., with funeral services scheduled to begin at 11 a.m. at the funeral home. Burial will be at Prairie Baptist Cemetery in Noblesville.

Memorial contributions may be made to Village Park Bible Methodist Church, 219 W 161st Street, Westfield, IN 46074.

# Auditions Announced for 'Rehearsal for Murder'

Hamilton County Theatre Guild's The Belfry Theatre announces auditions for its first show of the 2022-23 theater season, "Rehearsal for Murder." Auditions will be 7 p.m. to 9 p.m. Sunday

and Monday, June 26 and 27, 2022, at Noblesville First United Methodist Church in Noblesville. Use the east entrance. The show is adapted by D.D. Brooke from the teleplay by Richard Levinson and William

Link. The play is directed by Diane W. Wilson of Carmel and stage managed by Fran Knapp of Noblesville. The director is seeking 15 cast members. **Synopsis:** A year following the untimely

death of a famous onscreen actress and an up-and-coming Broadway star, a famous playwright (and the former fiancé of the star) assembles all those who last interacted with the actress under the pretense of reading

excerpts from a new play he is writing. Even though the actress's death was ruled as a suicide, the playwright believes otherwise, and he plans to prove it and trap a killer as the scenes from his new play come to

life. Performance dates are Sept. 23 - Oct. 2. Email the director at [diane@wandwdestinations.com](mailto:diane@wandwdestinations.com) or visit <https://thebelfrytheatre.com/fo> download an audition packet.

## I CAN HEAR, BUT I CAN'T UNDERSTAND

Did you know that the earliest sign of hearing difficulty is often the complaint that "I can hear, but I can't understand." While this type of comment may seem contradictory, it makes a lot of sense to the hearing care professionals at Beltone. In an industry that is often confusing to consumers – our goal is to make patients comfortable in a no pressure environment. At Beltone, our hearing screenings and evaluations are always complimentary. We take the time to get to know you and your medical history and explain the results of your evaluation in an easy-to-understand way.

**What you can expect at Beltone:**  
**Great hearing devices:** Our advanced digital technology gives you speech clarity with minimal background noise.  
**Customer service:** From day one, we established a set of values unlike anything else in the industry – making your health our number one priority.  
**Exclusive BelCare:** Receive a lifetime of care and service for both you and your device.

Hearing aids are not just to help you hear but are critical to improving your brain's ability to decode speech. If hearing loss is left untreated, speech discrimination drops over time. This is because the part of the brain that decodes speech is not getting any exercise. Like a muscle without exercise, the ability to decode speech will deteriorate, but unlike a muscle, in most cases you can't get it back. This is why it's very important to get a hearing aid when you need one, rather than waiting until you can't hear at all.

P.S. We know there are hundreds of hearing aid advertisements out there promising different things. We see the news stories that talk about over-the-counter hearing aids. We can tell you the truth about "cheap" hearing aids—they don't work very well. At Beltone we are dedicated to finding a hearing solution that is right for both you and your budget!

LEGAL NOTICE OF PLANNED IMPROVEMENT
DES. # 1801438/1902009
The Indiana Department of Transportation (INDOT) is developing plans for a proposed multi-use trail construction and bridge rehabilitation project in the City of Noblesville, Hamilton County, Indiana. The project will take place on Little Chicago Rd. from Elderberry Rd. to Carrigan Rd.
The purpose of this project is to improve north-south connectivity of non-motorized transportation facilities and connectivity to neighborhoods along Little Chicago Rd. from Elderberry Rd. to Carrigan Rd. Additionally, the purpose of the project is to improve Hamilton County Bridge No. 106 (29-00106, NBI #29000094) to condition ratings greater than 7 (good) of 9 for all bridge elements.
The need for the project stems from the lack of north-south connectivity for non-motorized transportation facilities (pedestrian and bicycle) along Little Chicago Rd. from Elderberry Rd. to Carrigan Rd. Presently, there are several residential neighborhoods (South Harbor, Pine Knoll, and The Bluffs), apartment /condominium complexes (Lions Creek and The Villas on Morse Reservoir), and businesses within the Harbour Town Shoppes strip that lack connectivity for non-motorized transportation facilities along Little Chicago Rd. Another need for the project stems from the deteriorated condition of Hamilton County Bridge No. 106. According to the most recent bridge inspection report, the existing bridge has a condition rating of 5 (fair) of 9 for all bridge elements and the channel bank protection has a condition of 6 of 9 (bank slump, widespread minor damage).
This project involves construction of a 10 ft. wide, multi-use, asphalt trail adjacent to Little Chicago Rd. along the east side of the roadway for its entire length, providing the connection between the current terminus of the trail at each location and linking the north and south side of Morse Reservoir. The project will involve constructing curb and gutter and storm sewer along the east side of the roadway. The northbound travel lane will be widened to 12 ft. and the roadway will be resurfaced alongside the limits of the trail work. The existing causeway and bridge will be widened over the reservoir.
The bridge rehabilitation will include widening of the piers and end bents and replacement of the beams, bridge deck, and railing. An 11 ft. wide raised sidewalk will be constructed over the bridge. The bridge rehabilitation will include widening the travel lanes to 12 ft. and shoulders to 4 ft. Deterioration and cracking of the piers and end bents will be repaired. The widened portion of the substructure will sit on a pile foundation and riprap scour countermeasures will be placed.
The project will also include replacement of the bridge approach slabs, standard guardrail components, curb ramps and geometrics for ADA compatibility, retaining wall construction, public road approach and driveway reconstruction, utility relocation, and roadway mitigation.
The proposed construction of this project will require 1.17 acres of new permanent right-of-way and 0.02 acres of temporary right-of-way. The project will result in 0.51 acres of impacts to the Morse Reservoir, which is a jurisdictional Waters of the United States.
The project is expected to take 11 months to complete. The maintenance of traffic (MOT) plan proposes a road and bridge closure of approximately four months and for one lane of the road to remain open with temporary signal or flaggers for approximately seven months. During the full road closure, an official detour route utilizing SR 38, Hague Rd., and Carrigan Rd. will be used during construction. Other local roads may be used by local traffic. Access to all properties will be maintained throughout construction. School corporations and emergency services will be notified of closures prior to construction. The proposed start of construction is 2024.
The cost associated with this project is approximately \$7 million which includes preliminary engineering, right-of-way, and construction with both federal, state, and local funds anticipated to be used. The Federal Highway Administration (FHWA) and INDOT have agreed this project falls within the guidelines of a Categorical Exclusion (CE) Level 3 environmental document. Preliminary design plans along with the CE are available for review at the following locations:
1. City of Noblesville Engineering Department Office (16 S 10th St. Noblesville, IN 46060)
2. USI Consultants, Inc. Office (8415 E 56th St. Indianapolis, IN 46216)
3. INDOT District Office (32 S Broadway St. Greenfield, IN 46140 and 855-463-6848)
4. USI Consultants, Inc. Website (https://www.usiconsultants.com/indot-contract-r-41344/)
All interested persons may request a public hearing be held and/or express their concerns by submitting comments to the attention of John Handke, (317) 649-2267, 8415 E 56th St. Indianapolis, IN 46216, jhandke@usiconsultants.com on or before June 30, 2022. Project documents can be mailed upon request.
In accordance with the Americans with Disabilities Act (ADA), persons and/or groups requiring project information be made available in alternative formats are encouraged to contact the City of Noblesville Engineering Department for the arrangement and coordination of services. Please contact Jim Hellmann, (317) 776-6330, jhellmann@noblesville.in.us. In accordance with Title VI of the Civil Rights Act of 1964, persons and/or groups requiring project information be made available in another language are encouraged to contact the City of Noblesville Engineering Department.
This notice is published in compliance with: 1) Code of Federal Regulations, Title 23, Section 771.111(h)(1) stating, "Each State must have procedures approved by the FHWA to carry out a public involvement/public hearing program."; 2) 23 CFR 450.210(a)(1)(ix) stating, "Provide for the periodic review of the effectiveness of the public involvement process to ensure that the process provides full and open access to all interested parties and revise the process, as appropriate."; and 3) The INDOT Project Development Public Involvement Procedures approved by the Federal Highway Administration on July 7, 2021.

LEGAL NOTICE OF PLANNED IMPROVEMENT
DES. # 1801438/1902009
The Indiana Department of Transportation (INDOT) is developing plans for a proposed multi-use trail construction and bridge rehabilitation project in the City of Noblesville, Hamilton County, Indiana. The project will take place on Little Chicago Rd. from Elderberry Rd. to Carrigan Rd.
The purpose of this project is to improve north-south connectivity of non-motorized transportation facilities and connectivity to neighborhoods along Little Chicago Rd. from Elderberry Rd. to Carrigan Rd. Additionally, the purpose of the project is to improve Hamilton County Bridge No. 106 (29-00106, NBI #29000094) to condition ratings greater than 7 (good) of 9 for all bridge elements.
The need for the project stems from the lack of north-south connectivity for non-motorized transportation facilities (pedestrian and bicycle) along Little Chicago Rd. from Elderberry Rd. to Carrigan Rd. Presently, there are several residential neighborhoods (South Harbor, Pine Knoll, and The Bluffs), apartment /condominium complexes (Lions Creek and The Villas on Morse Reservoir), and businesses within the Harbour Town Shoppes strip that lack connectivity for non-motorized transportation facilities along Little Chicago Rd. Another need for the project stems from the deteriorated condition of Hamilton County Bridge No. 106. According to the most recent bridge Inspection report, the existing bridge has a condition rating of 5 (fair) of 9 for all bridge elements and the channel bank protection has a condition of 6 of 9 (bank slump, widespread minor damage).
This project involves construction of a 10 ft. wide, multi-use, asphalt trail adjacent to Little Chicago Rd. along the east side of the roadway for its entire length, providing the connection between the current terminus of the trail at each location and linking the north and south side of Morse Reservoir. The project will involve constructing curb and gutter and storm sewer along the east side of the roadway. The northbound travel lane will be widened to 12 ft. and the roadway will be resurfaced alongside the limits of the trail work. The existing causeway and bridge will be widened over the reservoir.
The bridge rehabilitation will include widening of the piers and end bents and replacement of the beams, bridge deck, and railing. An 11 ft. wide raised sidewalk will be constructed over the bridge. The bridge rehabilitation will include widening the travel lanes to 12 ft. and shoulders to 4 ft. Deterioration and cracking of the piers and end bents will be repaired. The widened portion of the substructure will sit on a pile foundation and riprap scour countermeasures will be placed.
The project will also include replacement of the bridge approach slabs, standard guardrail components, curb ramps and geometrics for ADA compatibility, retaining wall construction, public road approach and driveway reconstruction, utility relocation, and roadway mitigation.
The proposed construction of this project will require 1.17 acres of new permanent right-of-way and 0.02 acres of temporary right-of-way. The project will result in 0.51 acres of impacts to the Morse Reservoir, which is a jurisdictional Waters of the United States.
The project is expected to take 11 months to complete. The maintenance of traffic (MOT) plan proposes a road and bridge closure of approximately four months and for one lane of the road to remain open with temporary signal or flaggers for approximately seven months. During the full road closure, an official detour route utilizing SR 38, Hague Rd., and Carrigan Rd. will be used during construction. Other local roads may be used by local traffic. Access to all properties will be maintained throughout construction. School corporations and emergency services will be notified of closures prior to construction. The proposed start of construction is 2024.
The cost associated with this project is approximately \$7 million which includes preliminary engineering, right-of-way, and construction with both federal, state, and local funds anticipated to be used. The Federal Highway Administration (FHWA) and INDOT have agreed this project falls within the guidelines of a Categorical Exclusion (CE) Level 3 environmental document. Preliminary design plans along with the CE are available for review at the following locations:
1. City of Noblesville Engineering Department Office (16 S 10th St. Noblesville, IN 46060)
2. USI Consultants, Inc. Office (8415 E 56th St. Indianapolis, IN 46216)
3. INDOT District Office (32 S Broadway St. Greenfield, IN 46140 and 855-463-6848)
4. USI Consultants, Inc. Website (https://www.usiconsultants.com/indot-contract-r-41344/)
All interested persons may request a public hearing be held and/or express their concerns by submitting comments to the attention of John Handke, (317) 649-2267, 8415 E 56th St. Indianapolis, IN 46216, jhandke@usiconsultants.com on or before June 30, 2022. Project documents can be mailed upon request.
In accordance with the Americans with Disabilities Act (ADA), persons and/or groups requiring project information be made available in alternative formats are encouraged to contact the City of Noblesville Engineering Department for the arrangement and coordination of services. Please contact Jim Hellmann, (317) 776-6330, jhellmann@noblesville.in.us. In accordance with Title VI of the Civil Rights Act of 1964, persons and/or groups requiring project information be made available in another language are encouraged to contact the City of Noblesville Engineering Department.
This notice is published in compliance with: 1) Code of Federal Regulations, Title 23, Section 771.111(h)(1) stating, "Each State must have procedures approved by the FHWA to carry out a public involvement/public hearing program."; 2) 23 CFR 450.210(a)(1)(ix) stating, "Provide for the periodic review of the effectiveness of the public involvement process to ensure that the process provides full and open access to all interested parties and revise the process, as appropriate."; and 3) The INDOT Project Development Public Involvement Procedures approved by the Federal Highway Administration on July 7, 2021.

INDIANAPOLIS EXECUTIVE AIRPORT CONSTRUCTION PROJECT  
- 2022  
EXTEND RUNWAY 18-36**

The Hamilton County Airport Authority, Noblesville, Indiana will be receiving sealed bids for the following project until **11:00 AM EST on Monday, July 11, 2022.**

Bids shall be addressed to Cindy Duncan at the Hamilton County Auditor's Office and shall be to the attention of **Hamilton County Airport Authority; 33 North 9th Street, Suite L21, Noblesville, Indiana 46060, and will be clearly marked "Sealed Bids: DO NOT OPEN"**.

Bids will be publicly opened and read aloud at 11:15 AM EST on Monday, July 11, 2022, at the Hamilton County Government & Judicial Center, Conference Room 1A, 1 Hamilton County Square, Noblesville, IN 46060

A voluntary Pre-Bid Conference will be held at the Indianapolis Executive Airport, 11329 E. State Road 32, Zionsville, Indiana 46077, at **1:00 PM EST, on Tuesday, June 28, 2022.**

Work for this project is packaged into: **ONE (1) CONSTRUCTION DOCUMENT PACKAGE (PLANS AND SPECIFICATIONS)**. This includes two plan sets (Extend Runway 18-36 and Repair Taxiway A) and two specification volumes (Specifications and Bid Proposal Packet).

The scope of work of the Base Bid and Alternate Bid includes all work required to extend Runway 18-36 and Taxiway A. This includes but is not limited to asphalt and concrete paving with subbase and subgrade work, underdrain installation, marking (temporary and permanent), electrical work (e.g., airfield edge lighting, airfield signage, new PAPI and wind cone, and glideslope relocation with partial replacement), and miscellaneous items such as maintenance of traffic, seeding, erosion control, etc.). The Base Bid pricing is based on all construction being completed in 2022. The Alternate Bid pricing is based on all construction starting in 2023.

Additionally, there are two Additive Bid items that include the electrical vault relocation and Taxiway A-1 repair. The electrical vault relocation includes the construction of a new electrical vault with foundations, relocation of the existing regulators, existing vault modifications, installation of new electrical power and distribution, and removal of existing airfield cables. The Taxiway A-1 repair includes asphalt, subbase, subgrade removal and replacement. The Additive Bid work may occur in 2022 or 2023 with or without the other projects.

Contractors may bid the Base and/or Alternate Paving, Marking, and Electrical work. Contractors bidding on the Base or Alternate work are NOT required to bid the Additive work. However, Contractors not bidding all of these components may be considered non-responsive and excluded from award. Only one Contractor will be awarded the work based on the lowest, responsive and responsible bid received that aligns with available funding. The Owner reserves the right to select the base or alternate and combinations of the additive bids based on cost and available funding.

Details associated with the aforementioned project are more specifically set out in the plans and specifications.

Federal laws and regulations require that the successful bidder be contractually subject to applicable federal contract provisions and that the bidder incorporate such provisions in each subcontract, material supplier, or service provider contract or agreement used for the proposed project. The full text of each contract provision, its source law or regulation, and its applicability to the proposed construction contract are contained in the Contract Documents. Certain contract provisions are included in this Notice to Bidders by reference while the full text is included in the proposed construction contract:

- (1) Buy American Preference requires all steel and manufactured goods be produced in the United States;
- (2) Foreign Trade Restriction prohibits the use of product or services from a foreign country that discriminates against the United States as published by the Office of the United States Trade Representative;
- (3) Davis-Bacon Act ensures that laborers and mechanics employed receive pay no less than the prevailing wages and fringe benefits determined by the Department of Labor;
- (4) Affirmative Action Requirement sets goals for minority participation in federally funded projects;
- (5) Government-wide Debarment and Suspension requires that bidders must certify that they are not suspended, debarred, or excluded by any Federal department or agency;
- (6) Government-wide Requirements for a Drug-free Workplace prohibits the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the Owner's workplace.

As a federally funded project over \$250,000, the project is subject to the DBE requirements set forth in 49 CFR Part 26, Disadvantaged Business Enterprise Program. This federal requirement states that either as a part of the bid, or prior to execution of the contract, the apparent low bidder must provide documentation that the DBE Plan goal for the Sponsor will be met or that adequate good faith efforts were made in the event the goal is not attainable. Prior to execution of the contract, the attached DBE Goal Achievement Letter of Intent shall be completed and submitted to the Sponsor or a DBE Achievement Waiver needs to be submitted to the Sponsor for approval. If the apparent low bidder fails to provide the appropriate DBE Goal Achievement documentation, the bid will be considered non-responsive and the next lowest bidder will be afforded the chance to obtain the contract. The DBE Plan goal for work on the project is 18.5%.

The Contract Documents including the Construction Plans, Specifications and Bid Proposal are to be on file at the **Indianapolis Executive Airport, 11329 E. State Road 32, Zionsville, IN 46077**, and at the office of Woolpert, Inc., 333 North Alabama Street, Suite 200, Indianapolis, Indiana, 46204 **beginning Monday, June 20, 2022. Copies of the Contract Documents may be obtained for the non-refundable cost of document reproduction and shipping, from Reprographix Inc, 437 N. Illinois St., Indianapolis, Indiana 46204, between 8:00 AM and 5:00 PM by telephone at 317-637-3377 or online at <http://www.reprographix.com>.**

A certified check or bank draft payable to the Hamilton County Airport Authority, Noblesville, Indiana, or a satisfactory bid bond, executed by the Bidder and an approved surety company in an amount not less than five (5) percent of the bid, shall be submitted with each bid.

- (1) The Bidder (Proposer) must supply all the information required by the bid on proposal forms.
- (2) The bids shall be based upon rates of wages at least as high as the minimum rates established by the wage rate determination and included in these contract documents.

The **Hamilton County Airport Authority**, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 USC 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin or sex and consideration for an award. MBE's interested in participating in the construction program and bidding upon the project, upon request, will be supplied with information or plans and specifications desired.

The Owner is cognizant of the time limitation for awarding contracts and giving Notice to Proceed pursuant to IC 36-1-12-6. However, due to the time requirements anticipated for obtaining approval of appropriate public agencies, and other required procedures, it is anticipated that the contract cannot be finally executed and Notice to Proceed be given until 90 days following the opening of the bids. Accordingly, bidders should be prepared to grant an appropriate extension of time pursuant to IC 36-1-12-6 at the time of making the tentative award to the lowest responsible bidder as determined by the Owner.

No Bidder may withdraw its bid after the bid has been opened. The Hamilton County Airport Authority, Noblesville, Indiana, reserves the right to waive any informality in bidding and to reject any and all bids.

ORDINANCE NO. 30-05-22

AN ORDINANCE ANNEXING CERTAIN TERRITORY TO THE CITY OF NOBLESVILLE, HAMILTON COUNTY, INDIANA

Silo Ridge Super-Voluntary Annexation

WHEREAS, the City of Noblesville, Hamilton County, Indiana received a petition requesting that certain territory generally located south of State Road No. 38 and west of Boden Road and the Booth-Zeis Legal Drain, as herein after described (Annexation Territory"), be annexed by Noblesville; and WHEREAS, the petition has been signed by the property owners (i.e. 100%) of the property within the Annexation Territory; and WHEREAS, in accordance with Indiana Code §36-4-3-5.1 (e), on or around May 24, 2022, the City Council held a duly noticed public hearing regarding the Annexation Territory; WHEREAS, in accordance with Indiana Code §36-4-3-1.5, the Common Council has determined that the Annexation Territory is contiguous at least by one-eighth (1/8) of the aggregate external boundaries of the Annexation Territory and coincides with the boundaries of the City. WHEREAS, the written fiscal plan and definite policy adopted by resolution provides for the provision of services of a non-capital nature (including police protection, fire protection, street and road maintenance and other non-capital services normally provided within the corporate boundaries of the City) to the Annexation Territory within one (1) year after the effective date of this annexation in a manner equivalent in standard and scope to those non-capital services provided to areas within the current corporate boundaries, regardless of similar topography, patterns of land use, and population density; and WHEREAS, the written fiscal plan and definite policy adopted by resolution provides for the provision of services of a capital nature (including but not limited to street construction, sewer facilities, and storm water drainage facilities) to the Annexation Territory within three (3) years after the effective date of this annexation in a manner equivalent in standard and scope to those capital services provided to areas within the current corporate boundaries, regardless of similar topography, patterns of land use, and population density; and in a manner consistent with federal, state and local laws, procedures, and planning criteria; and WHEREAS, the Common Council now desires to annex the Annexation Territory generally known as "Silo Ridge". NOW, THEREFORE BE IT ORDAINED by the Common Council of the City of Noblesville, Hamilton County, Indiana as follows:

- Section 1. Contiguity. The petition requesting voluntary annexation for the Annexation Territory, further described in Exhibit A, attached hereto and incorporated herein and graphically depicted in Exhibit B, attached hereto and incorporated herein. Section 2. Annexation Territory. The real estate containing approximately 7.63 acres, more or less legally described in Exhibit A, and graphically depicted in Exhibit B, both attached thereto and incorporated herein, and generally known as Silo Ridge, is hereby annexed to and declared to be a part of the City of Noblesville, Hamilton County, Indiana. Section 3. Council District. The above described real estate is hereby assigned to City Council District 6 and shall become a part thereof immediately upon the effective date of this ordinance. Section 4. All prior Ordinances or parts thereof that may be inconsistent with any provision of this Ordinance are hereby superseded. The paragraphs, sentences, words, and Annexation Territory of this Ordinance are separate, and if a court of competent jurisdiction thereof declares any portion of this Ordinance or the Annexation Territory unconstitutional, invalid, or unenforceable for any reason, such declaration shall not affect the remaining portions of the Annexation Territory or this Ordinance. Section 5. The effective date of this annexation shall be as soon as allowed by law following its adoption, execution, and publication as required by law.

Stony Bluffs Super-Voluntary Annexation

WHEREAS, the City of Noblesville, Hamilton County, Indiana received a petition requesting that certain territory generally located along the north side of East 166th Street and approximately 700-feet east of Union Chapel Road with a common address of 11002 East 166th Street, as herein after described (Annexation Territory"), be annexed by Noblesville; and WHEREAS, the petition has been signed by the sole owner (i.e. 100%) of the property within the Annexation Territory; and WHEREAS, in accordance with Indiana Code §36-4-3-5.1 (e), on or around May 24, 2022, the City Council held a duly noticed public hearing regarding the Annexation Territory; WHEREAS, in accordance with Indiana Code §36-4-3-1.5, the Common Council has determined that the Annexation Territory is contiguous at least by one-eighth (1/8) of the aggregate external boundaries of the Annexation Territory and coincides with the boundaries of the City. WHEREAS, the written fiscal plan and definite policy adopted by resolution provides for the provision of services of a non-capital nature (including police protection, fire protection, street and road maintenance and other non-capital services normally provided within the corporate boundaries of the City) to the Annexation Territory within one (1) year after the effective date of this annexation in a manner equivalent in standard and scope to those non-capital services provided to areas within the current corporate boundaries, regardless of similar topography, patterns of land use, and population density; and WHEREAS, the written fiscal plan and definite policy adopted by resolution provides for the provision of services of a capital nature (including but not limited to street construction, sewer facilities, and storm water drainage facilities) to the Annexation Territory within three (3) years after the effective date of this annexation in a manner equivalent in standard and scope to those capital services provided to areas within the current corporate boundaries, regardless of similar topography, patterns of land use, and population density; and in a manner consistent with federal, state and local laws, procedures, and planning criteria; and WHEREAS, the Common Council now desires to annex the Annexation Territory generally known as "Stony Bluffs". NOW, THEREFORE BE IT ORDAINED by the Common Council of the City of Noblesville, Hamilton County, Indiana as follows:

- Section 1. Contiguity. The petition requesting voluntary annexation for the Annexation Territory, further described in Exhibit A, attached hereto and incorporated herein and graphically depicted in Exhibit B, attached hereto and incorporated herein. Section 2. Annexation Territory. The real estate containing approximately 7.63 acres, more or less legally described in Exhibit A, and graphically depicted in Exhibit B, both attached thereto and incorporated herein, and generally known as the Stony Bluffs, is hereby annexed to and declared to be a part of the City of Noblesville, Hamilton County, Indiana. Section 3. Council District. The above described real estate is hereby assigned to City Council District 6 and shall become a part thereof immediately upon the effective date of this ordinance. Section 4. All prior Ordinances or parts thereof that may be inconsistent with any provision of this Ordinance are hereby superseded. The paragraphs, sentences, words, and Annexation Territory of this Ordinance are separate, and if a court of competent jurisdiction thereof declares any portion of this Ordinance or the Annexation Territory unconstitutional, invalid, or unenforceable for any reason, such declaration shall not affect the remaining portions of the Annexation Territory or this Ordinance. Section 5. The effective date of this annexation shall be as soon as allowed by law following its adoption, execution, and publication as required by law.

EXHIBIT A Legal Description

Part of the Southwest Quarter of Section 4, Township 18 North, Range 5 East, located in Noblesville Township, Hamilton County, Indiana, being bounded as follows: Commencing at the Southwest corner of the Southwest Quarter of said Section; thence North 89 degrees 38 minutes 09 seconds East 694.89 feet along the South line of said Quarter Section to the POINT OF BEGINNING of this description; thence North 00 degrees 00 minutes 10 seconds East 1,072.89 feet parallel with the West line of said Quarter Section; thence North 89 degrees 54 minutes 14 seconds West 44.88 feet to the centerline of Stony Creek; thence along the centerline of said Stony Creek by the next five (5) courses: 1) North 52 degrees 14 minutes 24 seconds East 133.93 feet; 2) North 75 degrees 25 minutes 32 seconds East 86.83 feet; 3) South 89 degrees 40 minutes 26 seconds East 92.00 feet; 4) North 63 degrees 33 minutes 02 seconds East 44.28 feet; 5) North 44 degrees 42 minutes 08 seconds East 289.97 feet; thence North 89 degrees 19 minutes 27 seconds East 260.00 feet; thence South 00 degrees 00 minutes 10 seconds West 1,400.49 feet to said South line; thence South 89 degrees 38 minutes 09 seconds West 740.64 feet along said South line to the place of beginning; containing 21.8 acres.

Upon a motion duly made a seconded, the Ordinance was fully passed by the Members of the Common Council this 14th day of June, 2022 Common Council of the City of Noblesville, Indiana: AYE NAY ABSTAIN Brian Ayer Mark Boice Michael J. ## City of Westfield Extends Grand Park Request for Proposal Bid Deadline

As part of the Request For Proposal process for potential respondents interested in purchasing the Grand Park Sports Campus, or entering a public-private agreement to operate Grand Park through the RFP, appraisals are a necessary step for

the sale of municipal land. Recently, the Grand Park appraisers both requested three additional weeks to complete their work. The City of Westfield provided them the additional time, as required under Indiana law, to move the process forward.

As a result, the adjusted deadline for submission of bids is July 25th, 2022.

## Indiana Chamber of Commerce Hosts Conference on Energy Management

As speculation rises regarding the readiness of the state and nation for increasing temperatures and escalating energy costs and demands, professionals from many industries will have an opportunity to get ahead of potential challenges with an upcoming seminar.

The 2022 Indiana Conference on Energy Management, which will be hosted by the Indiana Chamber of Commerce July 26 at the Hyatt Regency Indianapolis, will cover the status of energy in Indiana, what the future may hold and what businesses, municipalities and organizations can do to prepare.

Topics on the day-long agenda include pipeline

cybersecurity compliance, electric vehicles, demand response services for plant managers, making buildings and facilities "energy smart," industrial batteries, industrial Internet of Things, ISO 50001, corporate climate strategies and more.

"There's no better time for manufacturers and employers of all stripes to learn the latest on energy management challenges - and opportunities," explains Indiana Chamber President and CEO Kevin

Brinegar. "The event also affords valuable networking with other professionals in the field and offers various continuing education credits."

Admission is \$449 for Indiana Chamber members, \$549 for non-members and \$299 for government/non-profit employees. If an organization sends two or more employees, it's eligible for a 20% discount.

Registration and event information is available at [www.indianachamber.com/conferences](http://www.indianachamber.com/conferences) or you can register by phone at (800) 824-6885.

ditorium, a 300-seat venue in Noblesville, and continues a total of eight performances, at 8 p.m. Fridays and Saturdays and 2 p.m. Saturdays and Sundays, through July 3. Tickets are still available.

"This show has been hilarious to me since I first read it in 2018. I laugh at rehearsal every single day," Lafferty said. "There are certain lines in this play that cause me to laugh so hard I almost fall out of my seat. I took the actors a long time to endure my laughter without breaking character and laughing themselves."

Having directed many comedies as a high school teacher, she knows good comedy.

"The key to a successful comedy onstage is to have actors with excellent comic timing, good stage movement and great facial expressions," Lafferty said. During auditions for this show, she paid close attention to those three elements.

"I created an audition

experience that would allow me to see who would be most expressive with their bodies and faces and which actors had excellent comic timing."

Turnout for auditions was good for this show, which has a cast of eight. "I believe I selected the best of the group. Now, there were other actors who had comic timing or excellent facial expressions, or good stage movement, but these eight actors had all of those abilities."

She said another important element that leads to successful comedy onstage is "to have actors who are willing to be silly and do whatever it takes to bring the comic movement to life."

Lafferty said, "All of these actors in 'Drinking Habits' are willing to not only be silly but to look silly. That takes humility and a true understanding of what makes something funny."

Of the eight, she's directly only two members

of this cast before, Barb Weaver of Noblesville and Cathie Morgan of Carmel. Weaver and Morgan appeared together in "Done to Death," a Belfry play that Lafferty directed in 2017, along with an independent project they did together in 2020, when they performed "The Women of Lockerby" at an outdoor venue during the pandemic.

The other six actors are all new to Lafferty, although she had seen three of them -- Chris Taylor, Jen Poynter and Sara Eberhardt -- on stage prior to auditions.

"So, it's true what they say: You never know who is in the audience when you are performing," Lafferty said.

Directors often attend plays just to "scout out" the talent, said Lafferty, who had not seen the remaining actors, Jeff Haber, Sarah Powell and Bryan Gallet, until the first night of auditions.

Husband and wife, Mason Odle and Andrea Odle of Noblesville, have created a beautiful set, designed

by Ian Marshall-Fisher of Indianapolis. The Odles constructed the set on The Belfry stage, then dismantled it, transported the set to Ivy Tech and reassembled it, with the help of cast and several other great friends of theater, she said.

Some of the costumes for the show, Lafferty said, designed by Cathie Morgan, were borrowed from Grace Church in Noblesville. Some of the costumes were borrowed from The Players club of nonprofessional actors known for doing skits and short plays. Some costumes were made by Morgan.

Eric Dixon of Indianapolis and Sloan Haywood of Fishers are handling sound with wireless mic management by Geoff Lynch of Noblesville. Eric Matters of New Palestine designed the lighting, being operated by Andrew Young of Fishers. Props are provided by Susie Walden of Noblesville.

Lafferty loves directing. "I see my job as director to do just a few simple things," she said. "Help

the actors to feel welcome to the project, valued, respected and prepared. If I can do that, then they can do their job. My job is to help them look the best they can onstage, and so, of course, I have to correct them. And it's how you correct them that often makes the difference. If I scream at them, they aren't likely to respond well. If I let them do whatever they want, things might get out of control. If I respectfully address what needs to be adjusted, they seem to respond well."

Lastly, Lafferty said she would be remiss if she did not speak "about the joy of working with Andrea Odle. Andrea has been a remarkably helpful assistant director/stage manager. "She sees a need and fills it. She makes my job infinitely easier, because she thinks like a director and knows the process."

She loves theater and all of its facets. "I love what working on a project teaches us about people and about being part of a group. I love what happens to us as we pull together to create a piece of art that will help people when they

watch it. I love watching the audience watch what we did. I love hearing the laughter of an audience. I love the feeling of accomplishment when the last light fades at the end of the show."

Lafferty is ready for opening night and every night after that, as the cast and crew are prepared to share this hilarious story of "Drinking Habits" with Belfry audiences.

"This production of 'Drinking Habits' is quickly rising to the category of favorites for me, a catalog of hundreds of shows directed for 50 years. I like this production because, now, more than ever, we need to laugh. It's that simple. And now, more than ever, we directors need reliable, dedicated actors to revive theater. And I have that special group of actors this time. They are humble, they are committed, and they are exceptionally good people and good actors."

- Contact Betsy Reason at [betsy@thetimes24-7.com](mailto:betsy@thetimes24-7.com). Betsy Reason is co-producing this play with Diane Wilson of Carmel.

## PAULA

From Page A1

was born into slavery in North Carolina. He came to Indiana with his parents shortly after the Civil War and the family settled in Westfield.

After his marriage in 1881, Robbins moved to the farm northwest of Bakers Corner on what is now Dartown Road.

That explains the Adams Township Dartown Road, but Westfield's Dartown Road is still a bit of a mystery. I looked at a couple of old maps and saw nothing that indicated the two roads were ever physically connected.

My cousin, Nancy Lacy, wondered if the hymns that were played for the 1869 Commemoration Day (Decoration/Memorial Day) service in Crownland Cemetery went by other names today.

That appears to be the case, although the Hamilton County Register's account of the ceremony doesn't actually assign a name to either hymn; it simply provides the name of the tune and lyrics for each.

The Crownland service opened with a variation of "Pleyel's Hymn," a Masonic funeral dirge composed by Ignaz Joseph Pleyel in 1791. The lyrics, which were in common use for such occasions at that time,

begin, "Love unchanging for the dead, Lying here in gloried sleep . . ."

Most modern versions of the song seem to be known simply as "Pleyel's Hymn," but I did find one called "Children of the Heavenly King." There may be others.

The closing hymn was sung to the tune of "Old Hundred" -- "Blest are the martyred dead who lie in holy graves for Freedom won . . ."

"Old Hundred" is attributed to 16th century composer Louis Bourgeois. The best known version of that hymn today may be "Praise God from Whom All Blessings Flow," often called the Doxology.

Pam Ferber remembered way more about Girl Scout day camp than I did.

I'd completely forgotten about the two dishcloths laced together with shoe strings that we used for washing dishes. We'd put our mess kits inside the bag to rinse them off, then the bags were hung somewhere to allow the dishes to dry.

Another detail Pam recalled was how each day opened with a flag raising ceremony and closed by the flag being lowered as we sang "Taps."

She confirmed my

memory of two different sites for our day camp.

The earliest location she remembered was the Kaufman farm on 106th Street, west of Allisonville Road. She recalled wading in a creek there and noted that the older scouts had campsites that were more wooded and closer to White River.

Later, our day camp was moved to an old orchard east of Allisonville Road, between 116th and 126th Streets. We camped between the rows of trees.

I got curious about other camp locations so I checked the old newspapers and found that prior to 1960, the Manuka Neighborhood (Noblesville, Fishers and Arcadia) day camp was held in Forest Park. That ended because the park was getting too crowded.

According to my cousin, the Dancing Librarian, the Sheridan Scouts' day camp was held at yet another site -- north of State Road 32, just east of State Road 421. (I actually remember that camp. I taught crafts there one summer while I was in college.)

# Hearing Loss Makes Your BRAIN WORK HARDER

## Beltone Hearing Care Practitioner

If you're struggling to hear, you don't just miss a few sounds here or there. New research shows that adults with hearing loss experience a 40% faster decline in cognitive abilities. This suggests that the entire brain may be struggling to fill in the gaps caused by untreated hearing loss.

Beltone Hearing Care Practitioners point to new research. "Several studies have done imaging to look at the brains of people with varying degrees of hearing loss," Beltone says.

With normal hearing, the section of the brain that's responsible for hearing lights up during imaging. But the scans reveal a different picture for a person with untreated hearing loss. Researchers found that the hearing center of the brain shrinks in age-related hearing loss. Therefore, other areas of the brain necessary for memory and thinking must take over to help compensate. That's why people with hearing loss are more fatigued at the end of the day. Your brain is having to work harder if you have untreated hearing loss.

*"We want to keep you as healthy as we possibly can. And with hearing aids, you're not only taking care of your hearing and your relationships, but we have the potential, because of the auditory stimulation, to provide benefit for your brain health."*

The symptoms may be obvious when you're struggling to hear your grandchild or trying hard to follow a conversation in a crowded place, but many people do not realize that even when you're home alone or in a quiet environment, your brain is still having to work harder than it should to compensate for your hearing loss.

Thankfully, research is showing that when hearing loss is detected early and treated with hearing aids, the brain can reorganize itself back to its usual operation. This research may help explain the link between hearing loss, cognitive decline and memory loss.

Beltone Hearing Care Practitioners say "We want to keep you as healthy as we possibly can. With hearing aids, you're not only taking care of your hearing and your relationships, but we have the potential, because of the auditory stimulation, to provide benefit for your brain health. Hearing loss is not just about your ears. A lot of people tell us that they 'get by just fine', but we remind them that they need to think beyond communication and instead think in terms of overall health."

### Complimentary Services:

- ✓ Complete Ear Check - It may just be wax!
- ✓ Complete Hearing Screening

# BUILD A RELATIONSHIP with a Hearing Care Specialist you can trust

If you've had a hearing exam before, you can expect a very different experience when you walk into Beltone. The Specialists readily admit that their goal is to help treat hearing loss, not to sell you a hearing aid.

"Often people walk in and their guard is up," say Beltone. "We get it. They say, 'I don't want to be sold to'. I say, 'Great! You're in a great spot!' We're health professionals, working in your best interest."

While many folks shop for the lowest price for hearing aids, it is highly recommended to shop for the best healthcare professional that you feel comfortable with to ensure your satisfaction and success.

"Think of your hearing in terms of the whole package. If you needed knee surgery, would you shop for the cheapest implant or the most qualified and experienced surgeon to provide the best product, outcome and follow-up care?"

You will be satisfied not when you pay the lowest price but when you get the best overall value for your investment, which is why at Beltone we are professional hearing care specialists that offer the most advanced hearing technology and service.

We pull from over 80 years of hearing healthcare experience and expertise to truly customize options to each individual budget and lifestyle.

Instead of focusing solely on price, We suggest you meet with a hearing care specialist who can not only determine if you have hearing loss and suggest a course of treatment, but work with you every step of the way to improve your quality of life.

"We come at hearing in terms of overall health. We want to build a relationship with you throughout your life. We understand the emotional and financial investment involved, which is why our goal is to keep you hearing your best for as long as we possibly can," Beltone says.

Beltone will provide an honest and clear path for your hearing loss. At Beltone we stand behind everything we do. If you're unhappy with the devices, we don't want you to leave them in the drawer. We set people up for success so they have a positive experience. We know it's an investment, and that's why we're going to take care of you.

## TIME TO TAKE YOUR HEARING HEALTH SERIOUSLY

Hearing may be the most underappreciated of the five senses. If you can't see well, of course, you'll visit a licensed eye doctor to get glasses or contacts to correct your vision. But, in this day and age, people are still hesitant to see a hearing care specialist, professionals that are highly trained to treat hearing loss.

"The reasons are endless," says Beltone. "Many of us don't think we're old enough to need hearing aids, or we worry they'll make us look older. Some of us don't think our hearing loss is bad enough to need help, or we're worried about the cost."

The fact is that even a mild hearing loss may be affecting your brain function, your sense of

balance and your relationships with family and friends.

"Hearing loss is hard on relationships."

You may think the simple solution is to just turn the TV louder or ask your kids or grandkids to speak up, but even a mild hearing loss can affect you in countless ways. If your hearing is at all impaired, your brain has to work harder, trying to make out words and sounds. A hearing loss can make it harder to interact in social situations, to spend time with family, or to be productive at work. Research has linked untreated hearing loss with cognitive decline, dementia and an increased risk of falls.

**THE SOLUTION:** Resolve to schedule a free hearing exam. It's quick, easy, and will provide you with the information you need to move forward in life.
