What makes Steve Costlow smile? "I have five granddaughters and two grandsons. They all make me smile," said the Noblesville resident, who celebrates his 75th birthday today. What's special about turning 75? "It makes you look at your past and all the good things you did. It also lets you look to the future and dream about all the good things you can still do." He and his wife, Dale, have been married 54 years. Steve is a 1966 Sheridan High School graduate whose father, James Benjamin Costlow, fought in World War II in the U.S. Navy as a rear gunner for a Curtiss Helldiver, a dive-bomber aircraft. He likes to attend the Veterans Day Ceremony each year in downtown Noblesville, in remembrance of his dad. He volunteered for about 18 years for Noblesville Babe Ruth and got one of the fields, Logan Field at Forest Park, named after granddaughter, Logan A. Costlow, who died in 2002, at age 5. He has two children, Mark Costlow and Jody Costlow. He said, "I am just blessed to be here and have all the friends I have." Happy 75th birthday Steve! This year's Veterans Day ceremony is at 11 a.m. Friday at the Hamilton County War Memorial on the Courthouse Square in downtown Noblesville.

Election Day in Hamilton County

Yesterday was Election Day and the voters have spoken. Among the notable winners were Republican Sen. Todd Young, who resoundingly beat Democrat and former Mayor of Hammond Thomas McDermott, Jr., and Republican Rep. Victoria Spartz, who won re-election to her 2nd term over Democrat Jeannine Lee Lake.

As the debate over education has increased in fervor around the country, local school board elections have been put in the spotlight. In Noblesville,

incumbent Noblesville School Board President Joe Forgey won re-election, while newcomer Misti Ray came in second place in the at-large race.

Hamilton County Elections Administrator Beth Sheller commented on how Election Day went this year, saying, "It went smoothly, we had some people waiting in line late, but other than that everything was just normal."

Turnout was 48.12%, a 10-point decrease from the 2018 midterms and a 27-point de-

crease from the 2020 election. In total, 130,355 Hamilton County residents cast ballots this year, 77,171 of them on Election Day and 53,184 via walk-in and paper absentee ballots.

Sheller also commented on the turnout numbers, saying, "I expected it to be close to what the 2018 turnout was...even though it seemed busy." There were otherwise no major issues at polling locations.

Westfield Playhouse Celebrates New Diversity, Inclusion Play Offering

Main Street Productions in Westfield is expanding its horizons to include a new "Artist's Choice Production" that celebrates inclusion, diversity and new voices.

"Mothers and Sons," the first play offering in this "category," opens Thursday at Basile Westfield Playhouse.

Adding this "Artist's Choice" production may not be a mon-eymaker for the Playhouse, however, the theater's board of directors believes that the plays "are important in message or the arts to be brought to stage," said Playhouse board director Bill Miller.

First-time Playhouse director Jim LaMonte is thrilled to be directing this play by Terrence McNally.

More than 30 years ago, LaMonte saw McNally's touch-

ing teleplay called "Andre's Mother," about a Manhattan memorial service in Central Park for Andre Gerard, who died of AIDS. In the film, Andre's mother cannot come to terms with his death or share her grief with Cal, Andre's lover. The made-for-TV drama starred Sada Thompson, from "Family" and Richard Thomas from "The Waltons."

Bert Wagner Beecher

June 15, 1932-November 3, 2022

Bert Wagner Beecher, 90, of Noblesville, passed away on Thursday, Nov. 3, 2022.

He was born on June 15, 1932 in Mackinaw, Illinois to Leon and Vivian Beecher and grew up in Polo, Ill., where he made lifelong friends and learned to love the working man's life.

There were many stories of his beloved Grandma and Grandpa Powell's life on the farm which shaped him into becoming, hardworking, curious, and confident.

Mr. Beecher joined the Air Force during the Korean War, and after serving, graduated from Northern Illinois University, where he studied English. Most of his career was in the advertising and marketing arena, finally retiring from FMC Corp in the early 80's. He enjoyed trying new foods, loved words and word games, along with sports of any kind. With a great sense of humor, Mr. Beecher toasted Judge Judy every day at 4 p.m. with his "two fingers" of Makers Mark.

He married F. Joyce Kiser in 1957; the couple divorced in 1974 after giving birth to three children. He married Barbara Beecher in 1975. Mr. Beecher and his second wife lived for many years in Sun City, Arizona in which he smartly nicknamed "God's waiting room." The last four years he lived in Noblesville with his daughter and son—in-law in hopes of renewing relationships with all of his kids.

Survivors include his three children Teri (John) Ditslear of Noblesville, Mark (Deana) Beecher of Brownsburg, and Keri (Rick) Loy of Avon; older brother Fred (Jo) Beecher; 9 grandchildren; and six great grandchildren.

He was preceded in death by his parents Leon and Vivian Beecher; and his second wife Barbara Beecher in 2018. There is scheduled to be a visitation and memorial on Sunday, Nov. 13, 2022 at Matteo's restaurant in Noblesville from 1:30-3:30 p.m. His remains will be interred in Polo, Ill. at a later date.

Memorial Contributions may be made to Roots of Life Community Church, 222 Lakeview Dr., Noblesville; or the Humane Society for Hamilton County, 10501 Hague Rd., Fishers in honor of her beloved dog, Rottie.

Jewel Seats

June 10, 1930-November 3, 2022

Jewel Seats, age 92, of Lebanon, passed away on Thursday morning, Nov. 3, 2022, at Homewood Health Campus in Lebanon, Indiana.

She was born on June 10, 1930, in Grundy, Kentucky, daughter of the late John Robert and Canzada (Watkins) Turner.

Many people have a natural gift; for Mrs. Seats, it was helping others. During her working years she did a little bit of everything; working at Spicewood Egg Farm and GC Murphy, and helping out at Stuckey Farms during the summer and fall, but the years she spent as a CNA with Sheridan Healthcare Center were some of her favorites. She enjoyed getting to know the residents and their families, as well as being an advocate for the loved ones who were in her care.

She married Richard Campbell Seats on January 9, 1948. She and her husband both worked the family farm in addition to their other responsibilities. Mrs. Seats did NOT take a back seat supporting role in this adventure. If a man could do it, so could she. From driving the equipment, doing yardwork and gardening, to being the chief mechanic and resident Mr. (or Mrs.) Fix-it that kept the whole operation going, she was in her element when she was on the farm. She and her husband also owned and operated their own tax service, helping countless people navigate the intricacies of a part of life that few enjoy or even understand.

There was one thing that could pull Mrs. Seats back inside and force her to take a break, and that was her soaps. She was a loyal fan of General Hospital, Days of Our Lives, and All My Children and could tell you the history and back stories of every character, as if they were a part of her own family. She took it pretty hard the day Guiding Light was canceled.

She also liked to read, as well as seek out new additions to her legendary doll and chicken collection. When it came time to play cards, the family "Card Shark" was always up for a game, especially Canasta.

Family was always on Mrs. Seats' mind and there was nothing she wouldn't do for any of them. She loved to sew and crochet, and that usually led to either a blanket or a quilt being made for one of the grandkids.... and with a family this size, that was no small task.

She was a woman of strong faith and even stronger conviction. Her Church family held a special place in her heart. Mrs. Seats was a member of Pine Hill Baptist Church in Kentucky, the Sheridan Church of God, and Walnut Street Baptist Church in Lebanon.

Survivors include her 3 sons Randy A. Seats (Margaret) of Mooresville, John M. Seats of Kirklintown and James Seats of Greenfield; 5 daughters Linda J. Trips (John) of Lebanon, Colleen V. Hendricks (Jeffrey) of Jamestown, Kanzady G. Colbert (Rex) of Lebanon, Jane R. Morris (Jeffrey) of Sheridan and Julie F. Horton of Lebanon; 29 grandchildren; 40 great grandchildren; 2 great-great grandchildren; 2 sisters Thelma Smith of Lebanon and Evelyn Landers of Strawtown; 3 sisters-in-law Virginia Turner, Ella B. Hedge and Phyllis Turner; and her canine BFF Holly.

She was preceded in death by her parents John Robert and Canzada (Watkins) Turner; son Richard Russell Seats; great-grandchild Carilyn Seats; 2 daughters-in-law Shirlynn Seats and Candace Seats; 2 brothers-in-law Grady Smith and Bill Landers; 8 brothers, Arthur, Horace, Earl, Arvel, John, Gene, Lincoln and Edward Turner; 2 sisters (infant) Virginia Turner and Ruby Hunt; and her loving husband of 61 years Richard Campbell Seats on Dec. 16, 2009.

Services are scheduled to be held at 12 p.m., noon on Friday, Nov. 11, 2022, at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation scheduled to run from 11 a.m. until the time of service. Burial will follow at Wright-Bethel Cemetery in Waugh, Indiana.

Memorial contributions may be presented to either the Boone County Cancer Society or to Paradigm Hospice

County Buildings Illuminated Green in Support of Veterans

Hamilton County has lit the Old Courthouse in Noblesville green as part of Operation Green Light, a new initiative between Hamilton County, the Indiana Association of Counties, the National Association of Counties and the National Association of County Veteran Service Officers.

Operation Green Light's mission is to show support for veterans of all military conflicts, as well as raise awareness about the unique challenges faced by many veterans (and their families) and the resources that are available at the county, state, and federal level to assist them.

"By shining the green light, we're expressing our profound gratitude for the sacrifices and contributions our veterans and their families made on the battlefield, at home," said Steve Dillinger, president of the Hamilton County Commissioners.

"At a time when our country is faced with

so many issues, we can all agree that those individuals who risked, and sacrificed their lives fighting to protect our country and our way of life deserve our support. I encourage everyone to join us in displaying a green light."

Residents are encouraged to participate by simply changing one light bulb in their house to a green bulb. This can be an exterior light that neighbors and passersby see, or an interior light

that sparks a conversation with friends. By shining a green light, we are letting our veterans know that they are seen, appreciated, and supported.

While this event is focused around the week of Veterans Day (Nov. 7-13), participants are encouraged to continue shining the light year-round. Participants are encouraged to share their participation on social media using the hashtag #OperationGreenLight.

NOTICE OF REQUEST FOR PROPOSALS FOR CONSTRUCTION
SERVICES
Notice is hereby given that Hamilton Southeastern Schools (“Owner” or
“HSE”), is requesting proposals from responsible offerors to provide Construction
Manager as Constructor services for the Fishers Road Elementary Renovation
Project. The Hamilton Southeastern School Corporation is anticipating the
renovation and expansion of Fishers Elementary School located in the heart of
downtown Fishers, Indiana. It is HSE’s recommendation that the renovation and
expansion of Fishers Elementary School should include improvements that enhance
the school facilities and help boost academic performance. The occupied phased
construction and renovation project will need to include the creation of additional
classrooms that will be needed to accommodate the larger student capacity. Updated
finishes will need to be incorporated throughout the building including painting,
lighting, flooring, cabinetry, removal of wall covering, and exterior upgrades.
Improvements to technology and mechanical, electrical, and plumbing systems
will also be a major part of the renovation. Additionally, the current parking lot
and layout is not sufficient or conducive to accommodate traffic needs. It would be
desirable to have a dedicated bus parking lot separate from the car rider and staff
parking areas with its own dedicated entrance.
The proposals will be received until December 1, 2022, at 3:00 p.m.
(EST). Proposals must be delivered to Dr. Yvonne Stokes, Superintendent,
Hamilton Southeastern Schools, 13485 Cumberland Road, Fishers, IN 46038 and
hsefacilities@hse.k12.in.us. All proposals received after such time will not be
considered and returned to the respective submitter unopened.
Discussions may be conducted with, and best and final offers obtained from,
responsible offerors who submit proposals determined to be reasonably qualified
of being selected for award. Following evaluation of best and final offers, HSE
may select for final contract negotiations/execution the offers which are most
advantageous to HSE, considering price and the evaluation factors in the Request for
Proposals (“RFP Documents”).
A contract will be offered to one offeror whose proposal is determined to
be advantageous to HSE, taking into consideration price and other evaluation
factors set forth in the RFP Documents. The factors and criteria that will be used
in evaluating the proposals and the relative importance of price and the other
evaluation factors are set forth in the RFP Documents. Five original copies of the
proposal must be submitted according to the requirements outlined in the RFP
Documents and properly executed.
The RFP Documents for the CMC services are on file with Owner and may
also be examined at the following location: <https://www.hseschools.org/happenings/public-notices>
All offerors must comply with all applicable federal and state laws, and
as outlined in the RFP Documents. Offerors must also be able to and meet all
requirements found in applicable public works and contract statutes and regulations.
Each response to the RFP must also be submitted by a person or entity satisfying
the definition of a Construction Manager as Constructor as defined in Indiana Code
Section 5-32-2-5, as amended.
CMC Services will be performed under a CMC Contract with the Owner.
The form of the contract is set forth in the RFP. Prior to approval and execution of
the CMC Contract, the responsible offeror who submits proposals determined to be
reasonably qualified of being selected for award must furnish satisfactory evidence
showing evidence of financial responsibility, and it can faithfully perform the
contract and all obligations arising hereunder.
HSE expects to award the contract(s) for the CMC services at its December
14, 2022, Board meeting to the responsible offeror(s) whose proposal is determined
in writing to be the most advantageous to HSE, taking into consideration price and the
other evaluation factors set forth in the RFP Documents. HSE reserves the right
to hold proposals, including any alternates, for up to 60 days from the date of the
opening. HSE reserves in its sole discretion the right to cancel the solicitation, reject
any and all proposals in whole or part, delay the opening, ask for new proposals,
is not obligated to accept the lowest or any other proposal, and may waive any
irregularities, discrepancies, omissions, variances, or informalities in the request for
proposal procedure.
Questions regarding the contract(s) or requests for fair and equal treatment
can be directed in writing to: Dr. Yvonne Stokes, Superintendent, Hamilton
Southeastern Schools, 13485 Cumberland Road, Fishers, IN 46038 and

If book-entry-only form is selected by the successful bidder, the purchasers of beneficial interests in the Bonds (the "Beneficial Owners") will not receive physical delivery of bond certificates and ownership by the Beneficial Owners will be evidenced by book-entry only. As long as Cede & Co. is the registered owner of the Bonds as nominee of DTC, payments of principal and interest will be made directly to such registered owner, which will in turn, remit such payments to the DTC Participants for subsequent disbursement to the Beneficial Owners. Neither the School Corporation nor the financial institution selected by the School Corporation as the registrar and paying agent (the "Registrar" and the "Paying Agent"), shall have any liability for the failure of DTC or any DTC Participant to remit the payment or provide any notice to any Beneficial Owner.

The Bonds shall be numbered consecutively from 2022R-1 upward, shall bear an original issue date which shall be the date the Bonds are issued and shall mature on the dates and in the amounts as follows:

The School Corporation reserves the right to adjust principal amounts within maturities of the Bonds to achieve approximate level annual debt service levies of the School Corporation based upon the rates bid by the successful bidder, the School Corporation's current debt service levy and the School Corporation's anticipated debt service levy during the term of the Bonds.

Except as may be agreed to by the School Corporation and the successful bidder, all payments of interest on the Bonds will be paid by check or draft mailed one business day prior to each interest payment date, to the registered owners of the Bonds at the address as it appears on the registration books kept by the Registrar and Paying Agent as of the first (1st) day of the month of the interest payment date or at such other address as is provided to the Registrar and Paying Agent in writing by such registered owner. Except as may be agreed to by the School Corporation and the successful bidder, principal on the Bonds will be payable at the principal corporate trust office of the Paying Agent. Notwithstanding the foregoing, (a) so long as DTC or its nominee is the registered owner of the Bonds, principal of and interest on the Bonds will be paid directly by the Paying Agent to DTC by wire transfer on the interest payment dates and principal payment dates in accordance with the procedures required by DTC, and (b) so long as all of the outstanding Bonds are held by one accredited investor, principal of and interest on the Bonds may be paid directly by the Paying Agent to DTC by wire transfer on the interest payment dates and principal payment dates without presentment of the Bonds.

The Bonds may be transferred or exchanged at the office of the Registrar, subject to the terms and conditions set forth in the Bonds.

REDEMPTION PROVISIONS. Unless otherwise noted in the twenty-four (24) hour notice of sale received by all interested bidders prior to the sale date of the Bonds, none of the Bonds shall be subject to optional redemption prior to maturity.

Upon the election of the successful bidder with respect to the Bonds, any of the Bonds may be issued as term bonds subject to mandatory sinking fund redemption on January 15 and July 15 of the year set forth above at 100% of the face value in accordance with the schedule set forth above. If any of the Bonds are subject to mandatory sinking fund redemption, the Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory sinking fund redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Paying Agent for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit such term bonds only to the extent received on or before forty-five days preceding the applicable mandatory redemption date.

Notice of any mandatory sinking fund redemption will be mailed by first class mail by the Paying Agent not less than 30 days prior to the date selected for redemption to the registered owners of all of the Bonds to be redeemed at the address shown on the registration books of the Registrar; provided, however, that failure to give such notice by mailing or a defect in the notice or the mailing as to such Bonds will not affect the validity of any proceedings for redemption as to any other Bonds for which notice is adequately given. Notice having been mailed, such Bonds designated for redemption will, on the date specified in such notice, become due and payable at the then applicable redemption price. On presentation and surrender of such Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable or as otherwise agreed to by the School Corporation and set forth in the Bonds, such Bonds will be redeemed by the Paying Agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of such Bonds, interest on such Bonds designated for redemption will cease.

INTEREST RATES. Each bid submitted must be for all of the Bonds and must state the rate or rates of interest therefor, not exceeding the maximum per annum interest rate hereinbefore specified and not less than the minimum per annum interest rate hereinbefore specified. Such interest rate or rates must be in multiples of one-eighth (1/8) or one-one hundredth (1/100) of one percent (1.00%). Bids specifying more than one interest rate must also specify the amount and maturities of the Bonds bearing each rate. All Bonds maturing on the same date shall bear the same rate of interest. Although not a term of sale, it is requested that each bid show the total dollar cost to final maturity and the true net interest cost on the entire issue to which such bid relates.

BIDDING DETAILS. Any person interested in submitting a bid for the Bonds must furnish written notice of such intent along with such person's name, address and telephone number, on or before 11:00 a.m. (Eastern Standard Time), November 29, 2022, to the Municipal Advisor at the address set forth above. The person may also furnish a telex, facsimile number or e-mail address. Notwithstanding the foregoing, any person or entity registered in PARITY® will be automatically deemed to have complied with the foregoing requirements for so long as such person or entity is registered in PARITY®. In addition to sending the notice on PARITY®, the School Corporation will cause each person so registered to be notified of the date and time bids will be received for the Bonds not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telex or facsimile and electronically if a telex or facsimile number or e-mail address has been furnished. No conditional bid or bids for less than one hundred percent (100.0%) of the par value of the Bonds will be considered. The School Corporation reserves the right to reject any and all bids and to waive any informality in any bid. If no acceptable bid is received on the date fixed for sale of the Bonds, the sale may be continued from day to day thereafter without further advertisement for a period not to exceed thirty (30) days, but if so continued, no bid will be accepted which offers a net interest cost which is equal to or higher than the best bid received at the time fixed for the sale.

A bidder for the Bonds may purchase bond insurance to guarantee the repayment of the debt service of the Bonds from a bond insurance company; provided, however, the payment of any premium for any such bond insurance will be paid by the successful bidder from its discount bid, and will not be paid by the School Corporation.

Each of the bids for the Bonds not submitted via PARITY® shall (i) be sealed in an envelope if mailed, or with a cover page if sent electronically or via facsimile, marked "Carmel Clay Schools, Indiana, General Obligation Bonds, Series 2022"; (ii) be on the form approved by the School Corporation, without additions, alterations or erasures, which form may be obtained from the Municipal Advisor at the address set forth herein; and (iii) be delivered to the Municipal Advisor on behalf of the School Corporation at the applicable address or facsimile number set forth above.

While it is not a requirement for the successful bidder, the School Corporation encourages the successful bidder to make a good faith effort to offer the Bonds to be purchased by residents of the School Corporation.

INTERNET BIDS. If using PARITY®, bidders must first visit the PARITY® web site where, if they have never registered with PARITY®, they can register and then request admission to bid on the Bonds. Only NASD registered broker dealers and dealer banks with DTC clearing arrangements will be eligible to bid via PARITY®. Any questions pertaining to the PARITY® web site may be directed to PARITY® at (212) 849-5021.

RULES OF ELECTRONIC BIDDING. The "Rules" of PARITY® can be viewed on its website and are incorporated herein by reference. Bidders must comply with the requirements of PARITY® in addition to requirements of this Official Notice of Intent to Sell Bonds if the bidder is using PARITY®. To the extent there is a conflict between the Rules of PARITY® and this Official Notice of Intent to Sell Bonds, this Official Notice of Intent to Sell Bonds shall control.

CLOSED AUCTION. Bidders may change and submit bids as many times as they wish during the sale period for the Bonds, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g. whether their bid is the leading bid).

AMENDMENTS. The School Corporation reserves the right to amend any information contained in this Official Notice of Intent to Sell Bonds. The School Corporation also reserves the right to postpone, from time to time, the date established for the receipt of bids on the Bonds. Any such amendment or postponement will be announced in the same manner as the notice of the sale from the Municipal Advisor as described in "BIDDING DETAILS." If any date fixed for the sale is postponed, any alternative sale date will be announced at least 24 hours prior to such alternative sale date.

BASIS FOR AWARD. The sale of the Bonds will be awarded to the bidder making a bid that conforms to the specifications herein and which produces the lowest Net Interest Cost to the School Corporation. The Net Interest Cost is determined by computing the total interest on all of the Bonds from the date of delivery to the date of maturity or mandatory sinking fund redemption, if applicable, and deducting therefrom the premium bid, if any, or adding thereto the amount of any discount. In the event of a bidder's error in net interest cost rate calculations, the interest rates and premium, if any, set forth or incorporated by reference in the Official Bid Form will be considered as the intended bid.

In the event that the School Corporation fails to receive a bid on the Bonds from at least three Underwriters (as hereinafter defined), the School Corporation shall so advise the successful bidder for the Bonds (such successful bidder, the "Purchaser"). If the Purchaser is an Underwriter intending to resell all or any portion of the Bonds to the Public (as hereinafter defined), the Purchaser must, prior to acceptance of its bid by the School Corporation, either (i) agree in writing to neither offer nor sell any of the Bonds to any person at a price that is higher than the initial offering price for each maturity of Bonds during the Holding Period (as hereinafter defined) for any maturity of the Bonds or (ii) request in writing that the School Corporation treat the first price at which 10% of a maturity of the Bonds (the 10% test) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. For purposes of this Notice of Intent to Sell Bonds, (a) the term "Public" shall mean any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter, (b) the term "related party" means any two or more persons who have greater than 50 percent common ownership, directly or indirectly, (c) the term "Underwriter" means (i) any person that agrees pursuant to a written contract with the School Corporation (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public), (d) the term "underwriters" means more than one Underwriter, and (e) the term "Holding Period" means the period starting on the date the School Corporation awards the Bonds to the Purchaser (the "Sale Date") and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of each maturity of the Bonds to the Public at prices that are no higher than the initial offering price for such maturity of the Bonds. Any underwriter executing and delivering an Official Bid Form with respect to the Bonds agrees thereby that if its bid is accepted by the School Corporation (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all participating underwriters of the Bonds for purposes of assuring the receipt of each such participating underwriter of the Final Official Statement. The Purchaser shall be responsible for providing (i) in writing the initial reoffering prices and other terms, if any, to the Municipal Advisor as and at the time requested and (ii) a certification verifying information as to the bona fide initial offering prices of the Bonds to the Public and sales of the Bonds appropriate for determination of the issue price of, and the yield on, the Bonds under Internal Revenue Code of 1986, as amended, and as at the time requested by the School Corporation's bond counsel.

GOOD FAITH DEPOSIT. The Purchaser will be required to provide to the School Corporation a good faith deposit (the "Deposit") in the form of cash, a certified check or a cashier's check or a wire transfer in the amount of one percent (1.00%) of the principal amount of the Bonds to be issued. The Deposit must be provided to the School Corporation no later than 3:30 p.m. Eastern Standard Time on the business day immediately following the award of the Bonds. All checks shall be made payable to "Carmel Clay Schools", against default by the Purchaser in complying with the terms of this Notice and of its bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds awarded to the Purchaser.

In the event the Purchaser fails or refuses to comply with the provisions of the bid and this Notice, the Deposit shall become the property of the School Corporation and shall be taken and considered as liquidated damages of the School Corporation on account of such failure or refusal.

The Purchaser will be required to make payment for the Bonds in Federal Reserve or other immediately available funds and accept delivery of the Bonds within five (5) days after being notified that the Bonds are ready for delivery, at a bank designated by the School Corporation. Any premium bid must be paid in cash at the time of delivery as a part of the purchase price of the Bonds. The Bonds will be ready for delivery within sixty (60) days after the date on which the award is made, and if not deliverable within that period, the Purchaser will be entitled to rescind the sale and the Deposit will be returned. Any notice of rescission must be in writing. At the request of the School Corporation, the Purchaser shall furnish to the School Corporation, simultaneously with or before delivery of the Bonds, a certificate in form satisfactory to the School Corporation regarding the price at which a substantial amount of the Bonds of each maturity was reoffered to the public.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any Bond or the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds shall be paid by the School Corporation. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

AUTHORITY AND PURPOSE. The Bonds are issued under the provisions of the Indiana Code to provide the School Corporation with funds to pay for all or a portion of the costs of the 2021-2023 Facility Project as described and defined in the resolution adopted by the Board of School Trustees of the School Corporation on October 24, 2022, as more fully described in the Preliminary Official Statement, together with the expenses necessarily incurred in connection therewith, including the expenses incurred in connection with the issuance of the Bonds.

The principal of and interest on the Bonds are a general obligation of the School Corporation payable from ad valorem property taxes on all taxable property within the School Corporation as described in more detail in the Preliminary Official Statement.

BOND DELIVERY. At the time of delivery of the Bonds, the approving opinion of Barnes & Thornburg LLP, Indianapolis, Indiana, Bond Counsel, as to the validity of the Bonds, together with a transcript of the proceedings for the Bonds, the printed Bonds and closing certificates in the customary form showing no litigation, will be furnished to the Purchaser at the expense of the School Corporation. In addition, unless bond counsel is able, on the date of delivery, to render an opinion to the effect that (1) under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended, for federal income tax purposes, and (2) the interest on the Bonds is exempt from income taxation in the state of Indiana for all purposes except the state financial institutions tax, the Purchaser shall have the right to rescind the sale, and in such event the Deposit will be returned.

PRELIMINARY OFFICIAL STATEMENT. A copy of the Preliminary Official Statement prepared at the direction of the School Corporation may be obtained in limited quantities prior to submission of a bid by request from the Municipal Advisor at the address set forth above. Said Preliminary Official Statement will be in a form deemed final by the School Corporation, pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), subject to completion as permitted by the Rule.

In order to assist bidders in complying with paragraph (b)(5) of the Rule, the School Corporation will undertake, pursuant to the Continuing Disclosure Contract which shall be delivered to the Purchaser at the closing on the Bonds, to provide annual reports, certain financial information, and notices of certain events as required by Section (b)(5) of the Rule. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

If bids for the Bonds are submitted by mail, they should be addressed to School Corporation in care of the Municipal Advisor at the address listed above.

Purdue Provost to Step Down in December, Search Committee Formed

Purdue University Provost Jay Akridge announced on Tuesday his plan to step down at the end of December after serving more than five years as Purdue’s chief academic officer.

Akridge, the longest-serving provost in the Big Ten currently, has been Purdue’s provost and executive vice president for academic affairs and diversity since July 2017, serving first as interim before being appointed to the role in November 2017. He will take a sabbatical and then return to his faculty appointment as a professor of agricultural economics.

"Jay has been an outstanding provost, fully dedicated to the success of this institution and its faculty, staff and students," President Mitch Daniels said. "We are

Provost Jay Akridge

grateful for his loyal and excellent service in perhaps the most strenuous and taxing job on campus. I’ll especially remember his indispensable efforts through the pandemic and his leadership in our growth as a 21st-century land-grant institution. Jay has given Purdue more than 40 years of great service, and we look forward to many more."

President-elect Mung

Chiang echoed Daniels’ praise. “Jay has been and will continue to be an extremely valued colleague at Purdue. I thank him deeply for his vital and outstanding contributions in so many ways to our university throughout the past four decades. We will have an event next month to formally recognize the impact of his service. With tremendous appreciation and respect for his leadership, I look forward to many successful future collaborations with him.”

Purdue University announced it will begin the process of selecting its next provost by launching an internal search first, effective immediately. A search committee, led by Byron Pipes, the John L. Bray Distinguished Professor of Engineering at Purdue since 2004, has

been formed and will accept nominations and applications from within the Purdue system through Nov. 28. The search will be staffed by Amy Boyle, associate vice president of human resources. Nominations and applications, including a cover letter and resume, should be emailed to Boyle at aeboyle@purdue.edu. The search committee will communicate regular updates to faculty and students, including one later this week.

"It has been a rare privilege to serve as provost at Purdue, working with President Daniels and our board of trustees during one of the most dynamic periods in our university’s history," Akridge said. "I have been humbled daily by the passion and commitment our faculty, staff and students

bring to all they do. Our leadership team has never wavered in their focus on our land-grant mission, and they have my deepest thanks. That said, I am looking forward to reengaging in my faculty role and contributing in a different way to teaching and learning excellence at Purdue."

President Daniels and President-Elect Chiang formed the search advisory committee, consisting of the following members:

- Byron Pipes (chair), John L. Bray Distinguished Professor of Engineering
- Colleen Brady, professor of agricultural sciences education and communication, Senate chair
- JoAnn Brouillette, trustee
- Gebisa Ejeta, Dis-

tinguished Professor of Agronomy

• Christine Ladisch, professor of public health, dean emerita of Health and Human Sciences

• Philip Low, Ralph C. Corley Distinguished Professor of Chemistry

• John McConnell, Burton D. Morgan Distinguished Professor in the School of Business

• Eric Munson, department head and Dane O. Kildsig Professor in Industrial and Physical Pharmacy

• Richard Voyles, Daniel C. Lewis Professor in Purdue Polytechnic Institute

• Isabelle Weber, class of 2023, vice president of Purdue Student Government

• Melinda Zook, Germaine Seelye Oesterle Professor of History

From Page A1

sources, Steve Owens, usually doesn't check his seeds until around Thanksgiving, but he said he recently found a few persimmons on the ground that appeared to be ripe, so he split some seeds a little early.

Steve's four seeds all showed a knife shape, which surprised him. He said he's never seen all knives before. He's afraid that doesn't bode well for this winter.

I didn't have space to mention it in the previous column, but most of the online sources on this subject do state that knives forecast bitter (cutting) cold. On Clara's chart, however, they symbolize fair weather.

Let's hope Clara's interpretation is the correct one!

Moving on to the Lacy building . . .

Jude Lees remembered the building's big open third floor well, especially the half basketball court at the north end. He also mentioned that as a young boy he took tap dancing lessons there once a week. He was the only boy in a class with six girls!

When I wrote about the Lacy building, there was one fascinating aspect I didn't have room to bring up — the Knights of Pythias goat.

Yes, "goat."

I found a couple of articles that describe the K. of P. members' move from their previous home, the Odd Fellows Lodge room on the south side of the courthouse square, to their new Castle Hall on the third floor of the Lacy building.

Both accounts were primarily concerned with how the lodge's goat took to the change of address. According to the Noblesville Democrat, "his goatship" handled it pretty well, thanks to the calming influence of the K. of P. band which headed the procession.

Seriously? Did they really mean there was a live goat?

It sure reads that way.

The Hamilton County Ledger observed that "The most skeptical are now compelled to acknowledge his (the goat's) existence" and the Democrat noted that the goat was led by a Knight in a Turkish costume.

Yet, the Democrat also stated " . . .there is only one way to get a sight at him (the goat,) and that is to be luckily [sic] enough to gain admittance into the order."

Okay, I was confused.

I did a little digging and learned that during the 19th and early 20th centuries, "riding the goat" was said to be a common part of the initiation ritual for several fraternal organizations, not just the K. of P. I even found a photo of one lodge posing with a goat.

But, did Noblesville's K. of P. actually use a live goat in their initiations? Or were the newspapers pulling everybody's leg?

I'm still not sure.

One thing is certain — some lodges DID put initiates on a mechanical goat. An Illinois company even manufactured one that flipped its rider upside down, fired blanks from its rear, and emitted a "ba-a-a" to make the goat "more goaty."
