FACES OF HAMILTON COUNTY People who call our community their own.

What makes Larry Jacobi smile? "These old airplanes; they make me smile. And we enjoy taking people on rides. These airplanes were built as trainers in World War II. I just love taking people up in them." Jacobi was found recently giving an airplane ride to Promise Road Elementary Principal Christy Martino as a reward for students' fundraising. Jacobi has been flying airplanes for 53 years and was happy to do a flyover for the kids in his U.S. Army blue and yellow open-cockpit 1941 Stearman two-seater biplane PT-17, that was used for training in World War II. Jacobi, 78, Noblesville, a retired Noblesville High School math teacher has given hundreds of airplane rides in his Stearman over the years. For those in Noblesville Schools community, a 30-minute ride with Jacobi in his Stearman will be among the items up for bid in NHS's silent auction during NHS's "Chicago: Teen Edition," through Saturday at NHS and online at nhscpo.org

And Another Thing...

1. Chinook Salmon

The salmon are swimming! The Indiana Department of Natural Resources said it is increasing Chinook salmon stocked in Lake Michigan by 50,000 starting in spring 2023. The change will increase the annual production target for Chinook from 225,000 to 275,000. Baitfish populations have rebounded from an all-time low in the mid-2010s after lake-wide stocking reductions made by all state agencies during the past decade. Staff from Mixsawbah State Fish Hatchery recently traveled to Michigan to obtain Chinook salmon eggs to meet the new production target. Fish from the eggs will be raised at Mixsawbah to be stocked in April 2023. They will spend one to three years feeding in Lake Michigan before returning to their stocking sites as mature spawning adults in the fall. More information on the hatchery is at on.IN.gov/mixsawbah-sfh and more information on Lake Michigan fishing is at on.IN.gov/lake-michigan-fishing.

2. Bottle Auction

Don't bottle it up! The annual Northern Hamilton County Chamber Charity Bottle Auction is fast approaching and you don't want to miss out. The auction will be at United Animal Health, with a wide assortment of wrapped bottles to be won by the highest bidder. Guests will also enjoy a special holiday performance from the Hamilton Heights choir.

Members are asked to giftwrap a bottle or two of something to donate (the only limits are your imagination). Bottle collections for this year's auction are currently underway. All proceeds will be allocated to local not-for-profit Chamber members. Those wishing to donate should email jesy.ide@nhccoc.org.

BETSY REASON The Times Editor

I watched a little of the rehearsals for Noblesville High School's fall musical, and the show is amazing. The singing, the dancing, the acting. Very impressive.

"Chicago: Teen Edition" is quite a bit the opposite of Disney's "High School Musical" that was on the NHS stage in 2021.

"Chicago" is set in the jazz age and based on a 1926 play of the same name by Maurine Dallas Watkins, a reporter assigned to cover 1924 trials of two murderesses.

NHS choir director John Neubauer is music director for the all-student show, which is on stage at 7 p.m. Thursday,

Friday and Saturday at NHS. Tickets are still available but selling fast.

Neubauer said "Chicago The Musical" is a "great musical." that he has seen twice on Broadway, where it's the longest-running American musical. "It remains a stellar piece." ("Phantom of the Opera" would be considered a British musical

Winning the Ratings . . . Conservatively

WIBC's Hammer & Nigel Drive Home Serious Message in Fun Style

By Tim Timmons timmons@thetimes24-7.com

Love it or hate it, conservative talk radio isn't just around, it's dominating.

Take WIBC, for example. The Indianapolis-based station has long been one of the giants in Indiana. From its early days on 1070 AM to the switch to 93.1 FM, through ownership changes (including the recent sale from Jeff Smulyan and Emis Communications to Urban One) the "Voice of Indiana" has a decidedly conservative bent that seems to be hitting home with listeners - all across the state.

Ratings are on the rise, so it must mean it's working.

Larry Max Wagner, 86, died on Monday, Nov. 14, 2022, at River-view Hospital in Noblesville after a lengthy illness.

He was born on Dec. 18, 1935 in Farmland, Indiana, the son of Harry and Flossie Fern (Odle) Wagner.

Mr. Wagner married Elaine (Laird) Wagner on April 6, 1968 in Speedway, Ind.

He was a 1953 graduate of Farmland High School and a graduate of Purdue University, earning a Bachelor's degree in Mechanical Engineering and a Master's degree in Industrial Engineering, working his way through school as a waiter. Upon graduation from Purdue, he worked at Western Electric as an engineer. He volunteered for the US Army National Guard from 1958-1961, serving as a Recon Utility Cargo Helicopter Repairman, rising to the rank of Specialist E-4 and earning a Course A Marksman riflery badge.

In the mid-1960s, Mr. Wagner owned and operated a Mobil service station in Lawrence, Ind., for three years. In 1967, he began work as a civilian at the US Army Finance and Accounting Center, where he met his future wife Elaine. # HHHS Key Club Celebrates 15 Years of Service

Last week was Kiwanis International Key Club Week. Key Club is 97 service years strong and growing. The difference Key Club has made in our community and around the world is reason to celebrate all year long. As an important member of the Kiwanis family, Key Club has always represented the values in "serving the children of the world."

Key Club is an international, student-led, high school organization. Its members make the world a better place through service. In doing so, they grow as individuals and as leaders by answering the call to lead, summoning the courage to engage, and develop the heart to serve.

It is the largest high school service organization in the world and is a member of the Kiwanis International family.

Today, there are over 250,000 high school students involved in Key Clubs in 40 countries. Hamilton Heights High School Key Club is one of those. Created in 2007, it is under the leadership of Lillian Morris and has over 20 members.

This year's club officers include President Jack Monnin, Vice President Jack Morris, Secretary Sarah Stapleton, Treasurer Anna Rickey, and Web Master Carson Lenze. It is sponsored by the Cicero Kiwanis Club.

"Key Club is all about service," said Lillian Morris, HHHS Special Education teacher who is in her third year as the club faculty advisor, who enjoys helping members to be a part of their

school and community.

"I love that they learn to be leaders and see themselves as an important part of their community. I also think it's important to get kids out of their own situations and into their community. When they see what other people's experiences are, it helps widen their perspectives."

Key Club members help with activities like the Haunted Trails, HHES Backpack Buddies, Cicero Kiwanis Veteran's Day Breakfast, Care Drive, Shoe Drive, Riley Roadblock, Angel's Attic Roadblock, King's Treasure Christmas event, and other activities as they come up at school or as a community need. The club also works on service projects throughout the year.

"As members, students have the opportunity to give back to the school

and community in many ways," explained Morris. "There are so many benefits to being a part of a service-oriented club. The opportunity to develop servant leadership skills while benefiting others is a powerful motivator. Our members are also learning amazing life skills while helping others along the way."

Morris recommends students get involved early on to help build connections, philanthropy, and servant leadership throughout their high school years. "Colleges and employers really take note of four-year members in this internationally-known organization," she noted.

"I encourage members to be involved in everything they find interest in and can fit in their schedule - even if it's only a 30-minute event, it's still benefiting others."

Dear Community Patron,

The Beta Epsilon Chapter of Tri Kappa of Noblesville along with *The Times* newspaper of Noblesville will be sponsoring the 17th annual Noblesville Red Stocking Fund. In 2021, we collected over \$13,500, thanks to the generosity of so many citizens of Noblesville. We are asking you to consider making a donation in 2022 for this very worthwhile cause.

Donations collected last year were distributed through the Noblesville Trustee's Office to students in Noblesville schools as well as to each school. New clothing, shoes, socks and school supplies were provided. And this year, **the need is even greater.** In the last 17 years, more than \$204,500 has been raised to support this community fundraiser.

Donations will be collected from now through December 25th and will be used throughout 2023 to help those who are less fortunate in Noblesville Township. There are no administrative fees; both Tri Kappa and *The Times* newspaper donate their efforts, allowing 100% of the donations to be used for the children of Noblesville.

If you would like to contribute, please print your name, donation amount (this will remain anonymous) and the short message you would like printed in the newspaper. *The Times* newspaper will publish weekly in November and December the names of the contributors and their holiday message. Submit the form below with your check or money order payable to **Noblesville Red Stocking Fund** and mail to the P.O. Box listed below.

Whether your donation is given in memory or honor of a loved one, in lieu of Christmas cards, in celebration of your family or even an anonymous donation; every dollar contributed will certainly help. All donations are welcome. Thank you for considering a donation.

NOTICE OF ADOPTION OF PRELIMINARY DETERMINATION
Notice is hereby given pursuant to Indiana Code § 6-1.1-20-3.1 that the Board of School Trustees (the "Board") of Hamilton Southeastern Schools (the "School Corporation") did, on November 11, 2022, make a preliminary determination to issue bonds for the renovation of and improvements to Lantern Road Elementary School, including HVAC improvements and classroom renovations (the "Project"). The bonds will have a maximum maturity of 2 (two) years, a maximum principal amount of \$17,445,000 and estimated interest rates ranging from 1.00% to 5.00%, resulting in total estimated interest costs of \$480,542.
As required by Indiana Code § 6-1.1-20-3.1(b)(1), the following information was available to the public at the public hearings on the preliminary determination: (i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 0.642%, and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net assessed value of taxable property within the School Corporation, which is 5.547%.
The School Corporation's current debt service levy is \$51,935,721 and the current rate is \$0.5898. After the bonds are issued, the gross debt service levy will increase by a maximum of \$17,445,000 and the gross debt service rate will increase by a maximum of \$0.5898. However, as existing obligations mature, there is no anticipated net increase to the Debt Service Fund tax rate above the current rate.
The estimated amount of the School Corporation's debt service levy and rate that will result during the following 10 years if the School Corporation issues the bonds, after considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period, is as follows:

2031 10,065,000 0.1002
2032 10,067,000 0.0998
The purpose of the bonds is to provide for the Project.
Any owners of real property within the School Corporation or registered voters residing within the School Corporation who want to initiate a petition and remonstrance process against the proposed issuance of the bonds must file a petition that complies with Indiana Code § 6-1.1-20-3.1 subdivisions (4) and (5) not later than 30 days after the publication of this notice.

medicines and other necessities. In the last 17 years, over \$204,500 has been raised to support this community fundraiser.

The Red Stocking Fund is an initiative to raise funds for Noblesville students and families who are in need. Tri Kappa is pleased to provide this source of funds for Noblesville Schools and the Noblesville Township Trustee to use at their discretion.

This critical campaign was able to distribute over \$13,500 last year to ensure the children of Nobles-

ville have shoes, clothing, school supplies and shelter, as well as medicines and other necessities. In the last 17 years, over \$204,500 has been raised to support this community fundraiser.

The Beta Epsilon Chapter of Tri Kappa Sorority and The Times newspaper have once again joined forces to promote the Red Stocking Fund. The Times provides a donation form once a week asking for readers to respond. Your donation will give you an opportunity to submit a greeting in the paper to

wish someone a Merry Christmas, honor a loved one or celebrate your family. The amount is not published and any amount is certainly appreciated. A donation form can be found in today's paper giving everyone a chance to become involved with this worthwhile project.

"This project would not be possible without The Times and the Noblesville Township Trustees Office," Kim Claussen, new Red Stocking Fund Chairman, said. "This gives every school a source to turn to if a need is apparent.

Theresa Caldwell will take office as the newly elected Trustee in January, replacing current Trustee Tom Kenley, who is retiring.

Both Tri Kappa and The Times newspaper donate their efforts, allowing 100 percent of the donations to be used for the children and families of Noblesville."

"I think it's a special way for people to help their community, and its fun for people to see their names in the newspaper," said Claussen, who has been a Tri Kappa for 25

years.

"Giving back to the community is important to me," she said. Claussen graduated from Noblesville High School and has lived in Noblesville for 40 years. She has a husband, Marc, and children, Kyle, Laura, Cooper, Nick and Caroline.

Tri Kappa is a statewide philanthropic sorority promoting charity, culture and education. The Beta Epsilon Chapter of Tri Kappa is one of over 140 chapters throughout Indiana serving the needs of others in many ways

for over hundred years in Noblesville. The Red Stocking Fund is just one of the fundraisers in which the local chapter donates their time. All proceeds are distributed to help others in our wonderful community.

Donations will be collected through Christmas. Checks may be mailed to Noblesville Red Stocking Fund, P.O. Box 162, Noblesville, IN 46061. With any donation, please make sure to include the message/greeting you would like printed in the newspaper.

The School Corporation reserves the right to adjust principal amounts within maturities of the Bonds to achieve approximate level annual debt service levies of the School Corporation based upon the rates bid by the successful bidder, the School Corporation's current debt service levy and the School Corporation's anticipated debt service levy during the term of the Bonds.

Except as may be agreed to by the School Corporation and the successful bidder, all payments of interest on the Bonds will be paid by check or draft mailed one business day prior to each interest payment date, to the registered owners of the Bonds at the address as it appears on the registration books kept by the Registrar and Paying Agent as of the first (1st) day of the month of the interest payment date or at such other address as is provided to the Registrar and Paying Agent in writing by such registered owner. Except as may be agreed to by the School Corporation and the successful bidder, principal on the Bonds will be payable at the principal corporate trust office of the Paying Agent. Notwithstanding the foregoing, (a) so long as DTC or its nominee is the registered owner of the Bonds, principal of and interest on the Bonds will be paid directly by the Paying Agent to DTC by wire transfer on the interest payment dates and principal payment dates in accordance with the procedures required by DTC, and (b) so long as all of the outstanding Bonds are held by one accredited investor, principal of and interest on the Bonds may be paid directly by the Paying Agent to DTC by wire transfer on the interest payment dates and principal payment dates without presentation of the Bonds.

The Bonds may be transferred or exchanged at the office of the Registrar, subject to the terms and conditions set forth in the Bonds.

**REDEMPTION PROVISIONS.** Unless otherwise noted in the twenty-four (24) hour notice of sale received by all interested bidders prior to the sale date of the Bonds, none of the Bonds shall be subject to optional redemption prior to maturity.

Upon the election of the successful bidder with respect to the Bonds, any of the Bonds may be issued as term bonds subject to mandatory sinking fund redemption on January 15 and July 15 of the year set forth above at 100% of the face value in accordance with the schedule set forth above. If any of the Bonds are subject to mandatory sinking fund redemption, the Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory sinking fund redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Paying Agent for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit such term bonds only to the extent received on or before forty-five days preceding the applicable mandatory redemption date.

Notice of any mandatory sinking fund redemption will be mailed by first class mail by the Paying Agent not less than 30 days prior to the date selected for redemption to the registered owners of all of the Bonds to be redeemed at the address shown on the registration books of the Registrar; provided, however, that failure to give such notice by mailing or a defect in the notice or the mailing as to such Bonds will not affect the validity of any proceedings for redemption as to any other Bonds for which notice is adequately given. Notice having been mailed, such Bonds designated for redemption will, on the date specified in such notice, become due and payable at the then applicable redemption price. On presentation and surrender of such Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable or as otherwise agreed to by the School Corporation and set forth in the Bonds, such Bonds will be redeemed by the Paying Agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of such Bonds, interest on such Bonds designated for redemption will cease.

**INTEREST RATES.** Each bid submitted must be for all of the Bonds and must state the rate or rates of interest therefor, not exceeding the maximum per annum interest rate hereinbefore specified and not less than the minimum per annum interest rate hereinbefore specified. Such interest rate or rates must be in multiples of one-eighth (1/8) or one-one hundredth (1/100) of one percent (1.00%). Bids specifying more than one interest rate must also specify the amount and maturities of the Bonds bearing each rate. All Bonds maturing on the same date shall bear the same rate of interest. Although not a term of sale, it is requested that each bid show the total dollar cost to final maturity and the true net interest cost on the entire issue to which such bid relates.

**BIDDING DETAILS.** Any person interested in submitting a bid for the Bonds must furnish written notice of such intent along with such person's name, address and telephone number, on or before 11:00 a.m. (Eastern Standard Time), November 29, 2022, to the Municipal Advisor at the address set forth above. The person may also furnish a telex, facsimile number or e-mail address. Notwithstanding the foregoing, any person or entity registered in PARITY® will be automatically deemed to have complied with the foregoing requirements for so long as such person or entity is registered in PARITY®. In addition to sending the notice on PARITY®, the School Corporation will cause each person so registered to be notified of the date and time bids will be received for the Bonds not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telex or facsimile and electronically if a telex or facsimile number or e-mail address has been furnished. No conditional bid or bids for less than one hundred percent (100.0%) of the par value of the Bonds will be considered. The School Corporation reserves the right to reject any and all bids and to waive any informality in any bid. If no acceptable bid is received on the date fixed for sale of the Bonds, the sale may be continued from day to day thereafter without further advertisement for a period not to exceed thirty (30) days, but if so continued, no bid will be accepted which offers a net interest cost which is equal to or higher than the best bid received at the time fixed for the sale.

A bidder for the Bonds may purchase bond insurance to guarantee the repayment of the debt service of the Bonds from a bond insurance company; provided, however, the payment of any premium for any such bond insurance will be paid by the successful bidder from its discount bid, and will not be paid by the School Corporation.

Each of the bids for the Bonds not submitted via PARITY® shall (i) be sealed in an envelope if mailed, or with a cover page if sent electronically or via facsimile, marked "Carmel Clay Schools, Indiana, General Obligation Bonds, Series 2022"; (ii) be on the form approved by the School Corporation, without additions, alterations or erasures, which form may be obtained from the Municipal Advisor at the address set forth herein; and (iii) be delivered to the Municipal Advisor on behalf of the School Corporation at the applicable address or facsimile number set forth above.

While it is not a requirement for the successful bidder, the School Corporation encourages the successful bidder to make a good faith effort to offer the Bonds to be purchased by residents of the School Corporation.

**INTERNET BIDS.** If using PARITY®, bidders must first visit the PARITY® web site where, if they have never registered with PARITY®, they can register and then request admission to bid on the Bonds. Only NASD registered broker dealers and dealer banks with DTC clearing arrangements will be eligible to bid via PARITY®. Any questions pertaining to the PARITY® web site may be directed to PARITY® at (212) 849-5021.

**RULES OF ELECTRONIC BIDDING.** The "Rules" of PARITY® can be viewed on its website and are incorporated herein by reference. Bidders must comply with the requirements of PARITY® in addition to requirements of this Official Notice of Intent to Sell Bonds if the bidder is using PARITY®. To the extent there is a conflict between the Rules of PARITY® and this Official Notice of Intent to Sell Bonds, this Official Notice of Intent to Sell Bonds shall control.

**CLOSED AUCTION.** Bidders may change and submit bids as many times as they wish during the sale period for the Bonds, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g. whether their bid is the leading bid).

**AMENDMENTS.** The School Corporation reserves the right to amend any information contained in this Official Notice of Intent to Sell Bonds. The School Corporation also reserves the right to postpone, from time to time, the date established for the receipt of bids on the Bonds. Any such amendment or postponement will be announced in the same manner as the notice of the sale from the Municipal Advisor as described in "BIDDING DETAILS." If any date fixed for the sale is postponed, any alternative sale date will be announced at least 24 hours prior to such alternative sale date.

**BASIS FOR AWARD.** The sale of the Bonds will be awarded to the bidder making a bid that conforms to the specifications herein and which produces the lowest Net Interest Cost to the School Corporation. The Net Interest Cost is determined by computing the total interest on all of the Bonds from the date of delivery to the date of maturity or mandatory sinking fund redemption, if applicable, and deducting therefrom the premium bid, if any, or adding thereto the amount of any discount. In the event of a bidder's error in net interest cost rate calculations, the interest rates and premium, if any, set forth or incorporated by reference in the Official Bid Form will be considered as the intended bid.

In the event that the School Corporation fails to receive a bid on the Bonds from at least three Underwriters (as hereinafter defined), the School Corporation shall so advise the successful bidder for the Bonds (such successful bidder, the "Purchaser"). If the Purchaser is an Underwriter intending to resell all or any portion of the Bonds to the Public (as hereinafter defined), the Purchaser must, prior to acceptance of its bid by the School Corporation, either (i) agree in writing to neither offer nor sell any of the Bonds to any person at a price that is higher than the initial offering price for each maturity of Bonds during the Holding Period (as hereinafter defined) for any maturity of the Bonds or (ii) request in writing that the School Corporation treat the first price at which 10% of a maturity of the Bonds (the 10% test) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. For purposes of this Notice of Intent to Sell Bonds, (a) the term "Public" shall mean any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter, (b) the term "related party" means any two or more persons who have greater than 50 percent common ownership, directly or indirectly, (c) the term "Underwriter" means (i) any person that agrees pursuant to a written contract with the School Corporation (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public), (d) the term "Underwriters" means more than one Underwriter, and (e) the term "Holding Period" means the period starting on the date the School Corporation awards the Bonds to the Purchaser (the "Sale Date") and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of each maturity of the Bonds to the Public at prices that are no higher than the initial offering price for such maturity of the Bonds. Any underwriter executing and delivering an Official Bid Form with respect to the Bonds agrees thereby that if its bid is accepted by the School Corporation (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all participating underwriters of the Bonds for purposes of assuring the receipt of each such participating underwriter of the Final Official Statement. The Purchaser shall be responsible for providing (i) in writing the initial reoffering prices and other terms, if any, to the Municipal Advisor as and at the time requested and (ii) a certification verifying information as to the bona fide initial offering prices of the Bonds to the Public and sales of the Bonds appropriate for determination of the issue price of, and the yield on, the Bonds under Internal Revenue Code of 1986, as amended, as and at the time requested by the School Corporation's bond counsel.

**GOOD FAITH DEPOSIT.** The Purchaser will be required to provide to the School Corporation a good faith deposit (the "Deposit") in the form of cash, a certified check or a cashier's check or a wire transfer in the amount of one percent (1.00%) of the principal amount of the Bonds to be issued. The Deposit must be provided to the School Corporation no later than 3:30 p.m. Eastern Standard Time on the business day immediately following the award of the Bonds. All checks shall be made payable to "Carmel Clay Schools", against default by the Purchaser in complying with the terms of this Notice and of its bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds awarded to the Purchaser.

In the event the Purchaser fails or refuses to comply with the provisions of the bid and this Notice, the Deposit shall become the property of the School Corporation and shall be taken and considered as liquidated damages of the School Corporation on account of such failure or refusal.

The Purchaser will be required to make payment for the Bonds in Federal Reserve or other immediately available funds and accept delivery of the Bonds within five (5) days after being notified that the Bonds are ready for delivery, at a bank designated by the School Corporation. Any premium bid must be paid in cash at the time of delivery as a part of the purchase price of the Bonds. The Bonds will be ready for delivery within sixty (60) days after the date on which the award is made, and if not deliverable within that period, the Purchaser will be entitled to rescind the sale and the Deposit will be returned. Any notice of rescission must be in writing. At the request of the School Corporation, the Purchaser shall furnish to the School Corporation, simultaneously with or before delivery of the Bonds, a certificate in form satisfactory to the School Corporation regarding the price at which a substantial amount of the Bonds of each maturity was reoffered to the public.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any Bond or the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds shall be paid by the School Corporation. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

**AUTHORITY AND PURPOSE.** The Bonds are issued under the provisions of the Indiana Code to provide the School Corporation with funds to pay for all or a portion of the costs of the 2021-2023 Facility Project as described and defined in the resolution adopted by the Board of School Trustees of the School Corporation on October 24, 2022, as more fully described in the Preliminary Official Statement, together with the expenses necessarily incurred in connection therewith, including the expenses incurred in connection with the issuance of the Bonds.

The principal of and interest on the Bonds are a general obligation of the School Corporation payable from ad valorem property taxes on all taxable property within the School Corporation as described in more detail in the Preliminary Official Statement.

**BOND DELIVERY.** At the time of delivery of the Bonds, the approving opinion of Barnes & Thornburg LLP, Indianapolis, Indiana, Bond Counsel, as to the validity of the Bonds, together with a transcript of the proceedings for the Bonds, the printed Bonds and closing certificates in the customary form showing no litigation, will be furnished to the Purchaser at the expense of the School Corporation. In addition, unless bond counsel is able, on the date of delivery, to render an opinion to the effect that (1) under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended, for federal income tax purposes, and (2) the interest on the Bonds is exempt from income taxation in the state of Indiana for all purposes except the state financial institutions tax, the Purchaser shall have the right to rescind the sale, and in such event the Deposit will be returned.

**PRELIMINARY OFFICIAL STATEMENT.** A copy of the Preliminary Official Statement prepared at the direction of the School Corporation may be obtained in limited quantities prior to submission of a bid by request from the Municipal Advisor at the address set forth above. Said Preliminary Official Statement will be in a form deemed final by the School Corporation, pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), subject to completion as permitted by the Rule.

The Preliminary Official Statement when further supplemented by an addendum or addenda specifying the interest rates of the Bonds, and any other information referred to in paragraph (b)(1) of the Rule, shall constitute a "Final Official Statement" of the School Corporation with respect to the Bonds, as that term is defined in the Rule. By awarding the Bonds to the Purchaser, the School Corporation agrees that, no more than seven (7) business days after the date of such award, it shall provide to the senior managing underwriter of the syndicate to which the Bonds are awarded, if applicable, up to ten (10) copies of the Official Statement at the School Corporation's expense, any additional copies to be at the expense of the underwriting syndicate. The School Corporation designates the senior managing underwriter of the syndicate to which the Bonds are awarded, if applicable, as its agent for purposes of distributing copies of the Final Official Statement to each participating underwriter. Any underwriter executing and delivering an Official Bid Form with respect to the Bonds agrees thereby that if its bid is accepted by the School Corporation (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all participating underwriters of the Bonds for purposes of assuring the receipt by each such participating underwriter of the Final Official Statement. The Purchaser shall be responsible for providing (i) in writing the initial reoffering prices and other terms, if any, to the Municipal Advisor as and at the time requested and (ii) a certification verifying information as to the bona fide initial offering prices of the Bonds to the public and sales of the Bonds appropriate for determination of the issue prices of, and the yields on, the Bonds under the Internal Revenue Code of 1986, as amended, as and at the time requested by the School Corporation's bond counsel.

In order to assist bidders in complying with paragraph (b)(5) of the Rule, the School Corporation will undertake, pursuant to the Continuing Disclosure Contract which shall be delivered to the Purchaser at the closing on the Bonds, to provide annual reports, certain financial information, and notices of certain events as required by Section (b)(5) of the Rule. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

If bids for the Bonds are submitted by mail, they should be addressed to School Corporation in care of the Municipal Advisor at the address listed above.

The School Corporation reserves the right to reject any and all bids for any reason and for no reason at all and to waive any and all informalities, defects or requirements set forth in this notice or any bid submitted in response to this notice.

I think that’s what Donald Trump captured in America. He fought back. Aren’t we all tired of getting a lecture from the liberals?”

The Hammer & Nigel Show airs Monday through Friday from 3 p.m. to 7 p.m., or in what the radio industry calls afternoon drive time. The pair have worked together on and off for a number of years, both on radio airwaves and on a podcast.

“Nige and I are kind of alike,” Hammer explained. “We got into this pretty young. I think I was 19. We ended up starting out at smaller stations. I went to work at 104.5, the Bear. Actually, I think I replaced Nigel.”

Nigel Laskowski agreed. He graduated from Tri-West High School (Hammer from Beech Grove) in 1994.

“I started off at a contemporary Christian radio station doing every shift I could possibly get when I turned 18 . . . making \$5 an hour,” Laskowski said. Like a lot of folks in the media, Laskowski worked at a few places, including KLBJ in Austin Texas in late 2007. After that he “came back home, started the podcast with Hammer and a few years later here we are.”

Both men, now in their 40s, share a passion for the airwaves that goes way back.

“I knew I wanted to do broadcasting,” Hammer said, remembering back to his school days. “I loved Lettermen before he got so political. I went to Ball State to be a weatherman and got into radio there. As a kid I looked at the people (in Indianapolis media) and thought what a cool job. Mark Patrick was so good. He did Bob & Tom, WISH-TV and the lottery. I wanted to be like that – diverse. To an

extent, I’m kind of doing that now.”

Laskowski was similar, although his goal wasn’t necessarily talk radio.

“I remember my parents listening to Rush (Limbaugh) but didn’t know about politics or what any of it meant when I was a kid. I remember being fascinated at the notion of one guy sitting in a studio and talking for three hours and millions of people listening. I listened to the rock and pop stations in town and when I got older Bob and Tom . . . I thought about it constantly . . . almost obsessive!”

The two men think about it a lot now, and not just during their work days.

“I’m always thinking about the show, day and night,” Laskowski said. “I’m sending stories to Hammer and ideas at all times.”

Hammer echoed. “People don’t understand. They think we show up half an hour before we go on air and just talk. They don’t know what we do before,” he explained. “I get here around 10:30 or so. Nig gets here around 10:30 or so. (Their show doesn’t begin until 3 p.m.) There’s lots of work that goes into it. We do all of our own web work, well Nig does most of the tech stuff. And then even afterward. We’ll see something and text the other one. We’re always working on the show.”

Listeners, whether regular or casual, are treated to a point of view decidedly from the conservative side, whether from the hosts or regular guests. However, neither man toes a party line.

“The knock on WIBC was that we’re a mouthpiece for the Republican Party,” Hammer explained. “But that’s just not true. We take on government.”

Indiana Gov. Eric Holcomb, a Republican, is frequently a target of scorn. So is Indianapolis mayor Joe Hogsett, a Democrat.

“Where (Holcomb) lost us is when he called those

businesses that wanted to remain open (during the pandemic) a petri dish,” Hammer explained. “Yet Malik Muhammad leads a group of people on a march to Holcomb’s mansion and he gets a one-on-one with the governor. Do you know where Malik

Muhammad is now? He’s in prison for attempted murder. How come he can put together a crowd of over 200 people and get a meeting with the governor while people who want to make a living are called a petri dish?”

“Joe Hogsett? Joe

Hogsett has a standing invitation to be on this show. So does (Marion County district attorney) Ryan Mears. They all do,” Hammer went on. “We don’t want to be friends with these people. I don’t need to be their friend. I have enough friends. I’m sure they do, too. I just want them to do their job, lower taxes and not be an embarrassment.”

And it’s not about party. “Will I always vote for a Republican every time?” Hammer asked. “No.

There’s a Democrat running who I think has done a good job. I’ll vote for him. I want people who do good work. I’ve always been taught nothing is for free. If you believe in that more than likely you’re a

conservative.”

What’s next for the popular radio personalities?

“Tomorrow’s show,” Laskowski quipped. “It would be cool if we could reach a nationwide audience and I’m convinced that if we keep doing what we’re doing, we’ll get that opportunity.”

Hammer doesn’t disagree.

“We’re going to see how long we can keep the success up. I still want to pursue some other things, but nothing that interferes with this. I think we would love to have a national platform – but doing a local show is important. I don’t want to do something national if it takes away from Indianapolis. We mix serious with fun.”

safe, vibrant corridor for residents to drive, walk or bike to downtown Noblesville.

These upgrades will provide a critical east-west connection for travelers, making it easier to travel across town.

"This project has been more than 37 years in the making, and it's exciting to see it finally begin," Mayor Chris Jensen said.

"Reimagine Pleasant Street is my administration's top priority, and we are excited for the opportunities it will provide to Noblesville and Hamilton County residents."

In addition to road and trail upgrades, the project includes a new bridge over the White River to alleviate traffic along SR 32. In conjunction with local artists, the bridge will feature elements that will reflect the history and aesthetics of Noblesville and Hamilton County.

The project also includes historical wayfinding signage to highlight notable people and events from Noblesville's unique past.

"All of us are committed to seeing this transformational project come to life," Hamilton County

Commissioner Steve Dillinger said.

"These improvements will allow us to be forward-thinking and proactive when it comes to our infrastructure, growth, and development."

Representatives from American Structurepoint, Beaty Construction, CHA Consulting, and USI Consultants were in attendance. American Structurepoint is managing the design of Pleasant Street. Beaty Construction is managing the construction of Pleasant Street. CHA and USI will lead the construction inspection of the project.

Reimagine Pleasant Street isn't just a road project – it's a strategic community development of Noblesville to support the future. A new bridge, an aesthetically pleasing boulevard, and improved trail connections are all part of the project.

The critical first phase, which includes the construction of a new White River Bridge, will be open to traffic by the end of 2024. Phases II and III are anticipated to begin in Winter 2023, and the entire project will be complete by the end of 2025.

ing and, in some ways, not that different from William Conner's own life.

Richard Conner, the father of William Conner, was born in Maryland, probably around 1718. It's believed Richard's father may have been one of three brothers who immigrated to America from Ireland.

As a young man, Richard wandered the wilderness of Ohio, much as his sons, William and John, would explore the Indiana frontier years later.

Richard eventually ended up among the Shawnee Indians in southern Ohio. There he met Margaret Boyer, a young white girl who'd been taken captive by the Shawnee during the French and Indian War.

According to one source, Boyer was a French name, but other references maintain the family was of German descent, with Bauer, Beyer or Bayer the original spelling. That seems more likely given the area of eastern Pennsylvania in which they lived.

In his book, "Sons of the Wilderness," Charles N. Thompson cites a tradition handed down in the Boyer family which holds that Margaret's family had a farm near Lehigh Gap (north and a little west of today's Allentown, Pennsylvania.)

One day during the war, Margaret's father left his wife at a nearby fort, and took their three children with him to their farm. While he was plowing a field, Indians attacked. The father was killed and the children were taken prisoner. Margaret was only six years old at the time.

Margaret's brother was released after a few years and returned home, but the Boyers' two little girls remained with the Indians.

Richard asked the Shawnee for permission to marry Margaret. His request was granted, but he had to pay \$200 and promise that the couple's first-born son would stay with the tribe. (That seems like an incredible amount of money for those days, but that's what was in the book.)

Richard and Margaret remained among the Shawnee for a while, living in a village that came to be

known as Connerstown. During that time a son, James, was born to them.

They later moved to Schoenbrunn, one of the Native American towns founded in the Ohio territory by Moravian missionary David Zeisberger, but they had to leave James behind because of the marriage agreement.

The years of the American Revolution were turbulent for the Conners.

Despite the Moravian missionaries' efforts to keep their Christian Indians (primarily Lenape, or Delaware, as they're commonly known,) neutral in the conflict, the British viewed the Moravian villages as a threat and wanted to break them up.

In the fall of 1781, the missionaries and their followers, including the Conners, were captured by Indian allies of the British and marched north to the Sandusky River.

By then, Richard and Margaret had four little boys — James (Richard had tracked him down and ransomed him from the Shawnee,) John, William and the baby, Henry. It was said Henry was so fair-haired, Margaret darkened his hair on the journey to make it less noticeable that the family was white.

The Conners eventually regained their freedom and settled in New Gnadenhütten, a mission Reverend Zeisberger established north of Detroit. A daughter, Susanna, was born there in 1783.

The Moravians left New Gnadenhütten three years later, but Richard decided to stay put. The Conners were now the only whites in an area populated by the Chippewa tribe.

For the next 20 years, Richard farmed, ran a trading post and bought up land in what later became Michigan's Macomb County. When he died in 1807, he left his family over 4,000 acres.

Margaret Conner died in 1813.

and is the longest of all time, he said.)

While the show is about deception, crime and murder, keep in mind this is "Chicago: Teen Edition." So it is a little tamer.

Neubauer said, "The high school version eliminates some swearing, and some of the darkest humor is eliminated or lightened. But the story is intact, and the spirit of the show remains."

The cast is costumed appropriately for this production, Neubauer said. And that means primarily a black color palette, like the Broadway musical.

He said, "It is different from other recent (NHS) productions with its more adult themes. But we have not focused on them. They are, however, part of the story. Gotta tell the story."

The 1975 musical has music by John Kander, lyrics by Fred Ebb and book by Ebb and Bob Fosse.

"I would say emulating the Fosse choreographic styles is the most challenging for the students," Neubauer said. "Fosse style is well known and closely associated with 'Chicago.'" (Fosse is best known for sultry hip rolls, smooth finger snaps, turned-in knees, sideways shuffle, rolled shoulders and 'jazz hands' with props, such as bowler hats and chairs.)

Shantel Morris is the show director and lead choreographer. "Shantel has done an incredible job of pushing the students to capture as much of that as possible," Neubauer said.

Morris isn't alone in her choreography role. New NHS assistant choir director Julianne Fowler, is also a choreographer alongside Morris and who has extensive choreography experience, and she has taught several numbers herself. Plus assistant choreographers Stephenie Knoll, Bailey Mann and Jeanne Wade have helped with specialties like tap dance and some comedy numbers. "Everyone worked as a team," Neubauer said. NHS Miller Girls Dance Team under the direction of Mann is also performing for "Razzle Dazzle."

About 90 students auditioned for the show in August, and rehearsals began immediately after the show was cast with 53 actors. (There are also 43 crew members, and 25 pit orchestra members who learn and perform 34 songs. Read Tuesday's Times edition about the orchestra.)

At the auditions, "in addition to acting, singing and dancing talent, we were also looking for personality, variety and a willingness to take chances," Neubauer said. "'Chicago' is not typical. The presentation and choreo are not typical. So the kind of student that will thrive in that atmosphere is also a little 'edgier' than usual."

Morris agreed. "The audition process is always tough, but everyone grows from it whether they are cast or not. We tell students to audition as much as possible all over town as it prepares them on how to better their personal expression and brand for all things in life," she said.

Morris has been a part of the NHS musical directing team for more than 10 years and has served

as choreographer as well as acting co-director on previous shows in the past. "We sit down as a team each year and discuss who runs point based on the show content and who has capacity to direct in any given year," she said. In the past 10 years, besides Morris and Neubauer, the show's technical director Greg Richards (NHS theater, public speaking and English 10 honors teacher) has directed as well as Debbie Wittstein (retired NHS music teacher) and Ryan Shelton (youth theater director and former elementary school teacher).

Prep work for "Chicago" began with summer intensive workshops that covered a handful of dance combos as well as dramatic workshoping to understand the history behind the show since it is based on a true story in a specific time period, Morris said. "We knew that Fosse technique would be foreign to the majority of students and wanted to give them a full perspective of the show content and expectations so they knew how best to prepare."

Rehearsals for the show began in August, not long after classes began. "We started with a read-through and sing-through of the entire show and gave broad expectations of the dedication and concentration the students would need to have to make this a grand success," Neubauer said. "After that, we dove into teaching music. Students were simultaneously working

on their lines. Once some of the material was in the students' brains, Shantel began staging everything. The choreography and the blocking work together seamlessly. The staging and the choreography feed each other and drive the story forward."

Each school year, Neubauer and his artistic staff "bat around lots of ideas and take stock of what show we believe will build student interest, be supported by the community and also inspire the students to strive," he said. "We also have to work within the confines of our auditorium, budget, and available personnel."

Typically, Neubauer would be the show director, but he's handed the duty off to Morris this year. "Shantel has such a clear vision of what she wanted this show to look like, sound like, feel like. So she's taking the reigns. It's wonderful," he said.

Morris' first time seeing "Chicago" was a national tour when she was a teen. "I was mesmerized," she said. "The choreography and styling was completely different from any classical training I had as a dancer as Fosse seemed to break all the rules, which I loved."

Morris and Neubauer agree that "Chicago" is an "in your face" piece of satire.

"This form of art is a hard pill to swallow when the audience is made aware that we, as society, play a part in sensationalizing and therefore potentially encouraging bad behavior from

rogue individuals out for instant fame, Morris said. "Chicago" may appear that it celebrates people making bad decisions when, in fact, the intent is to showcase the ugly nature of how society still gives a platform to people, like Roxie and Velma (the co-lead female roles), who use their bad behavior for the spotlight. Crime, unfortunately, still sells."

Neubauer said, "Can't wait for the kids to unleash their talents and bring this to life."
