FACES OF HAMILTON COUNTY People who call our community their own.

What makes Joshua Leach smile? "Fairies," said the 46-year-old Noblesville resident, who donned pointed ears and dressed as a fairy on Saturday for Nickel Plate Arts' 11th annual Welcome to Fairyville event. He was found greeting guests outside the front door at Nickel Plate Arts Campus. "I am helping Nickel Plate make sure that the guests have a wonderful time... I am helping entertain kids." It's his first time to dress as a fairy for the event. So how did he come up with his costume? "It was a family thing. The whole family looked and searched and found all of the accouterments." Daytime occupation? "I work for the Nielsen TV ratings," which measure media audiences. Hobbies? "I am an avid gardener and part-time genealogist." He was born in Kansas City, Mo., and mostly raised in California, where he met his wife, Leah. She was also dressed as a fairy at the Nickel Plate event under a tent promoting her Gal's Guide Library, which is located on the second floor of the Nickel Plate Arts Campus. Joshua and Leah came to Noblesville after he got out of the U.S. Army in 2004, to be near his wife's parents, who lived in Indianapolis. The Leaches celebrated their 25th wedding anniversary last Wednesday at Nickel Plate Arts' Fairy Ball.

BETSY REASON From The Editor's Desk...

Noblesville's Rick and Beth Beaver.

Friends and family and acquaintances last Thursday morning, April 20, filled the sanctuary at Grace Church in Noblesville to celebrate the Beaver couple's lives.

Rick and Beth Beaver tragically died on Wednesday, April 5, when the Piper PA-32R-300 aircraft they were riding in crashed into the Gulf of Mexico near Venice, Fla.,

just after 9:30 p.m. Officials said the airplane went down in the Gulf shortly after takeoff from Venice Municipal Airport. Jeff and Patty Lumpkin, 64 and 68, of Fishers, also died in the plane crash.

Ricky Joe Beaver was born March 1, 1963, and recently celebrated his 60th birthday. Elizabeth Anne "Beth" (Horn) Beaver was born May 1, 1965, and was 57. She would have celebrated turning 58 in another five days. Both were graduates of Noblesville High School, Rick in 1982 and Beth in 1983. They were both well known in the community. Rick was president of Beaver Construction Management in Noblesville, and Beth founded and operated Indiana Elite Cheer & Tumbling in Noblesville.

At Thursday's Celebration of Life, those in attendance honored the memory of the Beaver couple, who "lived life well." Their many involvements in the community were evident in their beautifully written and extremely extensive obituaries.

The Beavers, both Christians, were "happy just being together," family members said at Thursday's Celebration of Life, which featured music and stories and thoughts from the couple's children.

Jamie Troyer, a singer friend of Beth Beaver and a former All-Star Cheer & Tumbling instructor at Indiana Elite, sang Rascal Flatts' "Bless the Broken Road," a song that was sung 17 years ago at Beth and Rick's wedding.

A Brief History Of Hamilton County

PAULA DUNN From Time to Thyme

If you know anything about Hamilton County history, you're probably

aware that Westfield was founded by Quakers — or, more formally, the Religious Society of Friends — and that it played a major role in the Underground Railroad.

Westfield gets so much attention that I think people tend to overlook the fact it wasn't the only Friends community in early Hamilton County.

Far from it. By the end of the 19th century, nearly every township had at least one Quaker meetinghouse. Most of these were located in rural neighborhoods.

In 1945, Noblesville attorney Justin Roberts, who'd researched local Friends history, stated that Hamilton County had more Friends churches than

any county in Indiana.

I haven't verified that, but it does reinforce my point that Quaker influence was strong in this area in the early days. In fact, the county's Friends population was a major reason Roberts Settlement was established here. The Friends were well known to be sympathetic to people of color.

I recently stumbled across a series of articles that ran in the Noblesville Daily Ledger in 1937 which deal with the history of some of Hamilton County's Quaker meetings.

The articles describe the meetings as parts of a "rainbow of peace." That reference becomes understandable when you look at a map. The communities form a sideways arc running through the county's north, west and south townships.

The northernmost of these, the Sugar Ridge Meeting, first assembled at Aroma in White River Township in 1837. It was discontinued ("laid down" in

Quaker terminology) around 1880 and the congregation merged with the local Methodist church.

Jackson Township had two Friends meetings — Hinkle Creek, at 216th Street and Hinkle Road, and West Grove on 226th Street, between Flippins Road and Anthony Road.

The Hinkle Creek Friends Church, which is still going strong, was organized in 1836 by settlers in the Deming/Bakers Corner area who moved here from North Carolina and Virginia because of their opposition to slavery.

(It was Friends from this area who came to the aid of the Rhodes family when they were tracked down by slave hunters in 1844.)

The West Grove Meeting, due west of Deming, was established in 1855. The old West Grove meetinghouse and township school no longer exist, but the cemetery is still in

## Police Officers Receive Top Honors For Drug Recognition Work ICJI DRE Awards

The Indiana Criminal Justice Institute (ICJI) recently honored a select group of police officers for their efforts in reducing impaired driving and making Indiana roads safer. The officers recognized, 23 in total, are part of the state's Drug Recognition Expert (DRE) program.

DREs receive specialized training to recognize impairment in drivers under the influence of drugs. Because of their training, they are often called upon by law enforcement to assist with traffic stops with the goal of keeping impaired drivers off the road.

The DREs were recognized during the Indiana Traffic Safety Confer-

ence, celebrating the officers after the eighth annual awards ceremony that took place in March. The awards ceremony was hosted by the Indiana Farmers Coliseum at the Indiana State Fairgrounds.

During the March event, the following awards were presented: (20) Longevity Awards, (2) DRE Performance

Awards, the Officer David Moore DRE of the Year Award and the Lt. Gary Dudley DRE Instructor of the Year Award.

Officer Andrew Reiss of The Noblesville Police Department received the Longevity Award and has served his beloved community for 25 years! Officer Reiss has served

the most years out of the rest of the recipients.

"It is an honor to acknowledge the crucial role that these officers play in ensuring the safety of our roads and communities," stated Devon McDonald, Executive Director of ICJI. "Their top priority is to prevent drug-impaired drivers from endangering lives on

the road."

"The officers involved in the DRE program do not seek recognition for their efforts," explained Marshall Depew, Indiana DRE Program Coordinator. "Their goal is to equip themselves and their colleagues with the necessary skills to keep all road users safe from harm."

Notice is hereby given pursuant to Indiana Code § 6-1.1-20-3.5 that the Board of School Trustees (the "Board") of Noblesville Schools (the "School Corporation") did, on April 13, 2023, make a preliminary determination to issue bonds and enter into a lease agreement (the "Lease") for the renovation of and construction of improvements to Noblesville High School and improvements to school facilities throughout the district, including site improvements and the purchase of real estate, equipment and technology (the "Project").

The School Corporation's current total (exempt and non-exempt) debt service levy is \$26,477,923 and the current rate is \$0.5542. After the School Corporation enters into the proposed Lease and the bonds are issued, the debt service levy will increase by a maximum of \$10,000,000 and the debt service rate will increase by a maximum of \$0.2173. However, as existing obligations mature, the anticipated increase to the Debt Service Fund tax rate is expected to be \$0.00.

The estimated amount of the School Corporation's debt service levy and rate that will result during the following 10 years if the School Corporation enters into the lease and issues the bonds, after considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period:

Table with 4 columns: Year, Estimated Total Debt Service Levy, Estimated Total Debt Service Rate. Rows for years 2023 through 2033.

The Project involves the opening of new school facility space; however, the new school facility space is expected to be very efficient; therefore, the School Corporation does not expect to annually incur a significant increase in cost to operate such new facility space. The purpose of the Lease is to provide for the Project.

If a valid petition pursuant to Indiana Code § 6-1.1-20-3.5 is received within 30 days from the first publication of this notice, the proposed debt service or Lease payments must be approved in an election on a local public question held under Indiana Code § 6-1.1-20-3.6.

As long as Cede & Co. is the registered owner of the 2023 Bonds as nominee of DTC, payments of principal and interest will be made directly to such registered owner, which will in turn, remit such payments to the DTC Participants for subsequent disbursement to the Beneficial Owners. The Corporation reserves the right to adjust principal amounts within maturities to achieve the financial objectives of the School Corporation with respect to its current and future debt service levies based upon the rates bid by the successful bidder, the School Corporation's current debt service levy and the School Corporation's anticipated debt service levy during the term of the 2023 Bonds. In addition, the Corporation reserves the right to decrease the entire principal amount of the 2023 Bonds issued based on the actual interest rates bid by the successful bidder based on the annual lease payments to be paid by the School Corporation under the Lease (as defined in the Indenture). If the maximum principal amount of the 2023 Bonds issued decreases, the Corporation reserves the right to adjust principal amounts within maturities based on the parameters set forth in this paragraph.

All payments of interest on the 2023 Bonds will be paid by check or draft mailed one business day prior to each interest payment date, to the registered owners of the 2023 Bonds as of the first (1st) day of the month in which such interest is payable at the address as it appears on the registration books kept by the Trustee as of the first (1st) day of the month of the interest payment date or at such other address as is provided to the Trustee in writing by such registered owner. Principal on the 2023 Bonds will be payable at the designated corporate trust office of the Trustee. Notwithstanding the foregoing, so long as DTC or its nominee is the registered owner of the 2023 Bonds, principal of and interest on the 2023 Bonds will be paid directly by the Trustee to DTC as provided hereinabove.

The 2023 Bonds may be transferred or exchanged at the office of the Trustee, subject to the terms and conditions of the Indenture.  
**REDEMPTION PROVISIONS.** Unless otherwise noted in the twenty-four (24) hour notice of sale received by all interested bidders prior to the sale date of the 2023 Bonds, the 2023 Bonds are not subject to optional redemption prior to maturity. Upon the election of the successful bidder, any of the 2023 Bonds may be issued as term bonds subject to mandatory sinking fund redemption on January 15 and July 15 of the year set forth above at 100% of the face value in accordance with the schedule set forth above. If any 2023 Bonds are subject to mandatory sinking fund redemption, the Trustee shall credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory sinking fund redemption obligation, in the order determined by the Corporation, any term bonds maturing on the same date which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Trustee for cancellation or purchased for cancellation by the Trustee and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Trustee shall credit such term bonds only to the extent received on or before forty-five days preceding the applicable mandatory redemption date.

Notice of any mandatory sinking fund redemption will be mailed by first class mail by the Trustee not less than 30 days prior to the date selected for redemption to the registered owners of all 2023 Bonds to be redeemed at the address shown on the registration books of the Trustee; provided, however, that failure to give such notice by mailing or a defect in the notice or the mailing as to the 2023 Bonds will not affect the validity of any proceedings for redemption as to any other 2023 Bonds for which notice is adequately given. Notice having been mailed, the 2023 Bonds designated for redemption will, on the date specified in such notice, become due and payable at the then applicable redemption price. On presentation and surrender of such 2023 Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, such 2023 Bonds will be redeemed by the Trustee and any paying agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of the 2023 Bonds upon presentation, interest on the 2023 Bonds designated for redemption will cease.

**INTEREST RATES.** Each bid must be for all of the 2023 Bonds and must state the rate or rates of interest therefor, not exceeding the maximum per annum interest rate hereinbefore specified. Such interest rate or rates must be in multiples of one-eighth (1/8) or one-one hundredth (1/100) of one percent (1.00%). Bids specifying more than one interest rate must also specify the amount and maturities of the 2023 Bonds bearing each rate. All 2023 Bonds maturing on the same date shall bear the same rate of interest. Although not a term of sale, it is requested that each bid show the total dollar cost to final maturity and the true interest cost on the entire issue to which such bid relates.

**BIDDING DETAILS.** Any person interested in submitting a bid for the 2023 Bonds must furnish written notice of such intent along with such person's name, address and telephone number, on or before 11:00 a.m. (applicable Eastern Time), May 23, 2023, to the Municipal Advisor at the e-mail address set forth above. The person may also furnish a telex or e-mail address. Notwithstanding the foregoing, any person or entity registered in PARITY® will be automatically deemed to have complied with the foregoing requirements for so long as such person or entity is registered in PARITY®. In addition to sending the notice on PARITY®, the Corporation will cause each person so registered to be notified of the date and time bids will be received for the 2023 Bonds not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telex and electronically if a telex or e-mail address has been furnished. No conditional bid or bids for less than ninety-nine and one half percent (99.50%) of the par value of the 2023 Bonds will be considered. The Corporation reserves the right to reject any and all bids and to waive any informality in any bid. If no acceptable bid is received on the date fixed for sale of the 2023 Bonds, the sale may be continued from day to day thereafter without further advertisement for a period not to exceed thirty (30) days, but if so continued, no bid will be accepted which offers a net interest cost which is equal to or higher than the best bid received at the time fixed for the sale.

A bidder may purchase bond insurance to guarantee the repayment of the debt service of the 2023 Bonds from a bond insurance company; provided, however, the payment of any premium for any such bond insurance will be paid by the successful bidder from its discount bid, and will not be paid by the Corporation.

Bids for the 2023 Bonds not submitted via PARITY® must be (i) on the form approved by the Corporation, without additions, alterations or erasures, which form may be obtained from the Municipal Advisor at the e-mail address set forth herein; and (ii) delivered to the Municipal Advisor on behalf of the Corporation at the e-mail address set forth above.

While it is not a requirement for the successful bidder, the Corporation encourages the successful bidder to make a good faith effort to offer the 2023 Bonds to be purchased by residents of the School Corporation.  
**POTENTIAL BIDDER QUESTIONS.** If a potential bidder has questions related to the Corporation, the School Corporation, the financing or the submission of bids, questions should be submitted by electronic mail to the Municipal Advisor at the addresses set forth in this notice no later than 11:00 a.m. (applicable Eastern Time) on May 22, 2023. Any question submitted after such date and time or not submitted via electronic mail to the Municipal Advisor at the addresses set forth in this notice will not receive any response. To the best of the Corporation's ability, all questions submitted on or before such date and time and submitted via electronic mail to the Municipal Advisor at the addresses set forth in this notice will be addressed by the Corporation and sent to all potential bidders, including all bidders requesting the 24 hours' notice of sale, no later than 5:00 p.m. (applicable Eastern Time) on May 22, 2023. Additionally, upon request, the written responses of the Corporation will be sent via electronic mail to any other interested person or entity requesting such written responses. Potential bidders should review the information in this notice as well as the Preliminary Official Statement (as hereinafter defined) for information regarding the Corporation, the School Corporation, the financing and the submission of bids prior to submitting any questions.

**INTERNET BIDS.** If using PARITY®, bidders must first visit the PARITY® web site where, if they have never registered with PARITY®, they can register and then request admission to bid on the 2023 Bonds. Only NASD registered broker dealers and dealer banks with DTC clearing arrangements will be eligible to bid. Any questions pertaining to the PARITY® web site may be directed to PARITY® at (212) 849-5021.

**RULES OF ELECTRONIC BIDDING.** The "Rules" of PARITY® can be viewed on its website and are incorporated herein by reference. Bidders must comply with the PARITY® in addition to requirements of this Official Notice of Intent to Sell Bonds. To the extent there is a conflict between the Rules of PARITY® and this Official Notice of Intent to Sell Bonds, this Official Notice of Intent to Sell Bonds shall control.

**CLOSED AUCTION.** Bidders may change and submit bids as many times as they wish during the sale period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will any bidder see the status of its bid relative to other bids (e.g. whether its bid is a leading bid).

**AMENDMENTS.** The Corporation reserves the right to amend any information contained in this Official Notice of Intent to Sell Bonds. The Corporation also reserves the right to postpone, from time to time, the date established for the receipt of bids on the 2023 Bonds. Any such amendment or postponement will be announced on the Amendments Page accessible through the View Amendments button of PARITY®, or via TM3 and/or Bloomberg wire service, at any time prior to the date and time established for the auction. If any date fixed for the sale is postponed, any alternative sale date will be announced at least 24 hours prior to such alternative sale date.

**BASIS FOR AWARD.** The sale of the 2023 Bonds will be awarded to the bidder making a bid that conforms to the specifications herein and which produces the lowest True Interest Cost rate to the Corporation for the 2023 Bonds. The True Interest Cost rate is that rate which, when used to compute the total present value as of the date of delivery of the 2023 Bonds of all debt service payments on the 2023 Bonds on the basis of semiannual compounding, produces an amount equal to the sum of the par value of the 2023 Bonds minus any premium bid plus any discount. In the event of a bidder's error in interest cost rate calculations, the interest rates and premium, if any, set forth or incorporated by reference in the Official Bid Form will be considered as the intended bid.

In the event that the Corporation fails to receive a bid on the 2023 Bonds from at least three Underwriters (as hereinafter defined), the Corporation shall so advise the successful bidder for the 2023 Bonds (such successful bidder, the "Purchaser"). If the Purchaser is an Underwriter intending to resell all or any portion of the 2023 Bonds to the Public (as hereinafter defined), the Purchaser must, prior to acceptance of its bid by the Corporation, either (i) agree in writing to neither offer nor sell any of the 2023 Bonds to any person at a price that is higher than the initial offering price for each maturity of the 2023 Bonds during the Holding Period (as hereinafter defined) for any maturity of the 2023 Bonds or (ii) request in writing that the Corporation treat the first price to which 10% of a maturity of the 2023 Bonds (the 10% test) is sold to the Public as the issue price of that maturity, applied on a maturity-by-maturity basis. For purposes of this Notice of Intent to Sell Bonds, (a) the term "Public" shall mean any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter, (b) the term "related party" means any two or more persons who have greater than 50 percent common ownership, directly or indirectly, (c) the term "Underwriter" means (i) any person that agrees pursuant to a written contract with the Corporation (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the 2023 Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the 2023 Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the 2023 Bonds to the Public), (d) the term "Underwriters" means more than one Underwriter, and (e) the term "Holding Period" means the period starting on the date the Corporation awards the 2023 Bonds to the Purchaser (the "Sale Date") and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of each maturity of the 2023 Bonds to the Public at prices that are no higher than the initial offering price for such maturity of the 2023 Bonds. Any underwriter executing and delivering an Official Bid Form with respect to the 2023 Bonds agrees thereby that if its bid is accepted by the Corporation (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all participating underwriters of the 2023 Bonds for purposes of assuring the receipt of each such participating underwriter of the Official Statement. The Purchaser shall be responsible for providing (i) in writing the initial offering prices and other terms, if any, to the Municipal Advisor as and at the time requested and (ii) a certification verifying information as to the bona fide initial offering prices of the 2023 Bonds to the Public and sales of the 2023 Bonds appropriate for determination of the issue price of, and the yield on, the 2023 Bonds under Internal Revenue Code of 1986, as amended, as and at the time requested by the Corporation's bond counsel.

**GOOD FAITH DEPOSIT.** The Purchaser must provide to the Corporation, or its designee, a wire transfer in Federal Reserve or other immediately available funds made payable to the Corporation in the amount of one percent (1.00%) of the aggregate principal amount of the 2023 Bonds to be sold to the Purchaser (the amount of such wire transfer being referred to hereinafter as the "Deposit") within twenty-four (24) hours after being notified of being the Purchaser. If the Deposit is not received by the time set forth above, then the bid of the Purchaser shall be rejected. The Deposit will be applied to the purchase price of the 2023 Bonds awarded to the Purchaser.

In the event the Purchaser shall fail or refuse to comply with the provisions of the bid and this notice, such Deposit shall become the property of the Corporation and the School Corporation and shall be taken and considered as liquidated damages of the Corporation and the School Corporation on account of such failure or refusal.

The Purchaser will be required to make payment for the 2023 Bonds in Federal Reserve or other immediately available funds and accept delivery of the 2023 Bonds within five (5) days after being notified that the 2023 Bonds are ready for delivery, at a bank designated by the Corporation. Any premium bid must be paid in cash at the time of delivery as a part of the purchase price of the 2023 Bonds. The 2023 Bonds will be ready for delivery within sixty (60) days after the date on which the award is made, if not deliverable within that period, the Purchaser will be entitled to rescind the sale and the Deposit will be returned. Any notice of rescission must be in writing.

It is anticipated that CUSIP identification numbers will be printed on the 2023 Bonds, but neither the failure to print such numbers on any of the 2023 Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the 2023 Bonds in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any 2023 Bond or the contract evidenced thereby and no liability shall hereafter attach to the Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing or typing of CUSIP numbers on the 2023 Bonds shall be paid by the Corporation; provided, however, it shall be responsibility of the Purchaser to timely obtain the numbers and to pay the CUSIP Service Bureau charge for the assignment of the numbers. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the 2023 Bonds.

**AUTHORITY AND PURPOSE.** The 2023 Bonds are being issued under the provisions of the Indiana Code to provide the Corporation with funds sufficient to pay the School Corporation for the Mortgage Property (as defined in the Indenture). The School Corporation will use the money it receives from the Corporation to pay all or a portion of the costs of the Project as defined and described in the Indenture, as more fully described in the Preliminary Official Statement, together with the expenses necessarily incurred in connection therewith, including the expenses incurred in connection with the issuance of the 2023 Bonds.

The principal of and interest on the 2023 Bonds are payable solely from the mortgage property described under the Indenture and as described in more detail in the Preliminary Official Statement. The 2023 Bonds are not an obligation or indebtedness of the School Corporation.

**BOND DELIVERY.** At the time of delivery of the 2023 Bonds, the approving opinion of Barnes & Thornburg LLP, Indianapolis, Indiana, Bond Counsel, as to the validity of the 2023 Bonds, together with a transcript of the proceedings for the 2023 Bonds, the printed 2023 Bonds and closing certificates in the customary form showing no litigation, will be furnished to the Purchaser for the 2023 Bonds at the expense of the Corporation. In addition, unless bond counsel is able, on the date of delivery, to render an opinion to the effect that (1) under existing laws, regulations, judicial decisions and rulings, interest on the 2023 Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended, for federal income tax purposes, and (2) the interest on the particular series of 2023 Bonds is exempt from income taxation in the state of Indiana for all purposes except the state financial institutions tax, the Purchaser for the 2023 Bonds shall have the right to rescind the sale, and in such event the good faith deposit will be returned.

**PRELIMINARY OFFICIAL STATEMENT.** A copy of the Preliminary Official Statement prepared at the direction of the Corporation in connection with the 2023 Bonds (the "Preliminary Official Statement") may be obtained from [www.newissuehome.i-deal.com](http://www.newissuehome.i-deal.com) or in limited quantities prior to submission of a bid by request from the Municipal Advisor at the e-mail address set forth above. The Preliminary Official Statement will be in a form deemed final by the Corporation, pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), subject to completion as permitted by the Rule.

The Preliminary Official Statement when further supplemented by an addendum or addenda specifying the interest rates of the 2023 Bonds, and any other information referred to in paragraph (b)(1) of the Rule, shall constitute a "Final Official Statement" of the Corporation with respect to the 2023 Bonds, as that term is defined in the Rule. By awarding the 2023 Bonds to the Purchaser that is acting as an underwriter with respect to the 2023 Bonds, the Corporation agrees that, no more than seven (7) business days after the date of such award, it shall provide to such underwriter, if it is the sole Purchaser, or the senior managing underwriter of the syndicate to which the 2023 Bonds are awarded up to ten (10) copies of the Official Statement at the Corporation's expense, any additional copies to be at the expense of the underwriter or the underwriting syndicate. The Corporation designates the senior managing underwriter of the syndicate to which the 2023 Bonds are awarded as its agent for purposes of distributing copies of the Final Official Statement to each participating underwriter. **BETSY** From Page A1

Pastor Dave Mullins told the story of how Rick booked the honeymoon trip before having the wedding planned. He went on to share about the couple's devotion to the community. "When you look at the life of Rick and Beth, you see how important community was, in so many ways." Mullins said community was evident from the great number of people who attended the four hours of visitation last Wednesday night as well as the hundreds of people who filled the sanctuary at Thursday morning's joint Celebration of Life.

"Wow, what a turnout of people. I didn't realize my dad had that many friends," joked Andy Sherley of Sheridan, Rick Beaver's first child. "He was quite something. I could sit up here and tell stories all day long and all night. Everybody here could tell stories," said Sherley, although he wasn't close to his dad until the past five to 10 years, the past year being the best. "He really got to know me, who I was, everything about me," Sherley said. He referred to Beth as "a great lady." He said, "I don't know that I've ever seen an angel, but she ranked up there as close to one as could be. She had a lot of friends and touched a lot of lives."

Sherley was among Rick and Beth's seven children and stepchildren who came together to share remembrances of their parents, who were married on April 28, 2006. Rick and Beth Beaver would have celebrated their 17th wedding anniversary this Friday.

"We were each touched by their presence, and we're all better because of that," said Robbie Horine of Fishers, Beth's first child.

He admitted he spent a lot of time at his mom's gym, but he was never a cheerleader, a question he had been asked many times. He called his mom "his biggest fan," who attended all of his hockey games and who danced with him at his wedding to Backstreet Boys' "The Perfect Fan."

Horine described Rick, or "Rico Suave," as he called his stepdad, an optimist who "always believed that things would work out the way they should." And he admitted that Rick "could see through some of the B.S. that we've all thrown his way over the years," including Horine's story about how his car spun

out and sideswiped a tree. Rick hired Horine more than a year ago in construction and they got to hang out together more.

Rick "loved a good Old Fashioned (cocktail) and was always on a never-ending quest to find the best in Hamilton County," he said.

Mitchell Beaver of Cicero told a story about how his dad, who "could ride a wheelie from here to Kokomo," thought his son was old enough to get his own dirt bike, at age 4. Rick taught him how to be confident and "never give up." And what his dad said still echoes in his head: "Mitchell, you can never give up on anything. You are more than capable of doing anything in this world. And if you give up before you finish, you'll never know what you're missing out on."

He then talked about his stepmother, Beth, who was "like a second mother." He said, "Boy, howdy, did she have perseverance. She had to, to be married to a guy like my dad. Only a former high school teacher could wrangle the wild horse of a man that my dad was. Through God's grace and perseverance, she tamed him...."

He said his dad and stepmom "did everything together. They didn't make any decisions on their own."

Annie Jackson of Greenwood said her mom and stepdad, "bonus dad," were "two of the most influential people of my life." She said, "My mother is my first memory, my first hug, my first phone call in the morning, my first teacher and my first friend. And Rick is the man who loved me like his own. They spent a wonderful last couple of years together, and it was a privilege to watch."

She described her mom as "the keeper of hope."

Jackson also said, "When my mom met Rick, it was evident that she had fallen for him" and went on to say "My stepdad really loved my mom."

Alivia Beaver of Noblesville is Rick's youngest daughter. "There are a million things I could say about the lives my parents lived," she said. "And at the same time, there are no words. God works in mysterious ways. The moment I learned that my parents had died, everything fell away. My fragile understanding was instantly broken as everything was changed in an instant ..." But she said her parents "chose

to be followers of Jesus Christ." For most of her life, she and her dad were separated but he would drive to see her, and his love carried her through her childhood chaos. Her dad always had words of wisdom. "I'm not sure how I will move through this life without him...."

Katherine Sarno of Indianapolis, Beth's youngest daughter, read a "love letter" to the two of them. "You touched and brought so much peace unto others ... It was time to have peace and eternity. What I would do to hear you pick up the phone late in the night just to hear your soft voice ...."

Christian Beaver of West Lafayette said his dad always loved to play Monopoly, which would be "long and torturous" when his dad played the game with the family.

"Whether in card games, board games, on the race-track or in business, my dad was always one step ahead. He was always thinking of the future, and somehow, he always had the means, the leverage and the power to get there. I believe this was the will of God. It could be frustrating at times, feeling like he was always calling all the shots and there was little that could be done to change that ... he plowed a difficult road over the 60 years of his life, the difficulties often being of his own making. But somehow in spite of choices and circumstances, some good, some bad, he was a success, in every meaning of the word. Questionable financial decisions, yet he prospered. Careers taking hard turns, but he was a captain of industry. Hard-to-explain family choices, but he was loved ... yet he was a righteous man of God."

Christian Beaver went on to perform a beautiful musical tribute, playing the grand piano and singing Casting Crowns' "Voice of Truth," a song that he was hoping to sing for his parents at their anniversary.

Jamie Troyer ended the Celebration of Life by singing "Amazing Grace (My Chains are Gone)."

Rest in peace Rick and Beth Beaver. Services were handled by Randall & Roberts Funeral Home. Watch the Beavers' Celebration of Life at <https://youtube.com/live/67fcyurH084>

of their own. Each kid makes a box car for the Kindy 500. There is a parade so all the students and staff can see the creations, and then they hit the bricks for a tournament-style set of races to crown one winner. This event is something kids look forward to for years and have a lot of fun participating in.

- **Friday, May 24 - Senior Celebration Day:** This is an annual tradition where Westfield elementary schools invite the graduating seniors who once went to their schools to come back and share memories and experiences with their former teachers, classmates, and staff. Each school's event looks different, but they are all full of nostalgia.

- **50 years in Westfield schools - Marcie Durbin** is currently a literacy teacher at Oak Trace Elementary, but she has held many different instructional positions during her 50 years in Westfield schools. She is scheduled to retire at the end of this year, but she has not yet submitted her paperwork and is still mulling coming back for another year because she loves it so much.

- **Two-time innovation champion - Westfield High School's Liam Lloyd** is headed back to Innovate WithIN, the state's biggest pitch contest for high school entrepreneurs. Last week, Liam won the regional competition for the second year in a row after winning the innovation competition hosted by Westfield's Chamber of Commerce for the second year in a row. His company, Red Applications, is a suite of school-focused apps designed to improve student achievement that is already being shopped to school districts and has been adopted by Westfield High School. The idea for these companies was sparked by Lloyd's experience moving to Westfield from Mexico and speaking little English. He turned his situation into a successful business with a thriving business model and is already preparing for his second appearance in the state competition. Lloyd hopes to improve on his second-place showing last year.

active use. Adams Township was home to the Spicewood Meeting, established in 1866; the Union Grove Meeting, organized in 1868; and the Sheridan Friends Church which dates from 1886.

Spicewood was located at 236th Street and Six Points Road. The meetinghouse and the school attached to it, Spicewood Academy, are gone now, but Spicewood Cemetery, a short distance to the east, remains.

After Spicewood was laid down in 1910, its members began attending the Sheridan Friends Church.

A cemetery is also all that's left of the Union Grove Meeting, located at Lamong Road and 216th Street. It closed in 1896, and its congregation joined the Lamong Friends Church.

The East Branch Meeting, organized in 1852, was in Noblesville Township — barely. It was situated at 146th Street

and Gray Road, where Noblesville, Washington and Delaware Townships met. (Since 1954 that part of Delaware Township has been Clay Township.)

This meeting is still active, but is now known as Gray Friends Church. (East Branch became "Gray" when it acquired a post office.)

Providence, located at 211th Street and Mill Creek Road, was also in Noblesville Township. It was organized as a meeting in 1875 because bad roads and the lack of a bridge across Hinkle Creek made travel to the Hinkle Creek meetinghouse difficult for some members.

Providence's last meeting was in 1959. No trace of it remains.

The Noblesville Friends Church, organized in 1890, is still active.

More next week!
