What makes Bonnie Dolick smile? "Anything funny," said the 53-year-old Fishers resident. She was found volunteering at the Taylored Systems booth at the Noblesville Chamber of Commerce's Noblesville Taste of Business-Made in Noblesville event on May 10 at the Embassy Suites Hotel by Hilton. She was born in Reynolds, Ind., near Indiana Beach, where she worked during high school at North White High School in Monon, Ind. and college during summers while attending Indiana State University in Terre Haute, where she earned a business management degree. "When I graduated there, everyone was coming to Indy, so I wanted to come to Indy, too." She moved here with her sister, who said she had to get a job within 30 days to pay the first month of rent. She looked through the newspaper to find a job. Taylored Systems' owner Bill Taylor was looking for a receptionist and hired her to come to work in 1993. "I knew how to answer the phones, so that was my first position at Taylored Systems," she said. "Thank you for calling Taylored Systems" was her phone greeting. Today, she's on her company's management team as a sales engineer and loves working there. She likes the respect, integrity and the core values that founder Bill Taylor established operating the company, which he has since sold. But she said, he still owns the building, his daughter manages it, and he comes in often to visit. When she's not working, she enjoys sports-related activities. She's a big Purdue fan and holds Purdue basketball and football season tickets and is a big race fan who attends the Indianapolis 500, Carb Day, race practice and the 500 Parade. She's also involved in her college sorority alumni group, Alpha Chi Omega, and was readying to play host to sorority sisters from this area for their monthly Euchre party.

And Another Thing...
1. DNR seeks State Fair Fishin' Pond volunteers

The DNR needs volunteers to help at the Kids Fishin' Pond at the Indiana State Fair, which runs July 28 to Aug. 20 in Indianapolis. Without such help, this popular, immersive fishing experience that is free upon entrance to the fair wouldn't be possible. Fishin' Pond volunteers handle various duties, including registering participants, baiting hooks, removing fish from the hook, preparing fishing equipment for use, and guiding families around the pond. To help make the annual Kids Fishin' Pond a success once again, consider registering to volunteer for one or more shifts at bit.ly/FishinPondVolunteer. Volunteers receive a free parking pass, State Fair entry for the days worked, and a DNR Fishin' Pond volunteer T-shirt.

Forest Park Aquatic Center guests asked for more seating around the pools, and they got it. They asked for private rentable shaded seating, and they got it.

They asked for an adult seating area, and they got it. What else is new? New choices at the conces-

sion stand. Smoothies and freshly made popcorn will be offered. Paradise Ice will replace Kona Ice, with a free-standing concession hut being built near the diving pool. Other new foods were being taste-tested on Monday, the first staff day, "and we'll go with what the majority rules," said Kim Bowling, full-time manager of the Forest Park pool, which will open this Saturday for the three-day Memorial Day weekend, then reopen daily for the season after the

Carmel resident Sophie Maurer may be only 15 years old, but she's already a passionate free speech advocate. It's not a passing fad for her or even a new interest. She's been involved in free speech efforts since 2019 when she was in the fifth grade. That was the year that author Salman Rushdie came to the

Kurt Vonnegut Museum and Library in Indianapolis where she volunteers. Sophie had already read some of his work and knew of the censorship challenges he had faced that even included attempts on his life. She was so excited about his being in town that she was asked by the museum's founder and CEO, Julia Whitehead, if she would like to introduce him during the program that featured him. Sophie was thrilled. "I was so starstruck that I just

Memorial Day, 1963

PAULA DUNN
From Time to Thyme

With the Powers That Be seemingly intent on replacing most of the Noblesville I knew when I was growing up here in the 1960s and '70s, I've been feeling more than a little

nostalgic lately.

As a result, I decided this week to rev up the old time machine and go back to Memorial Day, 1963 — a time when Noblesville was more Mayberry than Metropolis.

Let me set the stage for you . . .

To get ready for holiday cookouts, the A&P was selling 20 pounds of charcoal briquets for 99 cents and ground beef for 49 cents a pound. A pound of Stark & Wetzel (remember them?) wieners also went for 49 cents at Chew's Regal Market on the courthouse square.

If you needed a way to cook that meat, a 24" steel bowl grill could be had from Murphy's dime store for \$9.99.

Western Auto advertised coolers (\$1.98,) insulated picnic bags (\$1.59) and picnic jugs (\$1.98-\$6.95,) while Hook's drug store ads featured items

Nickel Plate Arts Celebrating HATCH Fest Event, Formerly Known As Maker Faire

HATCH Fest, the event formerly known as Maker Faire, will be held on Saturday, June 17 from 11:00 a.m. to 5:00 p.m., including the time-honored St. Michael's Strawberry Festival, the Noblesville Cultural Arts District Juneteenth Celebration, and SERVE Noblesville's FUN Fest.

HATCH—which stands for Hamilton County Arts, Technology, Craft, and Heritage—is a multi-faceted festival celebrating all that makes Hamilton County such a wonderful place!

Artisans, Makers and Craftspeople from Noblesville and surrounding areas will have amazing, one-of-a-kind creations to sell and area cultural groups, nonprofits, and businesses will be on display around the Courthouse Square with activities, demonstrations, performances and more.

This summer festival is growing and changing in response to one key fact we discovered as we embraced and celebrated makers over the years: Making is about a lot more than arts &

Wrapping Up Reader's Choice

Readers' Choice is wrapped up for another year, and once again, The Times' annual promotion to recognize your favorites in a multitude of categories was a huge success.

Back when our company was founded, the staff at The Times brought Hamilton County this fun and good-natured promotion that features local businesses, people, products and more and gives you, our readers, the opportunity to vote for your favorites. We often joke that this is like Chicago politics and encourage you to vote early and vote often.

You see, this has never been about the rigidity of the process. Instead, it is designed to be an absolutely fun and very positive way for our readers to cast a good light on their favorites. And oh, how you have responded!

We annually see ballots that number in the hundreds of thousands — so many in fact that we had to find a way to automatic the counting process.

This year, rather than unveil

HHHS May Coffee Bean Award Recipients Named

Hamilton Heights High School would like to recognize the following students who were named as Coffee Bean Award recipients for the month of May. They include Bryce Cargino, Madison Edens, Chloe Ford, Olivia Goldfarb, Ethan Hodson, Daryn Lee, Luke Lively, Aidan Orton, Alex Patterson, and Macie Smith.

"This month we had a special focus for our Student Coffee Bean Award," explained Lori Watson, Freshman Counselor. "Teachers nominated students who

made a positive turnaround this semester or showed perseverance in their classroom. It's been a great semester honoring our students and we look forward to the Student Coffee Bean Awards for the 23-24 School Year!"

The name and award, inspired by The Coffee Bean, a book written by Jon Gordon and Damon West, delivers a simple, yet powerful message on positive change. All students nominated receive a certificate of recognition. At the end of the month, the names of the students

who were nominated during the month are included in a drawing where the first five- to-seven names drawn are called down to the office to enjoy a hot chocolate or coffee and a donut. The monthly award objective is to encourage more acts of kindness, positivity, school spirit, and help foster a closer sense of community at the high school. Students and staff can nominate students. Nomination forms can be downloaded at <https://www.hhschuskiies.org/domain/82>.

Barbara Scott Awarded Sagamore Of The Wabash

Aspire Indiana Health President & Executive Officer Barbara Scott has been named a 2023 recipient of the Sagamore of the Wabash, one of Indiana's highest awards bestowed by the governor. It recognizes her 36 years as a public health advocate on behalf of underserved and at-risk Hoosiers.

The Sagamore was presented to Scott by Lt. Gov. Suzanne Crouch at the recent conference

of the Indiana Council for Community Mental Health Centers. Scott is retiring this summer after spending her entire healthcare career at Aspire.

"I am so humbled and grateful to receive the Sagamore of the Wabash. Like my peers at Aspire and other mental health advocates, we do not enter this field seeking accolades," Scott said. "But the recognition from my

friends and colleagues has truly touched my heart." Every Indiana governor has bestowed the Sagamore since Ralph Gates in the 1940s. It is a personal tribute given to those who have rendered a distinguished service to the state. The term "sagamore" comes from Native American tribes who used it to describe a wise person the leader of the tribe looked to for wisdom and advice.

Fishers Launches Letter Writing Campaign For Community Time Capsule

The City of Fishers invites the community to share the story of Fishers with future residents through a letter writing campaign, kicking off today and running through Friday, June 30. Letters will be placed inside a time capsule in the new Arts & Municipal Complex at 1 Municipal Drive, set to open next year. Fishers has partnered with Towne Post on the creation and curation of the time capsule, which will be placed inside the keystone of the new building and set to

opened in 2073. Letters can be delivered in person to the blue mailbox in the breezeway of the Fishers City Services Building (3 Municipal Drive) and lobby for Hamilton East Public Library- Fishers (5 Municipal Drive). No envelope is required if dropped directly into the blue mailbox. Letters can also be addressed to "Fishers Time Capsule" and mailed to 3 Municipal Drive, Fishers, Indiana 46038 by Friday, June 30. Letters should be no more than one

page. Residents can also swing by the Fishers Parks booth at the Fishers Farmers Market on June 10 and 17 to write and deliver their letters. The City has also created a Mad Lib style letter for kids that is available for download on ThisIsFishers.com/Fishers150. The campaign will help to wrap up the City's year-long Sesquicentennial celebration, which launched last June and honors 150 years of Fishers history.

CCHA Law's Leslie Craig Henderzahs Honored With Indiana Lawyer's Distinguished Barrister Award

Church Church Hittle + Antrim is proud to congratulate Leslie Craig Henderzahs for being selected as a Distinguished Barrister in the 2023 class of Indiana Lawyer's Leadership in Law Awards. Leslie is a partner in the firm since 1992 and serves in the litigation, mediation, and family law sections.

The Indiana Lawyer honors outstanding members of the legal community who have demonstrated dedication to their profession, as well as their clients and communities. The prestigious Distinguished Barrister Award is presented to candidates who have a long record of service, have an exemplary standing, and have made exceptional contributions to the Indianapolis legal community. Recipients were recognized at a Leadership in Law Awards reception on May 18th -- read more about Leslie's contributions to the profession and esteemed work in the field here.

"I am privileged to serve many organizations and communities who serve others," said Leslie. "Thank you to the Indiana Lawyer for recognizing this talented and remarkable group of leaders! I am truly honored to be included."

Leslie's professional career includes many impactful achievements. From serving as the first female partner at CCHA Law, to being recognized with honors such as a Woman of Influence by the Indianapolis Business Journal, Top Attorneys in Indiana by Indianapolis Monthly, Lawyer of the Year in Indiana by Best Lawyers, Champions of Diversity, Top Attorney in the Midwest, one of America's Most Honored Lawyers, and as an Indiana Super Lawyer from 2011, Leslie is committed to using her expertise as a skilled civil litigator and certified family law specialist to serve others.

Committed to the community through extensive engagement, Leslie has served as:

- President of the Indiana State Bar Association
- Indiana Supreme Court Innovation Initiative Family Law Taskforce
- President of the Hamilton County Bar Association
- Indiana Bar Foundation
- Riverview Health Foundation Board Member
- Riverview Women's Foundation Board Member
- Noblesville Chamber of Commerce Board Member
- Noblesville Boys & Girls Club Board Member
- Hamilton County Leadership Academy Class of 1995

"Without a doubt, Leslie's professional credentials speak volumes, but it is what Leslie does quietly, persistently, between all of those roles that sets her apart," said Emily Schmale, colleague at CCHA Law. "We are fortunate to have her as a leader in the legal community of our state, but we are just as lucky to have her as our friend."

Westfield Washington Schools Announces Retirement And Says Goodbye To Seven Employees

Westfield Washington Schools, the fastest-growing school district in Indiana, is proud to announce the retirement of seven esteemed employees who have dedicated their lives to shaping the minds of countless students. With a combined 177 years of experience and a deep passion for education, these retiring educators have left an indelible mark on the Westfield school district and community.

After decades of devoted service, Westfield Washington Schools bids farewell to the following outstanding educators:

- Maureen Hindman: Westfield High School - 17 years
- Rhonda Adams: Westfield High School - 31 years
- Becky Sondgeroth:

- Westfield High School - 19 years
- Paula Smith: Westfield Middle School - 26 years
- Sheryl Culley: Oak Trace Elementary School - 33 years
- Lynda Ranney: Bus Driver - 23 years
- Joe Montalone: Administration - 28 years

"Throughout their time in Westfield, these educators have displayed unwavering dedication, inspiring countless students to reach their full potential and nurturing a love for learning," said Chris Baldwin, assistant superintendent for HR and safety. "Their expertise, guidance and genuine care have made a lasting impact on the lives of their students."

Westfield Washington Schools recognizes the

outstanding careers of these retiring staff members, who have consistently gone above and beyond to ensure that every Rock is life-ready. Their commitment to fostering a safe and positive learning environment, cultivating critical thinking skills, and engendering a love for knowledge has left an indelible mark on the school district and the community as a whole.

Westfield Washington Schools extends its deepest gratitude to these retiring educators and wishes them a fulfilling retirement filled with joy, relaxation, and new adventures. Their legacy will continue to inspire future generations of educators, and their impact on the lives of their students will be cherished for years to come.

ADVERTISEMENT / NOTICE TO BIDDERS
CITY OF CARMEL, INDIANA
106th Street Pump Station Expansion

Sealed Bids for the City of Carmel, Indiana's "106th Street Pump Station Expansion" project, will be received by the City of Carmel, Indiana, ("Owner") at the following address:

Office of the Clerk of the City
Carmel City Hall (third floor) 1 Civic Square Carmel, IN 46032
Bids will be received until **Wednesday June 21, 2023, at 9:45 AM, local time.**

Any Bid received after this time will be returned to the Bidder unopened. The Bids will be publicly opened and read during the Board of Public Works meeting which will start at 10:00 AM June 21, 2023. Bid envelopes should be clearly marked "Bid Enclosed - 106th Street Pump Station Expansion" on the outside of the envelope and as otherwise specified in the "Instructions to Bidders". Please order the Bid such that the "Bid Summary" is the first page when opened.

In general, the work consists of constructing construction of an approximately 15 mgd wastewater pump station, 200 feet of sanitary sewer, modification to an existing pump station, and other related items.

A pre-bid meeting will be held on June 2 at 10:00 AM at the Pump Station site.

Any questions prior to the bid should be directed to the Engineer:
Philip Teague, PE
pteague@jheng.com (preferred)
419-277-6039

Plans, specifications, and addenda will primarily be distributed electronically through the Eastern Engineering Plan Room. Copies of the Bidding Documents may be examined without charge by contacting the Engineer.

Bids must be submitted on the forms found in the Bid package and must contain the names of every person or company interested therein, and shall be accompanied by:

(1) Revised Form No. 96 as prescribed by the Indiana Board of Account and as required in the Instruction to Bidders, including a financial statement, a statement of experience, a proposed plan or plans for performing the Work and the equipment the Bidder has available for the performance of the Work.

(2) Bid Bond in the amount of ten percent (10%) of the total Bid amount, including alternates with a satisfactory corporate surety or by a certified check on a solvent bank in the amount of ten percent (10%) of the amount of the Bid. The Bid Bond or certified check shall be evidence of good faith that the successful Bidder will execute within fifteen (15) calendar days from the acceptance of the Bid, the Agreement as included in the Bidding Documents. The Bid Bond or certified check shall be made payable to the Owner.

Any Bid may be withdrawn prior to the scheduled deadline for receipt of Bids, but no bidder shall withdraw his Bid within sixty (60) days after the actual opening of the Bids.

All Bid Bonds and certified checks of unsuccessful bidders will be returned by the Owner upon selection of the successful Bidder and execution of the Agreement, and provision of the required Performance Bond and Payment Bond.

Award will be made to the low, responsive, responsible bidder. The low, responsive, responsible bidder must not be debarred, or suspended.

A Performance Bond with good and sufficient surety, acceptable to the Owner and Engineer, shall be required of the successful Bidder in an amount equal to at least one hundred percent (100%) of the Contract Price, conditioned upon the faithful performance of the Agreement.

The Contractor shall execute a Payment Bond to the Owner, approved by Owner and Engineer and for the benefit of the Owner, in an amount equal to one hundred percent (100%) of the Contract Price. The Payment Bond is binding on the Contractor, their subcontractor, and their successors and assigns for the payment of all indebtedness to a person for labor and services performed, material furnished, or services rendered. The Payment Bond must state that it is for the benefit of the subcontractors, laborers, material suppliers, and those performing services. The surety of the Payment Bond may not be released until one (1) year after the Owner's final settlement with the Contractor.

All out-of-state corporations must have a certificate of authority to do business in the State. Application forms may be obtained by contacting the Secretary of State, State of Indiana, Statehouse, Indianapolis, Indiana 46204.

The successful Contractor will be required to enroll in and verify the work eligibility status of all employees hired after the date of this Contract through the E-Verify program. The Contractor will also be required to sign an affidavit concerning employment of unauthorized aliens. A copy of the affidavit is included in the Bid Documents. The Contractor must conform to the antidiscrimination provisions of Ind. Code §5-16-6 et seq.

The Owner reserves the right to reject and/or cancel any and all Bids, solicitations and/or offers in whole or in part as specified in the solicitation when it is not in the best interests of the governmental body as determined by the purchasing agency in accordance with IC 5-22-18-2. The Owner also reserves the right to waive irregularities in any Bid, and to accept any Bid which is deemed most favorable to the Owner.

NOTICE OF PUBLIC HEARING CONCERNING AN AMENDMENT TO LEASE BETWEEN THE CITY OF FISHERS REDEVELOPMENT AUTHORITY AND THE CITY OF FISHERS REDEVELOPMENT COMMISSION

The City of Fishers Redevelopment Commission (the "Commission"), the governing body of the City of Fishers Department of Redevelopment and the City of Fishers Redevelopment District (the "District"), previously entered into a Lease Agreement dated as of June 25, 2021 (the "Original Lease"), between the City of Fishers Redevelopment Authority (the "Authority"), as lessor, and the Commission, as lessee, under which the Commission is leasing from the Authority a portion of certain existing street and road right-of-way all located in the City of Fishers, Indiana (the "Fishers"), as more particularly described and identified in the Original Lease (the "Leased Premises"), which in turn has allowed the Authority to issue one or more series of bond anticipation notes (the "2021 BANs"), payable from the proceeds of Bonds (as defined herein) to be issued by the Authority.

The Authority desires to issue one or more series of bond anticipation notes, all or any portion of which may be taxable or tax exempt for federal income tax purposes to retire the 2021 BANs upon the final maturity of the 2021 BANs (the "2023 BANs"). The 2023 BANs shall be payable from the proceeds of the Bonds (as defined below) to be issued by the Authority.

The 2023 BANs will be issued to provide funds to finance or reimburse (a) the cost of paying when due all principal and interest, including capitalized interest, if any, due and owing on the 2021 BANs upon the final maturity of the 2021 BANs; (b) if necessary, paying capitalized interest on the 2023 BANs; and (c) paying all costs incurred on account of or in connection with the issuance and sale of the 2023 BANs, including the premiums for any credit enhancement or credit facility purchased in connection with the issuance of the BANs.

The Authority has previously authorized the issuance of one or more series of bonds, all or any portion of which may be taxable or tax exempt for federal income tax purposes (the "Bonds"). The Bonds will be issued to provide funds to finance or reimburse the cost of (a) the acquisition of certain property located (i) southwest of the intersection of Cumberland Road and 126th Street in the City, and (ii) southeast of the intersection of Allisonville Road and 116th Street in the City; (b) paying for or providing funds to one or more entities to pay for the costs of certain infrastructure improvements, including but not limited to utilities, road and street construction, rehabilitation and improvement, site preparation work, park improvements and pond fill (clauses (a) and (b), collectively, the "Project"); (b) if necessary, paying capitalized interest on the Bonds; and (c) paying all costs incurred on account of or in connection with the issuance and sale of the Bonds, including the premiums for any credit enhancement or credit facility purchased in connection with the issuance of the Bonds. The Project is located in, or is directly serving or benefiting, one or more economic development areas in the City.

Due to changes in market conditions since the execution of the Original Lease, the Commission desires to approve an amendment to the Original Lease (the "Lease Amendment") and the Original Lease as amended by the Lease Amendment, the "Lease" to adjust the terms of the Original Lease to increase the lease rental payable under the Lease and otherwise reflect terms as will be required for the issuance of the 2023 BANs and the Bonds by the Authority.

Pursuant to IC 36-7-14-25.2, the Commission will hold a public hearing on the proposed Lease Amendment on Thursday June 1, 2023 at 4:00 p.m. (local time) at the City Services Building, Controller's Conference Room, 3 Municipal Drive, Fishers, Indiana. All interested parties will be provided the opportunity to be heard at the hearing. After the public hearing, which may be adjourned from time to time, the Commission may adopt a resolution authorizing the execution of the proposed Lease if it finds that the service to be provided throughout the term of the proposed Lease will serve the public purpose of the City and is in the best interests of its residents and that the lease rental provided for is fair and reasonable. The Commission may modify the proposed Lease after the hearing but may not increase the rent as set out in this notice.

The Commission's lease payments under the proposed Lease will be payable from the local income tax revenues distributed to the City as the certified shares component of additional revenue derived from the expenditure rate tax under IC 6-3.6. The Commission may, but is not required to, pay the lease payments under such lease from any other revenues legally available to the Commission. The proposed Lease will have a term no longer than twenty-five (25) years, commencing on the date of issuance of the Bonds. The maximum annual lease rental to be paid by the Commission under the proposed Lease is \$3,330,000, and the maximum lease rental over the term of the Lease is \$50,000,000. The proposed Lease further provides for terms concerning the use, maintenance, repair, operating and utility costs, indemnification and insurance, destruction of the premises, defaults, remedies, option to purchase and miscellaneous other matters. The proposed Lease is open to public inspection at Office of the Department of Community Development, City of Fishers City Hall, One Municipal Drive, Fishers, Indiana.

Dated this 17th day of May, 2023.

final day of Noblesville Schools classes, which is June 1.

The pool entrance fee was raised from \$6 to \$8, the first time for an increase in about 15 years, said Greg Conner of Noblesville, a volunteer and president of The Friends of Central Pool, an organization that operates Forest Park Aquatic Center and which celebrated its 25th anniversary in summer 2022. He sat on new Adirondack chairs in full view of the pool, alongside Bowling, sharing what's new for Saturday's opening of the 2023 pool season.

This year's movie selection will increase to nine offerings during the 2023 Flicks and Floats summer series, during which the pool stays open later for guests to watch movies poolside. Admission is free to members or \$5 for nonmembers.

An LED video board, that's visible in the daylight, was installed for the 2022 season and allows movies to begin much earlier than in the past.

Pool memberships are still available, as are donor-level tax-deductible memberships.

The Aquatic Center has a new website this year with a new point-of-sale system. Eventually, users will be able to log in and put money onto their account, "so if you want to send your kids to the pool," they can have money put onto the family account to spend for concessions, Conner said.

There will be a record number of camps that will be using Forest Park Aquatic Center and Morse Beach this season. Plus, every pool membership receives free admission to Morse Beach.

The big project over the winter was adding 150 square feet of space (taken from the men's locker room) to increase the size of the concession stand, to allow for more storage and food-preparation space, said Conner, who led a quick tour of the concession stand, which is manned by mostly 14-year-olds.

From the Aquatic Center's annual survey, one of the most common requests is "more seating." Conner said, "It feels like we add more chairs every single year, but it's never enough. So we went pretty much all-in this year."

There are about 75 new chaise lounges plus 85 new Adirondack chairs. Some of these chaise lounges are heavy-duty chairs dedicated for adults only, which was another request.

The splash pad's water features have all been repaired and all are working this season and are quite inviting for the younger kids. "We've got features back there working that we didn't even know existed," Conner said happily.

The kids camps visiting

the pool this year will be stationed in the splash pad area, where all of the wooden picnic tables, made by local Boy Scouts, have been moved. Five new round tables with connecting seats will be located in the concession area for guests.

Due to the requests for rentable shaded seating and an increase in requests for parties, the Friends of Central Pool, as an experiment, will offer two new cabanas with wicker furniture located near the dressing room entrances, thanks to money from the Noblesville Township Trustee. Conner said there is a game plan for more cabanas, possibly in the baby-pool area, if this idea takes off. Shade umbrellas with stands will also be available for rent at \$10 per day. Plus, the pool deck near the diving pool will also be offered again this year for rent. The grassy area has been regraded and new grass was added, and that will be a space people can use the second half of the summer.

Costs to operate the pool have gone up. "Our chlorine costs have doubled over the last 12 months," Conner said. This year's operating budget is about \$500,000, he said. The overall budget has gone up by almost 40 percent over the past three years.

Membership was at 750 last year and they're hoping to increase that number in 2023.

There are also new games -- volleyball and spikeball -- for nonswimmers who like to come to the pool. Corn hole was added in 2022.

What else? "We always have ice cream," said Bowling, who also mentioned that Dippin' Dots brand ice cream was offered in 2022 and could return in 2023, depending on availability.

The Aquatic Center staff of 70 -- including 50 lifeguards, front desk and concession workers -- began work on Monday for the season. There are more lifeguards this year. Most of the staff who worked concessions moved on to lifeguard positions. And while 100 teens applied to work "a fun summer job" at the Aquatic Center concession stand, only four new hires were made, with a total of 20 concession workers, mostly 14-year-olds. Bowling said most of the previous staff returned.

There are donor-level memberships for "those who really care about the pool and have the means to help us," Conner said.

Longtime Friends of Central Pool donors Dale and Marge Ostler of Noblesville were the first private donors to write a check to help pay for the new LED video board in 2022. In 2021, during the 90th anniversary celebration year, the Ostlers were selected as co-chairs

of a special endowment fund steering committee to focus on the continued development of the fund, which was established several years ago at the Hamilton County Community Foundation. Marge (Fields) Ostler was a lifeguard at the old pool in Forest Park. She and Dale, who were U.S. Masters swimmers, were early and significant supporters of the efforts to rehabilitate the center.

The Ostlers, fittingly, are the namesake of the highest level of three donor-level memberships that were established in 2022 for The Friends of Central Pool.

At a giving level of \$300 (tax deductible) or more, The Ostler Society donor level benefits include: name on board recognizing all donor-level supporters, a 2023 Aquatic Center family membership up to six family members (additional family members can be added for a fee), Aquatic Center day passes, one benefit allowing one additional adult caregiver facility access when accompanying member dependents, 20 percent discount at the Aquatic Center poolside cafe, invitation to special membership events, membership e-newsletter, up to six Forest Park Aquatic Center T-shirts and one Forest Park Aquatic Center car decal.

The video board runs 24 hours a day and is funded completely by donors. The video board provides advertising exposure, at least three times an hour, through digital ads, logos and "about us" videos from the Aquatic Center's multiple sponsors, including The Times newspaper.

Conner, who is senior vice president of corporate development at Bastian Solutions, which is moving to Noblesville, and one of the sponsors of the Aquatic Center, leads the Aquatic Center's board of directors year-round and from March through October is constantly volunteering at the pool. He and Bowling, in her ninth year, also spend their time helping to raise money and fixing things at the pool. Bowling said her children, Macee, 21, will help open the pool, Logan, 18, will manage the beach, and Ty, 14, will work concessions. She coached at the pool for 15 years. She was asked to cover for two weeks, and it ended up being a full-time position. Yes, she always has something to do there. Bowling was so busy that she never got in the pool once last summer.

Also, one more thing. Conner said, "Our parking fee remains the same, at \$0."

like Coppertone suntan lotion (\$1.39,) polarizing sunglasses (\$1.98 and up,) and aluminum lawn chairs. (\$4.48 for adults' chairs. Kids' chairs were \$2.69.)

(Have the prices made you sick yet? I'm feeling a little queasy myself.)

As usual, the Indianapolis 500 was a prominent feature of the holiday. Race fans traveling through Noblesville couldn't help but notice the large "Indianapolis 500 Mile Race May 30" banner suspended over South 10th Street.

(Back then, Memorial Day was always celebrated on May 30, and the race was always on Memorial Day.)

In keeping with the race theme, Eagles Lodge No. 450 sponsored a pre-race dance May 29) with music by the Astronauts. If you weren't into dancing, you could see "The Young Racers," a motion picture about Grand Prix racing playing at the Diana.

Noblesville had an additional tie to the 500 that year -- hometown girl Vicky Richardson was a 500 Festival princess.

Of course, the main reason for the holiday was to honor members of the military who died defending our country.

Commemorative services took place at Westfield, Arcadia and Cicero on Sunday, May 26, and at Noblesville on Memorial Day. Sheridan, Carmel, Delaware Township, and Atlanta also held ceremonies.

In Cicero, American Legion Post 341, the Jackson Central High School Band and other community units marched to the Cicero Cemetery, with a pause at the Morse Reservoir bridge for a special naval ceremony. State Representative Bill Howard delivered the Memorial address.

Later that day, those

same units marched in Arcadia's parade, which was sponsored by the Arcadia American Legion Post 344.

Westfield's American Legion Post 318 held services at Summit Lawn Cemetery with an invocation, a speech, and a salute by a color guard and firing squad. The Westfield High School band provided music.

A program at Oaklawn Memorial Gardens featured the Eastwood Junior High School band, the Fishers American Legion Color Guard and an address by Noblesville's Preston G. Woolf, an expert on international affairs.

Noblesville's observance began at 8:30 a.m. with a wreath laying ceremony on the southeast corner of the courthouse square.

That was followed by a parade which included American Legion and Veterans of Foreign Wars drill units, Boy Scouts, Girl Scouts, members of the Noblesville Boys Club, the Noblesville High School band, the Vaquero Drum and Baton Corps, National Guard vehicles and saddle horses.

From the square, the marchers headed to Riverside Cemetery for an invocation and a short address by local ministers. After a band presentation and a volley from the American Legion unit's guns, the parade broke up, only to reform a little later and repeat the program at Crownland Cemetery.

Notable Nineties Update: Mary Waltz has added three more Notable Nineties to the list: Joyce Menefee, Jay Curnutt and Barbara Cartwright. Congratulations!

stood there on the stage after speaking about him," Sophie said. "I was super happy." She said he tapped her on the shoulder and finally she left.

"I wanted Sophie to introduce Rushdie because I thought she had something meaningful to share with our audience," Whitehead said. "Her speech delighted everyone - especially Rushdie."

Whitehead said that after the event, a member of the museum's board suggested assigning Sophie the title of Free Speech Ambassador.

Sophie has been the museum's Free Speech Ambassador ever since. Now as a ninth grader at University High School, her most recent initiative for the museum is Sophie's Banned Book Club, which meets four times a year in Carmel. The next meeting will be at 4 p.m., Sunday, June 11.

The book that will be discussed at the June meeting will be "Maus," written by Art Spiegelman. It's a graphic novel that tells the story of Spiegelman's father, who survived the Holocaust during World War II. In the book's drawings, Jews are portrayed as mice while the Nazis are cats.

"Her banned book club is particularly relevant here in Indiana where our state government has just made it easier for books to be banned," Whitehead said. "I don't know any other book club that has members ranging

from ages 15-80. Sophie commands the respect of people of all ages because she takes free speech seriously and cares about others' opinions. She's so Vonnegut!"

There is still plenty of time to read the book if you want to participate in the banned book club. Most of the libraries in Hamilton County have the book in their collections, or you may be able to borrow it through an Interlibrary Loan program. You can also buy the book to add it to your own collection.

Registration to participate in the book club is required, and both registration and attendance are free. Go to this link:
