Readers'  
Choice

## **Reader's Choice 2023 Special Section**

Readers' Choice is wrapped up for another year, and once again, The Times' annual promotion to recognize your favorites in a multitude of categories was a huge success.

Back when our company was founded, we created this fun and good-natured promotion that features local businesses, people, products and more and gives you, our readers, the opportunity to vote for your favorites. We often joke that this is like Chicago politics and encourage you to vote early and vote often.

You see, this has never been about the rigidity of the process. Instead, it is designed to be an absolutely fun and very positive way for our readers to cast a good light on their favorites. And oh, how you have responded! We annually see ballots that number in the hundreds of thousands.

This is our special section showcasing all of the results for Readers' Choice 2023. We hope that you find it handy when you are looking for goods and services.

Lastly, we encourage you to pay attention to the many businesses who are saying thank you with their ads. Without those supporters, local news and specifically your daily edition, wouldn't be here.
