People who call our community their own.

What makes Greg Conner smile? "My kids and a packed Forest Park Aquatic Center on a hot sunny summer day," said the 40-year-old Noblesville resident, who was found at the Aquatic Center. Conner is president of the board of directors for Friends of Central Pool, a nonprofit that operates the pool and consists of dedicated volunteers like Conner. Noblesville Brewfest, to benefit the Aquatic Center, will be this Saturday at Forest Park. The weather looks like it will be a beautiful day. The 14th annual event, which will feature the band Roughhouse, will be 3 p.m. to 7 p.m. Saturday with tickets available on the Noblesville Brewfest Facebook page. The Friends of Central Pool partnered with the City of Noblesville in 1997 to save the pool from demolition. The community pool is now operated by the nonprofit and the Brewfest is put on by an all-volunteer group. "Growing up in Noblesville, my summers were spent at the Forest Park Aquatic Center, training and competing as a member of the Noblesville Swim Club." He met his wife, Lisa, at Purdue, where she attended on a swimming scholarship. He and Lisa have four kids, Blake, Bryce, Drew and Nora. "Our family loves outdoor activities, especially golf and swimming. Growing up, he was lifeguard, head guard, assistant manager and director of operations at the Noblesville pool and is also on the Noblesville Adult Swim Team Inc. Tickets for Brewfest, benefiting the pool, are \$45 through Friday and \$55 day of the event Saturday at Forest Park.

Homeowners Ready For NPA Home Tour

BETSY REASON
From The Editor's Desk...

This week, I wandered my way to the charming brick Logan Street, where I found homeowners getting ready for company this weekend. Eight homes -- celebrating Hamilton County and Noblesville's Bicentennial and built during Noblesville's Gas Boom (1887-1907) -- will open for Noblesville Preservation Alliance's 36th annual Historic Home Tour from 10 a.m. to 5 p.m. Saturday.

Homeowner Diana Szabo was on a stepladder washing the porch ceiling and the detailed decorative spandrel work around the front porch of her home at 1408 Logan St.

"There's always something to work on," said Szabo, who admitted the house was "a lot more work" than their previous newer homes.

But she wouldn't trade it. Szabo loves her house, where she and husband Charles have lived for the past three years.

What she likes most about her house? "The fact that it's old," she said. "I've always admired old homes, because they're so unique."

Since they moved to the home, they've done "mostly cosmetic things, lots of paint, just little things here and there, redoing cabinets in the kitchen" she said. "As far as a major renovation, we haven't quite gotten to that yet. We do want to do some things, just not sure when and what order."

Favorite space in the house? "My closet. I like my closet. It's a walk-in closet. It's large," she said smiling.

Her husband peeked his head out of the front door, then stepped out. The couple, who are both from Texas, have lived mostly in old mid-century houses but came to Noblesville,

after moving from Fishers, for only one reason: "This house," said Charles.

The house, built by Charles and Amanda Carlin in 1894, is a two-story wood-framed Victorian with a small balcony overlooking a larger, first-floor porch. Most of the early homeowners were merchants. The Carlins owned Carlin's Logan Street Grocery on the Square for 30 years. Then came a tailor, a meat market butcher and then Edgar Willits who operated E.H. Willits Depart-

Meredith Lee Carter

May 27, 1936, Tuesday, September 5, 2023

Dr. Meredith Lee Carter of Carmel, Indiana passed away on September 5, 2023 surrounded by his family and his loving wife of 60 years. He was born on a small farm on May 27, 1936 in Cutler, Indiana to Leona and Cleon Carter. He was the first of fourteen children.

A basketball star at Cutler high school, he received a scholarship to Butler University where he became known affectionately as "Stretch". During college he worked at the Indiana State House where he met the love of his life Nellie Elizabeth Carter (Karnes). They were married on December 22, 1962.

He received a Bachelor's and Master's degree from Butler and eventually earned his Doctorate in Educational Administration from Ball State. After his tenure as a biology teacher and an administrator, he became the Academic Dean of Ivy Tech in 1971 and later became the Vice President/Chancellor of Ivy Tech Community College in Indianapolis from 1983-2004.

Dr. "Stretch" Carter imparted his wisdom and knowledge to countless numbers of students, preparing them for promising futures. He consulted with business leaders and government officials, developing cooperative relationships with business, industry, educational institutions and state and local government. He was able to foster agreements with Indiana University and Purdue as well as other local and international colleges. He helped to make Ivy Tech Community College into a thriving educational hub.

With a lifelong passion for service, he lent his expertise to numerous boards over the years, including Janus Developmental Services, the Mental Health Association of Indiana, Fund for Hoosier Excellence, and The Greater Indianapolis Progress Committee.

Elected to the Hamilton County Council in 1983 he was a beloved figure in local politics for over 30 years. His quiet and humble approach to service resulted in him touching the lives of countless people during his lifetime of work and community participation.

He was honored with many awards including the Sagamore of the Wabash by Governor Frank O'Bannon, the Outstanding Appreciation award from the AFL-CIO Community Services, and the Distinguished Service Award in Support of Adult Education from the Adult Education Association of Indiana. He was known in the community as a leader in the State of Indiana.

He loved to travel and was always seeking out colleges and businesses to visit and connect with. Always open and friendly, his deep interest in people's lives touched those around him, even strangers at times.

Married for 60 years, he and Nellie raised his three sons, finding time to be involved in sports and educational endeavors throughout the years. He was a very proud and loving grandfather who encouraged and cheered on all his grandchildren.

In addition to his parents, Meredith was preceded in death by brothers, Max and Jerry; sisters, Marilyn and Madonna.

NOTICE OF CONSOLIDATED PUBLIC HEARINGS BY THE BOARD OF SCHOOL TRUSTEES OF CARMEL CLAY SCHOOLS, HAMILTON COUNTY, INDIANA

The citizens of the Carmel Clay Schools, Hamilton County, Indiana (the "School Corporation"), are hereby notified that the Board of School Trustees of the School Corporation (the "Board"), proposes to enter into negotiations with the Carmel Clay School Building Corporation, which is a non-profit school building corporation controlled by, and operating on behalf of, the School Corporation (the "Building Corporation")...

All or a portion of the 2024 Facility Project will be financed by entering into a proposed lease and related addenda (collectively, the "Lease") with the Building Corporation, which in turn will allow the Building Corporation to issue one or more series of first mortgage bonds (collectively, the "Bonds") in an original aggregate principal amount not to exceed Seventy-one Million Five Hundred Thousand Dollars (\$71,500,000)...

Pursuant to the Lease, the Building Corporation will do all or any portion of the following: (1) acquire from the School Corporation all or any portion of any of the (a) existing Cherry Tree Elementary School (the "Existing Facility"), and (b) the land upon which the existing Cherry Tree Elementary School is located (collectively, the "Premises");

(2) undertake all or any portion of any of the 2024 Facility Project, as directed by the School Corporation; and (3) lease all or any portion of the Premises for a term not to exceed seventeen (17) years beginning on the date all or any portion of the Premises is acquired by the Building Corporation...

As additional rental, the School Corporation will maintain insurance on that portion of the Premises which is subject to the Lease as required in the Lease and will pay all taxes and assessments against such property, as well as the cost of alterations and repairs, all rebate costs associated with the obligations issued by the Building Corporation, and all utility costs incurred in connection with such property.

As described above, a portion of the proceeds of one or more series of the Bonds will be paid to the School Corporation as the acquisition price of all of the Premises which are subject to the Lease. The School Corporation intends to use the money it receives from the Building Corporation from the proceeds of the Bonds to pay for a portion of the costs of the 2024 Facility Project not paid by the Building Corporation.

The drawings, plans and specifications, including cost estimates, for the 2024 Facility Project as well as a copy of the Lease, are currently available for inspection by the public on all business days during business hours, at the School Corporation's Educational Services Center, located at 5201 East Main Street, Carmel, Indiana.

Notice is hereby given by the undersigned that the Board will, on October 30, 2023, at 6:00 p.m. (local time), at the School Corporation's Educational Services Center, located at 5201 East Main Street, Carmel, Indiana, conduct a public hearing (1) regarding the matter of appropriating the proceeds of the Bonds and investment earnings thereon in an aggregate amount not to exceed \$71,500,000, and (2) upon the necessity for the execution of the Lease, and upon whether the lease rental provided for therein to be paid by School Corporation to the Building Corporation is a fair and reasonable rental for that portion of the Premises which is subject to the Lease.

Such hearing may be adjourned to a later date or dates, and subsequent to such hearing the Board may (1) either authorize the execution of such Lease as originally agreed upon, rescind the proposed Lease, or make modifications therein as may be agreed upon with the Building Corporation, but in no event may the rental exceed the amounts set forth in this notice, and (2) consider adoption of a resolution regarding the issue of appropriating the proceeds of the Bonds and the investment earnings thereon for the purposes described herein.

Dated the 13th day of September, 2023. CARMEL CLAY SCHOOLS, HAMILTON COUNTY, INDIANA By: Secretary, Board of School Trustees TL20742 9/13 1t hspaxlp
