The Latest Exhibits at the Virtual Museum

PAULA DUNN
From Time to Thyme

Welcome once again to the From Time to Thyme Virtual Museum, where all the objects on display exist only in old newspaper stories – and possibly in a few family legends.

Hopefully, these items have been safely preserved somewhere and haven't been squirreled away in someone's dark, dusty attic.

Come along with me and I'll point out the new exhibits, beginning with our rare books gallery.

The April 14, 1893 Noblesville Democrat reported that John Downing of Noblesville owned a trio of books noteworthy for their great age: A 1675 religious work printed in Oxford, England, a book on arithmetic dated 1786 and a history of the Church of England from 1776.

All three "well preserved" books originally belonged to Downing's grandfather.

The March 31, 1893 issue of the same newspaper observed that "constant reader" Michael "Mike" Buscher of Jackson Township possessed one of the most valuable libraries in the county. The stars of Buscher's collection were a 140 year-old Bible and a 190 year-old church history.

Perhaps the most impressive artifact in the gallery is a 350 year-old German Bible mentioned in the February 21, 1924 Noblesville Daily Ledger. At that time the Bible was the property of Dr. B. V. Chance of Windfall, but the doctor had inherited it from his grandfather, pioneer Noblesville merchant and farmer Isaac L. Davenport.

Moving along to our other displays . . .

Here we have a sundial owned by Washington Township's Daniel Haskett, one of this area's early settlers.

According to the May 26, 1893 Noblesville Democrat, the sundial had previously been located on the grounds of the Sutton's

BETSY REASON
Columnist

Lori Raffel admits she's a "huge basketball fan."

And what better time of the year to direct a play about a coach and a basketball team than just before the NCAA men's basketball Final Four tournament.

The Carmel resident originally read the play when she was a theater student at Indiana University.

"I fell in love with it because it reminded me of when I was in junior high school at Carmel and the basketball team won state -- pretty much against all odds -- with a team that included the Shepherd brothers and their father as coach in 1970," the 1976 Carmel High School graduate said. "That Championship Season" opens Thursday and continues through April 14 at Basile Westfield Playhouse. Tickets are still available.

Winner of the Pulitzer Prize, the Tony Award, and the New York Drama Critics Circle Award as best play of the season, "That Championship Season" brings pathos, humor and

deep compassion to its study of five men – a high school basketball coach, now retired, and four members of the team that he guided to the state championship 20 years earlier – who meet for a reunion. "That Championship Season" opened Sept. 14, 1972, at the Booth Theatre on Broadway, starring the late Richard A. Dysart, Charles Durning and Paul Sorvino. "This is such a great story of the glory years for these Scranton, Pa., players," Raffel said.

It's her first time directing at the playhouse. The play has been on her bucket list to direct for years. "The coach is what keeps these guys together and meeting every year on the anniversary of the game. They are most comfortable and most vulnerable when they are together, which means there is humor and some tempers flare," Raffel said. "The coach is such a powerful force in their lives - even after 25 years. Coach is inspirational but flawed like most of us."

The play is produced by Jen Otterman of Noblesville and is an Artist's Choice Production: Shows that Celebrate Inclusion, Diversity and New Voices."

Virginia Ewing

September 2, 1942 - March 18, 2024

Virginia Callahan Ewing passed away into the loving arms of her Heavenly Father on Monday, March 18, 2024. Born September 2, 1942, in Adair County Kentucky, she was the daughter of the late Henry C. and Eva Wise Callahan.

After growing up in Kentucky, Virginia came to Sheridan, Indiana and started working for Pickett's Poultry. Virginia spent many years working in electronics for Zaring Industries and then JB Electronics until they closed. On June 16, 1999, she started working for Goodwill Industries of Central Indiana. She retired in 2010 when she was diagnosed with breast cancer. In 2007 she was diagnosed with thyroid cancer. She was a true survivor, bravely fighting both cancers without complaints.

Sheridan is where she met the Love of her life, Burlin C. Ewing. They were married on November 23, 1963, in Noblesville, Indiana and celebrated 59 wonderful years together.

Virginia never met a stranger, and her infectious smile and easygoing sweet spirit could instantly put you at ease. Her heart always gravitated toward children, the elderly, and animals. She was always willing to help those in need, even if she didn't have much herself.

She loved being with her family, and ALL holidays were spent at her house. She loved baking, and especially loved making desserts. She enjoyed sharing them with anyone who stopped by, and always found a way to send some home with everybody. When you went to her home you were always offered something to eat. Her son-in-law, Steve, affectionately named her "food pusher".

Virginia enjoyed reading the Bible, and leafing through cookbooks, as well as hand quilting, gardening, and canning vegetables (which would become a summer tradition with her daughters). Making jelly was another one of her specialties. She and her daughter Trena made jelly for Christmas gifts last year. Another one of Virginia's talents was crocheting; one summer she crocheted 100 hats that were given to the homeless for the winter.

Virginia had a passion for music and loved to sing. In 1977 she purchased a piano and enrolled all her children in piano lessons. Her children played and sang in church for many years at The Kirklin Assembly of God, where she was a member. She loved working with her children, teaching them harmony, and always telling them to "sing it with feeling!" She herself could play guitar and banjo. Eventually, her son Brian started playing guitar, her daughter Trena drums, and Tina was always on piano.

Virginia was a constant caregiver, caring for her sister Margaret until her death on August 24, 2022, and later for her own husband, Burlin, during the last years of his life. Burlin passed away on March 26, 2023. After his death, Virginia found peace in helping her granddaughter look after the newest addition to the family, baby Eber, who was born one week after her Burlin's passing. She continued to help care for her great grandchildren, Eugene, and Eber, on a nearly daily basis. They lovingly called her GiGi.

She loved Jesus, her husband, and her family with her whole heart! She loved spending time with her seven grandchildren, who her husband Burlin called "The Magnificent Seven." She was loved by her entire family, leaving them truly heartbroken.

Virginia is survived by her three children, Tina (David) Kalman of Kirklin, Trena (Stephen) Hunt of Kirklin, and Brian (Rachelle) Ewing of Cicero; seven grandchildren, Kaitlyn (Brandon) Pickett of Sheridan, Wesley Malbone of Katy, Texas, Kristina Kalman of Sheridan, Ciara (Nick) Halbert of Noblesville, Taylor Ewing of Cicero, Christian Ewing of Cicero, and Ella Ewing of Cicero; special grandchild, Drew (Laurie) Hunt of Kirklin; great grandchildren, Eugene Bennett Pickett, Eber Bailey Pickett, James Tyson Hunt, and Emma Lee Hunt; brother, Bradley (Linda) Callahan of Elk Horn, Kentucky; sister-in-law, Stella Callahan of Knifley, Kentucky; several nieces and nephews; and her feline, "The 8th Street Cat", Coco.

She was preceded in death by her parents, Henry C. and Eva Wise Callahan; sisters, Margaret Stultz, and Mattie Bell Callahan; brothers, Herol, Eddie, and Coy Callahan; and by the love of her life, Burlin C. Ewing.

Services will take place at 1:00 pm on Monday, April 1, 2024, at Kercheval Funeral Home, 306 East 10th Street, Sheridan, Indiana. Burial will follow at Spencer Cemetery in Sheridan, Indiana. Virginia's son-in-law, David Kalman, will be officiating. Visitation will take place from 4:00 - 8:00 pm on Sunday, March 31, 2024, at Kercheval Funeral home in Sheridan.

Mary Savitsky

March 6, 1930 - March 20, 2024

Mary Caroline Savitsky, age 94, passed away peacefully at her home in Westfield, Indiana surrounded by her loving family on Wednesday morning, March 20, 2024. Born March 6, 1930, in Shenandoah, Pennsylvania, she was the daughter of the late Joseph and the late Elizabeth (Gorski) Zynel.

After graduating from J.W. Cooper High School, Mary worked as a store clerk and as a secretary for an insurance company before embarking on her primary vocation as a homemaker. She was an amazing wife, mother, grandmother, and great-grandmother. Mary was also a meticulous housekeeper and superb cook and baker. Her many recipes are cherished by her children and grandchildren. Mary enjoyed gardening, traveling, doing word and Sudoku puzzles, and going to the casino.

A 36-year member of Holy Name of Jesus Catholic Church in Harrisburg, Pennsylvania, Mary was involved in a number of parish activities. After moving to Westfield, she became an active member of St. Maria Goretti Catholic Church. Mary was a devout Catholic and often attended daily Mass. In her later years she spent several hours a day in prayer, reading Scripture, saying the Rosary, and praying for loved ones both living and deceased. We are comforted that she will now be an intercessor for our family and friends.

Family was always the most important thing in Mary's life. She was preceded in death by her best friend and the love of her life, Wallace Ralph Savitsky. She and Wallace were married on January 13, 1951, and their 66 years of marriage were, and will continue to be, an inspiration to their children and grandchildren. Surviving are her son, Robert J. Savitsky (Julia) of Sheridan, Indiana; her two daughters, Mary Savitsky-Ulowetz (Joseph Ulowetz) of Northbrook, Illinois and Patricia Hinrichs (Donald) of Westfield, Indiana; her six grandchildren, Allison Brockley (Travis) and Devin Fetterhoff of Westfield, Indiana, Andrew Savitsky of Washington, DC, Matthew Savitsky of Chicago, Illinois, Christina Ulowetz (Nina Fichera) of Ardmore, Pennsylvania and Kathy Ulowetz of New York City; her great-grandchildren, Genevieve and Eloise Brockley; and many nieces and nephews. Mary was also preceded in death by her parents; four sisters, Mary Ann Zynel, Josephine Yanchulis, Genevieve Gilpin and Theresa Kelly; and three brothers, Victor Zynel, Edward Zynel and Vincent Zynel.

A Mass of Christian Burial will take place on Tuesday, April 2, 2024, at 11:00 am at St. Maria Goretti Catholic Church, 27102 Spring Mill Road in Westfield, Indiana, with visitation from 10:00 am until the time of service. Burial will take place at Fort Indiantown Gap National Cemetery in Annville, Pennsylvania, at a later date.

Memorial donations may be made to the St. Maria Goretti Food Pantry, 27102 Spring Mill Road, Westfield, Indiana 46074 or to the Reins of Grace Therapeutic Riding Center, 1414 West 206th Street, Sheridan, Indiana 46069.

Arrangements have been entrusted to Kercheval Funeral Home in Sheridan.

BGCN to Host Topgolf Tournament during First Round of The Masters

The Boys & Girls Club of Noblesville will host their seventh annual Topgolf Tournament, title sponsored by First Merchants Bank, on Thursday, April 11 at Topgolf Fishers on the first day of The Masters. The afternoon will bring Augusta to Fishers while featuring food, drinks, giveaways, a silent auction, and Topgolf's TopContender gameplay, all while supporting affordable, after-school programming for over 2,000 local youth and teens.

BGCN Director of Development Nathan Helm

"Last year's Topgolf Tournament was a huge success with over 140 in attendance to support our Club Kids while taking in the first round of The Masters golf tournament," said BGCN Director of Development Nathan Helm. "The event will help ensure that the Club's memberships remain affordable to local youth. Each day after school, over 300 members are coming to the Club at a cost of only \$60 for the year, while the true cost of a membership is over \$900 per year. This outing is a great opportunity to network, give back to the community, enjoy the kickoff to golf season and support our local youth."

The event will kick-off at noon with registration followed by lunch buffet and open play, and two TopContender team games will follow beginning shortly after 1:00pm. During the event, participants will have the chance to network and participate in contests such as closest-to-the-pin in addition to a unique putting contest from GKM Property Services. The event will wrap-up with an awards ceremony at 4:00pm.

Seed Library Opens at Westfield Library

The Westfield Library Foundation is thrilled to announce the grand opening of a new Seed Library at the Westfield Washington Public Library. This new addition, generously sponsored by

Erin Downey

Community First Bank of Indiana, provides a space where residents can access, borrow, exchange, or donate seeds for a variety of plants, including vegetables, herbs, and flowers.

"The Seed Library will feature a diverse selection of seeds suitable for different growing conditions and seasons, catering to both novice and experienced gardeners alike," Erin Downey, Executive Director of the Westfield Library Foundation said.

Seed libraries have gained significant popularity in recent years for their role in promoting biodiversity, sustainability, and local agriculture. By providing free access to seeds, libraries encourage community members to grow their own food, support local ecosystems, and engage in the age-old tradition of seed sharing.

"We are thrilled to partner with Community First Bank of Indiana to bring this valuable resource to our community," Downey said. "We are deeply grateful for their commitment to fostering community engagement, education, and sustainability."

In addition to sponsoring the Seed Library, Community First Bank of Indiana also contributed to the construction of a playhouse in the Children's Department of the new library building. The playhouse will provide a welcoming space for children to engage in imaginative play and storytelling.

PAULA From Page A1

Creek Friends Meeting in Perquimans County, North Carolina, For forty years it had marked the hour at which the Friends assembled for worship.

Despite being over 100 years old, the sundial was said to still be remarkably accurate.

Our next exhibit is a revolver discovered by Townsend W. Newby on his late father's farm near Deming.

The September 1, 1927 Noblesville Daily Ledger noted that although the gun appeared to have been "a very fine weapon in its day," at that time it was rusty, missing its cylinder and had a trigger that no longer worked.

Newby found it behind the chimney of an old log cabin said to have been built during the Civil War by an African

American preacher, Rev. Billy Allen. Rev. Allen later moved to Michigan. The Ledger speculated that he'd forgotten to take the gun with him when he left.

(I'm not sure that Rev. Allen's name is correct. I wasn't able to find any concrete information on a Rev. Billy or William Allen, but there definitely was a Rev. Charles Allen who later moved to Michigan. If anyone can confirm Rev. Allen's correct identity, please let me know.)

The last item on display is a baton that the very musical John Emmons of Noblesville used to direct local choirs. According to the January 7, 1887 Noblesville Independent, the baton was a family heirloom, carved out of wood from the "old ship

Constitution" by Emmons' uncle. I'm not sure what to make of that claim. The Independent described the Constitution as "a war vessel on Lake Erie over fifty years ago." If they meant the USS Constitution, the ship nicknamed "Old Ironsides" during the War of 1812, it didn't sail on Lake Erie.

HOWEVER, some of the Constitution's sailors were transferred there and served on other ships during the Battle of Lake Erie. Maybe that's where the confusion lies.

(An interesting side note - Emmons' father, Lucius, started Noblesville's first newspaper, The Newspaper, in 1837. He was also responsible for starting the cholera epidemic of 1850 which killed many local

residents, including himself.) The museum is closing now, but do come again. Our exhibits are always changing!

photos that represent his Catholicism and politics." Being the show is set in 1972, the hair and makeup is a little longer. "The last thing I told the cast after auditions was 'Don't cut your hair.' And they didn't, and we are working out styles and costumes with (costumer) Samantha Kelly," the director said.

The play is a small cast of five men: Earl Campbell of Noblesville as George, Adrian Blackwell of Noblesville

as Tom, Jim Simmons of Fishers as Coach, Ken Kingshill of Whitestown as Phil and Mark Kamish of Indianapolis as James. Auditions went well, Raffel said. "I had so many talented men to select from. It was a tough decision."

WESTFIELD REDEVELOPMENT COMMISSION
 NOTICE OF PUBLIC HEARING ON PROPOSED LEASE BY THE WESTFIELD REDEVELOPMENT COMMISSION

You are hereby notified that a public hearing will be held before the Westfield Redevelopment Commission on April 15, 2024 at the hour of 6:00 p.m. (local time) at the City Hall Assembly Room, 2728 East 171st Street, Westfield, Indiana, upon a proposed lease ("Lease") to be entered into between the Westfield Redevelopment Authority ("Authority"), as lessor, and the Westfield Redevelopment Commission ("Commission"), as lessee. The Lease is for the benefit of the citizens of the City of Westfield, Indiana ("City").

The proposed Lease upon which the hearing will be held is for a maximum term of eighteen (18) years, commencing upon the acquisition of the Leased Premises (as described below) for the purpose of refunding a certain outstanding loan of the City. The Leased Premises consist of the acquisition and leasing of a certain building ("Leased Premises"). The lease provides for approximately equal installments according to a schedule attached to the Lease with a maximum annual lease rental of \$1,910,000, payable semiannually on January 1 and July 1 of each year during the term of the lease, commencing on July 1, 2024.

After the sale by the Authority of its [Taxable] Lease Rental Refunding Bonds, Series 2024 ("Bonds"), issued to pay for the cost of the acquisition of the Leased Premises and other expenses incidental thereto, including funding of a debt service reserve, if necessary, and costs of issuance, the annual rental shall be reduced to an amount equal to the multiple of \$1,000 next higher than the sum of principal and interest due on the Bonds in each twelve-month period ending on January 15, plus Five Thousand Dollars (\$5,000), payable in semiannual installments. Lease rentals shall be payable from General Revenues (as defined in the Lease) of the City and, to the extent General Revenues are not sufficient, from a special benefits tax levy collected in the Westfield Redevelopment District, and, in addition, any tax increment collected in certain allocation areas may be used to pay lease rentals (each as defined in the Lease), as determined by the Clerk-Treasurer, with the advice of the City's municipal advisor.

The Lease gives an option to the lessee to purchase the Leased Premises on any rental payment date. The estimates for the cost of the acquisition of the Leased Premises, as well as a copy of the proposed Lease, is available for inspection by the public on all business days, during business hours, at the office of the Clerk-Treasurer, 2728 East 171st Street, Westfield, Indiana.

At such hearing all persons interested shall have a right to be heard upon the necessity for the execution of the Lease, and upon whether the lease rentals provided for therein to be paid to the Authority are fair and reasonable rentals for the proposed acquisition of the Leased Premises, whether the services provided by the Leased Premises will serve the public purpose of the City and are in the best interests of its residents and whether the execution of the Lease is necessary and wise. Such hearing may be adjourned to a later date or dates and following such hearing the Commission may either authorize the execution of the Lease as originally agreed upon or may make modifications therein as may be agreed upon with the Authority.

Dated April 3, 2024.

Lady Justice is Crying Behind Her Blindfold

TIM TIMMONS
Two Cents

Don't know about you, but I try to follow some of the legal issues rotating around our upcoming presidential election.

The cases against Trump, some criminal, some civil.

The national security issues with Biden.

The ongoing allegations against Biden's son and whether or not those actually connect to "the big guy."

The recent ruling down in Georgia that sure doesn't look good for the district attorney or her office.

And on and on and on . . .

After a while, it all turns to mush – at least for me.

Here's the thing. Depending on who wins it all could change. Even in Georgia.

Fani Willis, the Fulton County District Attorney who will never find herself pictured in the dictionary under the word professionalism, is running for re-election in the fall. She has challengers, and if she loses – and if Trump's trial is not concluded by then – the new D.A. could throw the entire case out the window. It's not supposed to work that way.

Lady Justice is crying.

You know Lady Justice. She's that elegant lady holding the scales of justice. She wears a blindfold.

She's modeled after two goddesses, one Roman

(Justicia) and one Greek (Themis). They represented justice and clear-sightedness. Our Lady Justice is supposed to be unbiased, so the blindfold prevents her from seeing what someone looks like when she makes her decision. She isn't supposed to be influenced by appearances or outside influences.

Or who wins elections.

Truth to tell, I have no idea if the charges and allegations against Trump and Biden are fair, unfair, accurate, hogwash or anything else. Like you, I am not privy to all the facts in the cases. I have not read the thousands and thousands of pages of indictments, investigations and whatnot. All I know is what I hear . . . through others' biases. CNN tells me how guilty Trump is and Fox tells me how guilty Biden is.

And voters in Fulton County, Georgia will tell us whether or not they want the ongoing saga in their courthouse to continue.

It's not justice. It's not even close. It's politics. And for the sake of our country, it needs to end.

Lions Welcome Speaker on "Trust"

The Noblesville Lions recently welcomed Robby Slaughter who highlighted the evening with his comments on "Trust." He spoke on how trust is basic for all that we do. And these days, Trust is down in government and many other areas. Two of the main areas needed for trust are consistency and honesty (saying and doing the right things). A lot of details were covered that explained these areas. Being Lions in the public eye, this subject kept attention. Slaughter, left, is thanked by Jeff Kozicki, Lion VP.

Sheriff's Office Elevates Autism Awareness Month

The Hamilton County Sheriff's Office is proud to announce its participation in Autism Awareness Month for the year 2024. As part of our commitment to fostering understanding and support for individuals with autism spectrum disorder (ASD), you may have noticed some of our patrol vehicles adorned with multi-colored puzzle piece wraps.

Inspired by this encounter, the Hamilton County Sheriff's Office has collaborated with community members to observe Autism Awareness Month throughout April 2024. Through our participation, we aim to raise awareness about autism, promote understanding, and highlight the importance of inclusive practices in law enforcement interactions.

The Sheriff's Office offers a Colorful Reminder of where their hearts are.

autism awareness and acceptance. We encourage all members of the community to join us in this important endeavor.

For more information about our Autism Awareness Month activities, to inquire about resources for individuals with autism or visits by one of our wrapped vehicles, please contact Public Information Officer, Deputy Bryan Melton at (317) 776-4140 or via email at bryan.melton@hamiltoncounty.in.gov

Together, let's keep Hamilton County safe.

This meaningful initiative stems from a profoundly positive interaction with a young autistic man in our lobby last year. During his visit, our deputies engaged with him using simple sentences, positioning themselves at his seated level, and utilizing the Autism Emergency Communication Board—a newly acquired communication tool at the time. Witnessing the compassionate and effective communication firsthand, the young man's father was deeply impressed with our deputies and their training.

Sheriff Dennis Quakenbush stated, "Our encounter with the young man last year reinforced the significance of empathy and adaptation in our interactions with individuals with autism. By participating in Autism Awareness Month, we demonstrate our commitment to fostering a supportive community for all residents of Hamilton County."

Throughout April, the Hamilton County Sheriff's Office will continue to engage in educational initiatives, outreach programs, and organization visits aimed at promoting
